Pastor Lloyd Hemstreet, Pastor of Coopersville Christian Reformed Church in Coopersville, offered the following invocation:

“Our Father in Heaven, hallowed be Thy name. We thank Thee O God, that You rule over the affairs of this world, by Your wisdom and power. And now as this body, so assembled, seeks to lead our state, Father we call upon You, and ask that You would give us wisdom. Help these representatives and leaders to see the long term ramifications for the decisions that they make, and guide them in ways that may bring Your good blessings to our state. Father, we thank You for the many blessings we currently enjoy, a good harvest coming in, robust economic growth in many sectors, a great measure of protection from calamities and disasters, as well as general peace and safety. Father, we thank You for these gifts, and ask that You would continue to watch over and protect our state. But Lord, may we not just grow in these physical blessings, but may we also grow in love and compassion for one another. Teach us ways that each of us can better care for our neighbor. May we be united in seeking truth and justice, and lifting up and caring for the weak and hurting. Help us to bear one another’s burdens, as we grow in the ways of Love that You have taught us. Help us to deny ourselves, as we seek to love You and our neighbor, before chasing our own interests. So Lord, we ask that You would bless our state, and the work of this body to that end. We ask that all of these things would come to pass, in accordance with Your will, and not our own, in Jesus name we pray. Amen.”

The Speaker called the Speaker Pro Tempore to the Chair.

Rep. Lauwers moved that Rep. Kelly be excused from today’s session.
The motion prevailed.

The Speaker Pro Tempore called Associate Speaker Pro Tempore Glenn to the Chair.

Motions and Resolutions

Reps. Clemente, Sneller, Moss, Ellison, Sowerby, Maturen, Liberati, Hammoud, Elder, Rabhi, Robinson, Brann, LaGrand, Lasinski, Hertel, Wittenberg, Camilleri, Dianda, Cochran, Griffin, Bellino, Peterson, Geiss, Hoadley, Chirkun, Pagan, Chang, Lucido, Jones, Howrylak, Kosowski, Love, Brinks, Canfield, Cox, Crawford, Faris, Gay-Dagnogo, Green, Greig, Hughes, Sabo, Schor and Singh offered the following resolution:

House Resolution No. 198.

A resolution to declare November 2017 as American Indian Heritage Month in the state of Michigan.

Whereas, The state of Michigan and the United States of America has been enriched by the contributions of American Indians in all facets of life, including the arts, sciences, and business. The very name “Michigan” comes from an Algonquian word meaning “big lake”; and

Whereas, The culture of American Indians is not monolithic but many different tribes and nations, who each have their own distinct traditions and customs; and

Whereas, Since before the founding of our county, American Indians have had a difficult relationship with the European settlers and then the American government. From the first Thanksgiving to the Trail of Tears, American Indians have fought to keep their culture alive. This month, we honor the difficulties the American Indians faced while celebrating their rich heritage; and

Whereas, The culture and contributions of our American Indians residents will continue to grow in significance as we continue to learn the lessons of history; and

Whereas, Native American Awareness Week began in 1976 and recognition was expanded by the United State Congress and approved by President George H.W. Bush in August 1990, designating the month of November as National American Indian Heritage Month; and

Whereas, The state of Michigan takes pride in its cultural diversity and welcomes the opportunity to honor our American Indian residents for their lasting and expanding imprint upon our state; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare November 2017 as American Indian Heritage Month in the state of Michigan. We encourage all citizens to celebrate the individual and collective contributions of American Indians to this state and to this country.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Brinks, VerHeulen, Afendoulis, Kelly, Schor, Lucido, Moss, Leutheuser, Greig, Faris, Greimel, Zemke, Wittenberg, Gay-Dagnogo, Hertel, Sneller, Hoadley, VanderWall, Elder, Chang, Love, Dianda, Rabhi, Maturen, Canfield, Clemente, Cochran, Crawford, Ellison, Green, Howrylak, Hughes, Jones, Liberati, Sabo, Singh and Sowerby offered the following resolution:

House Resolution No. 199.

A resolution to declare November 16, 2017, as Dutch-American Heritage Day in the state of Michigan.

Whereas, On November 16, 1776, the batteries at the Dutch port of St. Eustatius fired the first salute to the flag of the newly independent United States; and

Whereas, The firing by the Dutch of the first salute to the flag of the United States uplifted the morale and determination of the individuals who were fighting for American independence; and

Whereas, Commemoration of Dutch-American Heritage Day promotes awareness by the people of the United States of the essential role performed by the Dutch people in securing American independence and in aiding the development of the United States for the past 215 years; and

Whereas, The diplomatic ties between the governments of the United States and the Netherlands are the longest continuous ties between the United States and any country of the world; and

Whereas, Commemoration of Dutch-American Heritage Day provides an opportunity for approximately 4,500,000 Dutch Americans to celebrate their Dutch roots and the extraordinary contributions their ancestors made to the political, economic, and cultural development of the United States; and

Whereas, The heritage of this friendship between these people serves as a laudable example for the kinds of relations that should link all the peoples of the earth and should be properly extolled; and

Whereas, The Midwest region is home to over one million Americans of Dutch ancestry and the state of Michigan is honored to be the home to over a half million of those citizens. The significant size of the Dutch descendant population makes it very special from an ethnic and cultural point. So significant is the Dutch influence in Michigan that a large number of cities in Western Michigan were founded and named by Dutch immigrants; and

Whereas, So important is the relationship with the Netherlands, that the Michigan Legislature has formed a bi-partisan Legislative Dutch Caucus. Its members actively support economic and culture engagement with the Kingdom of the Netherlands; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare November 16, 2017, as Dutch-American Heritage Day in the state of Michigan. We commemorate the historic ties between the United States and the Netherlands.

The question being on the adoption of the resolution,

Rep. Brinks moved to substitute (H-1) the resolution as follows:

Substitute for House Resolution No. 199.

A resolution to declare November 16, 2017, as Dutch-American Heritage Day in the state of Michigan.

Whereas, On November 16, 1776, the batteries at the Dutch port of St. Eustatius fired the first salute to the flag of the newly independent United States; and

Whereas, Commemoration of Dutch-American Heritage Day promotes awareness by the people of the United States of the essential role performed by the Dutch people in securing American independence and in aiding the development of the United States for more than 200 years; and

Whereas, The diplomatic ties between the governments of the United States and the Netherlands are the longest continuous ties between the United States and any country of the world; and

Whereas, Commemoration of Dutch-American Heritage Day provides an opportunity for approximately 4,500,000 Dutch Americans to celebrate their Dutch roots and the extraordinary contributions their ancestors made to the political, economic, and cultural development of the United States; and

Resolved by the House of Representatives, That the members of this legislative body declare November 16, 2017, as Dutch-American Heritage Day in the state of Michigan. We commemorate the historic ties between the United States and the Netherlands.

The motion prevailed and the substitute (H-1) was adopted, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Santana, Hertel, Robinson, Pagan, Geiss, Wittenberg, Faris, Guerra, Camilleri, Gay-Dagnogo, Brinks, Zemke, Chang, Rabhi, Clemente, Lasinski, Greig, Garrett, Cochran, Elder, Ellison, Hoadley, Howrylak, Jones, Liberati, Maturen, Moss, Rendon, Sabo, Schor, Singh, Sneller and Sowerby offered the following resolution:

House Resolution No. 200.

A resolution to urge the United States Congress to ensure appropriate funding for the Victims of Crime Act, Violence Against Women Act, and similar programs.

Whereas, Protecting public health and safety is one of government's most important functions. While crime prevention and prosecution are vital components of that role, assisting crime victims in the recovery process is also critical; and

Whereas, The Crime Victims Fund, established by the federal Victims of Crime Act (VOCA), is the main source of federal assistance for millions of crime victims across the country. Victims of assault, domestic violence, sexual abuse, and other violent crimes rely on the fund to help them recover through direct compensation and support for organizations that provide counseling, crisis intervention, and temporary housing; and

Whereas, One of the central ways in which Crime Victims Fund dollars reach crime victims is through grants to local providers based on allocations to the states. In 2016, programs in Michigan received \$67 million in grants to help crime victims; and

Whereas, The Crime Victims Fund has been a target during recent federal budget fights despite being funded entirely by criminal fines and penalties rather than tax dollars. In recent years, Congress has permanently transferred money out of the fund and allocated money from the fund to programs not specifically authorized by law, such as programs provided for in the Violence Against Women Act (VAWA); and

Whereas, The Trump Administration has recommended removing \$1.3 billion from the Crime Victims Fund and reallocating an additional \$600 billion to related programs that are supposed to be funded separately; and

Whereas, Establishing a precedent that the Crime Victims Fund can be raided to cover other priorities is a threat to the public health and safety of Michigan and the United States. The fund must be protected, and programs authorized under related acts, such as VAWA, need their own sustainable revenue source; now, therefore, be it

Resolved by the House of Representatives, That we urge the United States Congress to ensure appropriate funding for the Victims of Crime Act, Violence Against Women Act, and similar programs; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Law and Justice.

Reps. Howrylak, Gay-Dagnogo, Robinson, Hoadley, Runestad, Brinks, Canfield, Cochran, Crawford, Ellison, Faris, Green, Hughes, Jones, Kesto, Maturen, Schor, Singh, Sneller and Sowerby offered the following resolution:

House Resolution No. 201.

A resolution to declare November 25, 2017, as Holodomor Memorial Day in the state of Michigan.

Whereas, Millions of Ukrainians perished as a result of the Ukrainian Famine and Genocide (Holodomor) of 1932-33; and

Whereas, The term "*Holodomor*" is a Ukrainian word that means "extermination by means of starvation"; and

Whereas, It is recognized that the Soviet authorities denied, concealed, or destroyed information about the Holodomor and that accurate information about this tragic event has only recently been made available; and

Whereas, The Organization for Security and Co-operation in Europe (OSCE), the largest regional security organization in the world, passed a resolution that welcomes the recognition of the Holodomor in the United Nations, by the United Nations Educational, Scientific and Cultural Organization (UNESCO) and by the national parliaments of a number of the OSCE participating states; and

Whereas, The OSCE strongly encourages all parliaments and legislatures to adopt acts regarding recognition of the Holodomor; and

Whereas, Some of the survivors of the Holodomor and their descendants reside in Michigan and have contributed to Michigan's cultural, economic, political, and educational life; and

Whereas, The people of Michigan value democratic freedoms, human rights, and the rule of law, honor the values of compassion and honesty, and cherish the multicultural vibrancy of the state; and

Whereas, The 4th Saturday in November has been recognized internationally as a day to commemorate the Holodomor; and

Whereas, The year 2017 marks the 84th anniversary of the Holodomor; and

Whereas, It is important and fitting to observe Holodomor Memorial Day for the purposes of recognizing the Holodomor and of reflecting on the horrific legacy of this event; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare November 25, 2017, as Holodomor Memorial Day in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Frederick, Love, Geiss, Scott, Gay-Dagnogo, Wentworth, Kahle, Leutheuser, Crawford, Iden, LaFave, Bellino, Barrett, Griffin, Marino, Noble, Bizon, Hauck, Hornberger, LaSata, Alexander, Rendon, Farrington, Brinks, Calley, Canfield, Cochran, Cox, Elder, Ellison, Faris, Green, Greig, Hoadley, Howrylak, Hughes, Jones, Liberati, Maturen, Sabo, Schor, Singh, Sneller, Sowerby and Webber offered the following resolution:

House Resolution No. 202.

A resolution to declare November 13-19, 2017, as Apprenticeship Week in the state of Michigan.

Whereas, The National Apprenticeship Act was passed August 16, 1937, thereby establishing the National Registered Apprenticeship system, a comprehensive system of partnering among employers, labor, educational institutions, and federal and state governments to shape skilled training for American workers; and

Whereas, The Office of Apprenticeship, USDOL, was created to work jointly with labor and industry for the purpose of promoting and expanding the apprenticeship concept to produce competent, motivated, and versatile craft persons to meet the nation's skilled workforce needs, and

Whereas, Registered apprenticeships offer an important post-secondary pathway for our residents, offering a combination of academic and technical instruction with paid on-the-job training, resulting in a nationally and industry recognized occupational credential that ensures higher earnings for apprentices and a highly skilled workforce for Michigan businesses; and

Whereas, Programs at the federal, state, and local levels ensure that registered apprenticeships are a viable opportunity for interested parties. Registered apprenticeships are privately funded, therefore requiring no use of public tax dollars; and

Whereas, In fiscal year 2016, Michigan ranked eighth in the country with 13,753 active apprentices and ranked fourth with 999 active apprenticeship programs. The completion rate of registered apprenticeships (38 percent) is higher than all but two community colleges in Michigan; and

Whereas, The path to moving Michigan forward is through greater levels of education and training, aligned with employer needs, leading to more economic opportunity for Michiganders; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare November 13-19, 2017, as Apprenticeship Week in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Griffin, Hughes, VanderWall, Whiteford, Iden, Maturen, Bizon, LaSata, Hoadley, Dianda, Clemente, Lasinski and Sheppard offered the following resolution:

House Resolution No. 203.

A resolution to urge the continued work on Route 1 of the Great Lake to Lake Trails and to encourage continued commitment of state resources to the effort.

Whereas, Michigan leads the nation with over 12,500 miles of recreational use trails and the most rail trail miles of any state. These trails provide important recreational and tourism opportunities in the state; and

Whereas, Route 1 is one of five planned Great Lake to Lake Trails created by connecting existing trailways to establish a continuous trail extending from one Great Lake to another. Route 1 encompasses fifteen existing trails that are being connected to form a continuous trailway from South Haven to Port Huron, connecting Lake Michigan to Lake Huron. Route 1 crosses nine counties and incorporates the cities of South Haven, Kalamazoo, Battle Creek, Jackson, Ann Arbor, Pontiac, Novi, Rochester, Sterling Heights, and Port Huron; and

Whereas, Connecting the many individual trails to extend from one Great Lake to another will provide economic and other benefits for the communities and tourist attractions along these trails. Completion of Route 1 will allow individuals to connect socially with their neighbors, encourage outdoor health and fitness, provide outdoor education, and protect and enhance our environment; and

Whereas, Additional Great Lake to Lake Trails are planned between Muskegon and Bay City, Charlevoix and Alpena, Manistique and Marquette, and Escanaba and Porcupine Mountain State Park; and

Whereas, Michigan's exemplary trail system is the shared effort of public and private partnerships. The many stakeholders involved in taking the Great Lake to Lake Trails from dream to reality have provided focus and commitment, bringing together numerous volunteers at the local level with key state agencies to create one of the best trail systems in the nation. A continued commitment is necessary to ensure that the trails are completed in a timely manner; now, therefore, be it

Resolved by the House of Representatives, That we urge continued work on Route 1 of the Great Lake to Lake Trails to ensure that this route is completed by 2019; and be it further

Resolved, That we encourage and direct the Michigan Department of Natural Resources and the Michigan Department of Transportation to continue to demonstrate the exemplary conduct of interagency cooperation that they have shown so far and commit all practical resources and energy to finish Route 1; and be it further

Resolved, That copies of this resolution be transmitted to the Director of the Department of Natural Resources, the members of the Natural Resources Commission, the Director of the Department of Transportation, and the Michigan Trails and Greenways Alliance.

The resolution was referred to the Committee on Appropriations.

The House agreed to the title of the bill.

Rep. Lauwers moved that the bill be given immediate effect.

The motion prevailed, 2/3 of the members serving voting therefor.

Rep. Geiss, having reserved the right to explain her protest against the passage of the bill, made the following statement:
“Mr. Speaker and members of the House:

Today, I voted no on and spoke out in opposition to on HB4500 the embryonic- and fetal-personhood bill.

Now, I doubt that there are few people who would argue that harming a pregnant woman is horrible. And of course, we would want to protect not only pregnant women, but the future tiny people growing within them. But this bill goes too far and despite being paved with allegedly good intentions, it brings with it intentions that bring with it a set of unintended consequences on top of which there are compelling reasons why this bill must be defeated.

First, This bill allows for the MAXIMUM SCORING of offence variable 9, which would automatically bring the number of victims of a crime from one to at minimum, two victims (assuming the pregnancy was a singleton) scoring an automatic 10 points if (and I quote directly from the bill language on page 2, lines 7-8) ‘There were 2 to 9 victims who were placed in danger of physical injury or death.’ because as lines 12 through 14 read ‘Count each person who was placed in danger of physical injury or loss of life or property as a victim. FOR PURPOSES OF THIS SECTION, AN EMBRYO OR FETUS MUST BE COUNTED AS A PERSON.’

Second, since this is a words business and words and their meanings are important, let’s look at the definitions of embryo, fetus and person. According to Dictionary.com, a person (noun) is defined as a human being, whether an adult or a child. The same reference defines child as a person between birth and full growth. In both the dictionary and within the scientific community, an embryo is defined as a fertilized egg of a vertebrate that is fewer than 8 weeks’ gestation. A fetus is the stage that is past 8 weeks gestation. It is also important to note that in most cases, gender cannot even be determined prior to 16 weeks. Scientifically, no matter how romantic our notions of pregnancy and motherhood are, at the embryonic and fetal stages, we still have groups of cells, not yet a boy or a girl child.

It’s also during this time during the gestational embryonic and fetal stages, when many women don’t even know they are pregnant themselves or how far along they might be because it is during this time that there are few outward signs (to the woman herself or to others) that are clear indications of pregnancy. Even the one sign (temporary cessation of menses) that might indicate pregnancy is an unreliable indicator of pregnancy, because it is still possible to bleed during the first few weeks or months of pregnancy. In fact, according to the American College of Obstetrics and Gynecology, ‘15-25% of women experience some degree of bleeding in the first trimester.’

Third, since pregnancy occurs inside the body, it is not possible to know whether or not any woman (or girl) of child-bearing years (meaning between the onset of menses and the completion of menopause) is definitively pregnant during the embryonic and fetal gestational periods. House Bill 4500 would therefore suggest that all women between the onset of menses and the completion of menopause be treated as pregnant at all times in order for others outside of herself to avoid the possibility of harming or creating danger to the embryo or fetus that she might be carrying, as the National Advocates for Pregnant Women asserts. (Newsflash: of all of the women inside this room right now—female legislators, staff, and citizens in the gallery—that’s likely most of us.)

And this brings me to my fourth and final point—the question of this bill’s constitutionality and therefore its legitimacy.

To count each person who was placed in danger of physical injury or loss of life or property as a victim and FOR PURPOSES OF THIS SECTION, AN EMBRYO OR FETUS MUST BE COUNTED AS A PERSON is the type of definition that permits and enshrines in statute an assumption that women are defined by their capacity for pregnancy. And this type of definition is not permissible in our system of constitutional democracy that assures that all persons have equal protection under the law. Through the provisions outlined in lines 12-14 of page 2 of HB 4500, pregnant women and likely pregnant woman would be treated differently under this law, both in terms of protections and prosecutions.

Section 1 of the 14th Amendment of the US Constitution states ‘All persons born or naturalized in the United States and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State

shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.’

House Bill 4500 completely disregards the Constitution’s promise that citizens are entitled to due process of law. Because this bill lacks a scienter requirement and is unacceptable vague and broad, it violates the constitutional guarantee of due process. A scienter requirement specifies that the perpetrator of a crime must have intended to commit the crime. (Again, this points back to the question of ‘how would one know for certain that a woman of childbearing years IS carrying an embryo or fetus?’ or whether a crime against her was the catalyst that caused a miscarriage, when again according to the American College of Obstetrics and Gynecology 10% of all pregnancies can result in miscarriage during the first trimester.) A scienter requirement is usually necessary for a person to be convicted of an offense in criminal law. When legislation fails to address intent, as House Bill 4500 does, a person may be prosecuted and punished for a crime that he or she did not intend to commit, when a lesser charge would be more just, logical, sensible and constitutional.

Now, there are also many supporters of this bill that have sincerely held religious beliefs on this matter. But let me remind all in this chamber what Article IV Sec. 41 of the Michigan Constitution states:

The Legislature shall not diminish or enlarge the civil or political rights, privileges and capacities of any person on account of his opinion or belief concerning matters of religion. This legislative space is NOT the arena for liturgical, ecclesiastical or otherwise religiously dogmatic edicts and prescripts. The guide for us in this body is clear and it is in the Constitutions.

And here in House Bill 4500 we have two areas in both the Constitution of the United States and in the Michigan Constitution of 1963 where this legislation clearly violates.

And honestly, I cannot believe that we are doing this, again. Aiming to enact legislation based upon emotions rather than logic, critical thinking and its constitutionality.”

Senate Bill No. 509, entitled

A bill to amend 2001 PA 142, entitled “Michigan memorial highway act,” (MCL 250.1001 to 250.2080) by adding section 10a.
