Rep. Terry L. Brown, from the 84th District, offered the following invocation:

“Our gracious eternal Creator, we thank You for those who have been true and loyal in their duties. Grant each of us commitment, love, loyalty, and faithfulness in our work. We pray that we will be enabled to recognize and model such values in our time.

- Help us to see how love transcends all human differences.
- Help us to develop integrity and loyalty and have the will to live by what we believe and to sacrifice for others.
- Help us to be faithful to the family and friends with whom we walk and live.
- Help us to meet the needs of others even if it comes as a sacrifice for us.

We ask Your care for our world which is so divided. We pray that You would tend to those places where people are suffering, where people long for change as well as those places where people have lost hope. Inspire those who suffocate in apathy and grant Your peace to those who are bruised and broken hearted.

Set our steps on the path to become statesmen and women. Broaden our view beyond special interests so that serving the good of all might be the measure of our success. O God, whose heart must suffer by human selfishness, cruelty and sin, bring to us the vision of a better world and the will to make it happen. Lead us in Your Spirit of love, good will, and peace. Give us the will to work for a better Michigan and for the good of all people. Amen.”

Reps. Tlaib, Jackson, Durhal, Bettie Scott, Cushingberry and Nathan offered the following resolution:

House Resolution No. 299.

A resolution to urge the city of Detroit and the Detroit Fire Department to increase the operational effectiveness of the Detroit Emergency Medical Services Division.

Whereas, As Detroit grapples with its serious financial problems to build a future, there is virtually unanimous agreement that public safety must be at the core of reforms that are needed. Until people feel safe, all other efforts will be inadequate in reshaping the community; and

Whereas, A key component of the public safety network for any city is the emergency medical services available. For the people of Detroit, the viability of this network has been seriously diminished through the deterioration of the capacity of the Detroit Emergency Medical Services Division (EMS) of the Detroit Fire Department to meet the needs of the people; and

Whereas, The Detroit EMS has been decimated by cuts and a lack of vision over several years. The unit's loss of effectiveness has been well documented on numerous occasions, including in 2006 and 2007 audits. Detroit EMS technician positions have been cut dramatically; lengthy response times put people at risk; critical equipment has been decommissioned; fleet vehicles are plagued by a lack of maintenance; training, especially to develop cohesiveness with other public safety entities, is deficient; grant opportunities have been ignored; safety steps for EMS are not followed; emergency cardiac care services are significantly inadequate; dispatch capabilities through the 911 system are a failure; and the lack administrative effectiveness and leadership are making the financial situation even worse; and

Whereas, The erosion of the effectiveness of the Detroit EMS is the result of much more than finances alone. Better decision making, more farsighted leadership, and higher standards of administrative conduct could go a long way toward maximizing resources and increasing the level of public safety the people of Michigan's largest city expect and clearly deserve; now, therefore, be it

Resolved by the House of Representatives, That we urge the city of Detroit and the Detroit Fire Department to increase the operational effectiveness of the Detroit Emergency Medical Services Division; and be it further

Resolved, That copies of this resolution be transmitted to the Mayor and the City Council of Detroit.

The resolution was referred to the Committee on Urban Policy.
