Rev. Tom Tarpley, Retired Pastor of Fowlerville First United Methodist Church in Fowlerville, offered the following invocation:

“Most Gracious and Loving God, thank You for these men and women who have been chosen by the free election process, to represent the citizens of the state of Michigan, in this House of Representatives. Lord God, please guide these representatives and their staff members, as they labor for the good of all citizens and for what is just in Your eyes.

Let the quest for freedom and the rights of the American people be the business of the day, and may You guide each representative, to honor the privilege and the authority vested in them, to make wise and just decisions, as they create the laws that will move this state of Michigan, to become a role model for every state in the nation. May true harmony, lasting freedom, and justice be safeguarded for all.

Please empower and anoint each member with the courage, the patience, and the moral integrity, needed for true and effective leadership. O God, create an atmosphere of unity among the members of this legislative body, as they come together, and let the goal of seeking peace and justice always triumph.

Give to each member an abundance of insight, an abundance of knowledge, and a sense of divine understanding, that they might know best how to proceed in the work they have been given to do, as well as the strength and courage to act, once they have discerned where Your Spirit might lead them. Lord, let there be no compromise when it comes to doing what is right versus what is wrong.

Gracious God, we know that our state and country are facing problems far greater, than mortal men, and women, have the ability to solve without Your guidance. Please help each member to recognize their helplessness and encourage them to turn to You, the One Who has all power. Bring to remembrance, the promise You made to Your people in 2 Chronicles 7:14: ‘If my people who are called by my name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.’

Dear God, I close this prayer with the words of the first prayer spoken to the Continental Congress in 1774. Hear these timeless words.

*‘Please make Your presence known, O God of wisdom, and direct the members of this honorable assembly; enable them to settle things on the best and surest foundation. I pray that the spirit of unity, harmony and peace may be effectually restored, and truth and justice, religion and piety, prevail and flourish amongst the people. Lord, may we be creative in restoring hope, persistent in making right judgments, and persevering in speaking the truth.’*

Amen.”

Prisoners less than 18 years of age who have serious mental illness, serious emotional disturbance, or a serious developmental disorder shall not be removed from an existing placement as a punitive response to behavior caused by their serious mental illness, serious emotional disturbance, or a serious developmental disorder. Due to persistent high violence risk or severe disruptive behavior that is unresponsive to treatment, prisoners less than 18 years of age with serious emotional disturbance, serious mental illness, or serious developmental disorders may be placed in secure residential housing programs that will facilitate access to institutional programming and ongoing mental health services. A prisoner less than 18 years of age with serious mental illness, serious emotional disturbance, or a serious developmental disorder who is confined in these specialized housing programs shall be evaluated or monitored by a medical professional at a frequency of not less than every 12 hours.

(c) Implement a specialized reentry program that recognizes the needs of prisoners less than 18 years old for supervised reentry.

Sec. 937. The department shall not issue a request for proposal (RFP) for a contract in excess of \$5,000,000.00, unless the department has first considered issuing a request for information (RFI) or a request for qualification (RFQ) relative to that contract to better enable the department to learn more about the market for the products or services that are the subject of the future RFP. Sec. 942. The department shall ensure that any contract with a public or private party to operate a facility to house state prisoners includes a provision to allow access by both the office of the legislative auditor general and the office of the legislative corrections ombudsman to the facility and to appropriate records and documents related to the operation of the facility. These access rights for both offices shall be the same for the contracted facility as for a general state-operated correctional facility.

This network may be a cable television network that presently reaches the majority of households in the United States. A bilingual channel affiliated with this network may also be added to department programming to assist the religious needs of Spanish-speaking inmates. The addition of these channels shall be at no additional cost to this state.

### **ONE-TIME APPROPRIATIONS**

Sec. 1100. From the funds appropriated in part 1 for new custody staff training, the department shall increase the training capacity for new custody staff by 350 officers. The purpose of this academy is to address higher than normal attrition of correction officers and to decrease overtime costs.

**STATE BUILDING AUTHORITY**

Sec. 1100. (1) Subject to section 242 of the management and budget act, 1984 PA 431, MCL 18.1242, and upon the approval of the state building authority, the department of treasury may expend from the general fund of the state during the fiscal year an amount to meet the cash flow requirements of those state building authority projects solely for lease to a state agency identified in both part 1 and this section, and for which state building authority bonds or notes have not been issued, and for the sole acquisition by the state building authority of equipment and furnishings for lease to a state agency as permitted by 1964 PA 183, MCL 830.411 to 830.425, for which the issuance of bonds or notes is authorized by a legislative appropriation act that is effective for the immediately preceding fiscal year. Any general fund advances for which state building authority bonds have not been issued shall bear an interest cost to the state building authority at a rate not to exceed that earned by the state treasurer’s common cash fund during the period in which the advances are outstanding and are repaid to the general fund of the state.

(2) Upon sale of bonds or notes for the projects identified in part 1 or for equipment as authorized by a legislative appropriation act and in this section, the state building authority shall credit the general fund of the state an amount equal to that expended from the general fund plus interest, if any, as defined in this section.

(3) For state building authority projects for which bonds or notes have been issued and upon the request of the state building authority, the state treasurer shall make advances without interest from the general fund as necessary to meet cash flow requirements for the projects, which advances shall be reimbursed by the state building authority when the investments earmarked for the financing of the projects mature.

(4) In the event that a project identified in part 1 is terminated after final design is complete, advances made on behalf of the state building authority for the costs of final design shall be repaid to the general fund in a manner recommended by the director.

Sec. 1102. (1) State building authority funding to finance construction or renovation of a facility that collects revenue in excess of money required for the operation of that facility shall not be released to a university or community college unless the institution agrees to reimburse that excess revenue to the state building authority. The excess revenue shall be credited to the general fund to offset rent obligations associated with the retirement of bonds issued for that facility. The auditor general shall annually identify and present an audit of those facilities that are subject to this section. Costs associated with the administration of the audit shall be charged against money recovered pursuant to this section.

(2) As used in this section, “revenue” includes state appropriations, facility opening money, other state aid, indirect cost reimbursement, and other revenue generated by the activities of the facility.

Sec. 1103. **Messages from the Governor**

The following message from the Governor was received June 3, 2016 and read:

**EXECUTIVE ORDER  
No. 2016 – 12**

**AMENDMENT OF EXECUTIVE ORDER No. 2016-10**

WHEREAS, Section 1 of Article V of the Michigan Constitution of 1963 vests the executive power of the state of Michigan in the Governor; and

WHEREAS, under Section 4 of 1982 PA 191, MCL 10.84, during a declared State of Energy Emergency the Governor may by executive order suspend a statute, order, rule of a state agency, or specific provision of a statute, order, or rule if strict compliance with the statute, order, rule, or a specific provision of the statute, order, or rule will prevent, hinder, or delay necessary action in coping with an energy emergency; and

WHEREAS, in EO 2016-10, a State of Energy Emergency was declared; and long wait times at terminals and difficulties locating supply persist; and

WHEREAS, the West Shore pipeline, which transports refined petroleum products from Milwaukee to Green Bay, Wisconsin, continues to be out of service without a known in-service date. This shutdown continues to impact regional supply, notably the Upper Peninsula of Michigan and Cheboygan County, which receive products from Wisconsin terminals via truck and barge, respectively. The loss of supply from the pipeline continues to result in longer driving distances, wait times, and working hours for gasoline and other motor fuels transporters, causing drivers to reach maximum weekly driving and on-duty limits more quickly than normal; and,

WHEREAS, production of gasoline and diesel fuel has restarted at the Marathon Refinery following a temporary shut-down, however, it is expected to take approximately a week for inventories to rebuild to levels necessary to supply all customers that typically depend on the refinery for supply; and

WHEREAS, appropriate measures must be taken in Michigan to ensure that fuel supplies will remain sufficient and to assure the health, safety, and welfare of Michigan residents and visitors;

NOW, THEREFORE, I, Richard D. Snyder, Governor of the state of Michigan, by virtue of the power and authority vested in the Governor by the Michigan Constitution of 1963 and Michigan law, order the following:

1. Executive Order 2016-10 is amended to extend the duration of the energy emergency. This order applies to the entire state of Michigan through June 13, 2016, and for the Upper Peninsula of Michigan and Cheboygan County through June 22, 2016. This Order is effective upon filing and remains in effect until it is rescinded or 11:59:59 p.m. EDT, June 22 2016, whichever first occurs.

2. Copies of this amendment as well as Executive Order 2016-10 should be carried by all drivers relying on this order.  
Given under my hand and the Great Seal of the State of Michigan this 3rd day of June in the Year of Our Lord, Two Thousand and Sixteen

[SEAL]

RUTH A. JOHNSON

The message was referred to the Clerk.
