In performing the calculations under this subdivision, the secretary of state shall use the spring preliminary report of the United States Department of Commerce or its successor agency. If the road tractor, modified agricultural vehicle, truck, or truck tractor owned by a farmer is also used for a nonfarming operation, the farmer is subject to the highest registration tax applicable to the nonfarm use of the vehicle but is not subject to more than 1 tax rate under this act.

(d) For a road tractor, truck, or truck tractor owned by a wood harvester and used exclusively in connection with the wood harvesting operations or a truck used exclusively to haul milk from the farm to the first point of delivery, 74 cents per 100 pounds of empty weight of the road tractor, truck, or truck tractor. A registration secured by payment of the tax prescribed in this subdivision continues in full force and effect until the regular expiration date of the registration. As used in this subdivision:

If the weight is not correctly stated or is not satisfactory, the secretary of state shall determine the actual weight. Each application for registration of a vehicle under subdivisions (j) and (m) must have attached to the application a scale weight receipt of the vehicle fully equipped as of the time the application is made. The scale weight receipt is not necessary if there is presented with the application a registration receipt of the previous year that shows on its face the weight of the motor vehicle as registered with the secretary of state and that is accompanied by a statement of the applicant that there has not been a structural change in the motor vehicle that has increased the weight and that the previous registered weight is the true weight.

(2) A manufacturer is not exempted under this act from paying ad valorem taxes on vehicles in stock or bond, except on the specified number of motor vehicles registered. A dealer is exempt from paying ad valorem taxes on vehicles in stock or bond.

(3) Until October 1, 2027, the tax for a vehicle with an empty weight over 10,000 pounds imposed under subsection (1)(a) and the taxes imposed under subsection (1)(c), (d), (e), (f), (i), (j), (m), (o), and (p) are each increased as follows:

(4) Except as otherwise provided in this subsection, if a tax required to be paid under this section is not received by the secretary of state on or before the expiration date of the registration plate, the secretary of state shall collect a late fee of \$10.00 for each registration renewed after the expiration date. An application for a renewal of a registration using the regular mail and postmarked before the expiration date of that registration must not be assessed a late fee. The late fee collected under this subsection must be deposited into the general fund. The secretary of state shall waive the late fee collected under this subsection if all of the following are satisfied:

(a) The registrant presents proof of storage insurance for the vehicle for which the late fee is assessed that

is valid for the period of time between the expiration date of the most recent registration and the date of application for the renewal.

(b) The registrant requests in person at a department branch office that the late fee be waived at the time of application for the renewal.

(5) In addition to the registration taxes under this section, the secretary of state shall collect taxes charged under section 801j and credit revenues to a regional transit authority created under the regional transit authority act, 2012 PA 387, MCL 124.541 to 124.558, minus necessary collection expenses as provided in section 9 of article IX of the state constitution of 1963. (b) If the vehicle is an electric vehicle, the registration fee for that vehicle is increased by \$100.00 for a vehicle with an empty weight of 8,000 pounds or less, and \$200.00 for a vehicle with an empty weight of more than 8,000 pounds. As used in this subdivision and subsection (8)(b), "electric vehicle" means a vehicle that is propelled solely by electrical energy and that is not capable of using gasoline, diesel fuel, or alternative fuel to propel the vehicle.

(8) Beginning January 1, 2017, if the tax on gasoline imposed under section 8 of the motor fuel tax act, 2000 PA 403, MCL 207.1008, is increased above 19 cents per gallon, the secretary of state shall increase the fees collected under subsection (7) as follows:

(a) For a plug-in hybrid electric vehicle, \$2.50 per each 1 cent above 19 cents per gallon.

(d) "Gross proceeds" means that term as defined in section 1 of the general sales tax act, 1933 PA 167, MCL 205.51, and includes the value of the motor vehicle used as part payment of the purchase price as that value is agreed to by the parties to the sale, as evidenced by the signed agreement executed under section 251.

(e) "List price" means the manufacturer's suggested base list price as published by the secretary of state, or the manufacturer's suggested retail price as shown on the label required to be affixed to the vehicle under 15 USC 1232, if the secretary of state has not at the time of the sale of the vehicle published a manufacturer's suggested retail price for that vehicle, or the purchase price of the vehicle if the manufacturer's suggested base list price is unavailable from the sources described in this subdivision.

(f) "Purchase price" means the gross proceeds received by the seller in consideration of the sale of the motor vehicle being registered.

If the transferred registration would have remained valid for more than 1 year but less than 2 years, a registration fee of \$5.00 shall be assessed. A registration fee shall not be assessed if the transferred registration would have remained valid for 2 or more years. Upon receipt of the application and fees, the secretary of state shall transfer the certificate of registration issued for the moped to the new owner. The registration shall be valid for 3 registration years. Unless the application is made and the fee paid within 15 days, the moped shall be considered to be without certificate of registration and a person shall not operate the moped until a certificate is issued.

(4) If a certificate of registration is lost, mutilated, or becomes illegible, the owner of a moped shall obtain a duplicate of the certificate upon application and payment of a fee of \$2.00.

Compiler's note: For effective date of increases in certain fees, charges or taxes provided by this section, see MCL 257.817(1).

257.801g Apportionment of fee under international registration plan if permitted by reciprocal compact, agreement, or other arrangement; definition; issuance of registration plate and cab card upon payment of apportioned fee; purchase of annual international registration plan plates; service fee; notice; effect of late payment; effect of surrendering or not surrendering registration plate; temporary registration.

Sec. 801g. (1) Notwithstanding section 801(1)(j) or 801(1)(k), for a truck, truck tractor, or road tractor engaged in interstate commerce, for which a registration fee otherwise would be provided in section 801(1)(j) or 801(1)(k), the fee may be apportioned under the international registration plan according to the miles traveled in this state in relation to the total miles traveled by the vehicle, if the apportionment is permitted by a reciprocal compact, agreement, or other arrangement entered into by the Michigan highway reciprocity board.

(2) For the purposes of this section, "international registration plan" means a method of licensing trucks and bus fleets proportionally among 2 or more member jurisdictions and includes an apportioned fee that is determined according to the fleet's percentage of miles generated in the various jurisdictions. Upon payment of the apportioned fee there shall be issued 1 registration plate and 1 cab card for each vehicle with the cab card indicating the jurisdictions in which the unit is registered and the registered weight for each jurisdiction.

(3) If the apportionment is permitted, and if at the time of purchase a person elects to have the fees apportioned and the registration is valid for at least 12 months, the annual international registration plan plates may be purchased by paying any out of state portion and 1/2 the amount apportioned for Michigan fees and an extra \$10.00 service fee per vehicle upon purchase and the balance within 180 days before the date of expiration. The secretary of state shall notify a person who has elected to use the installment option of this subsection informing the person of the amount due and of the penalties that shall be imposed if payment is not received within 180 days before the date of expiration. If a person is once late on paying the balance, a

penalty of 25% of the outstanding balance shall be assessed and collected in addition to the fee. If a person is twice late in paying the balance within a 2-year period, then a penalty of 25% of the outstanding balance shall be assessed and collected in addition to the fee, and the person is ineligible to elect the apportionment payment plan for the next 2 registration years following the year of the delinquency. The secretary of state shall suspend the registration of any vehicle for which the registration fee is not paid in full and transmit a statement of the delinquent balance, including the penalty, to the department of treasury for collection.

(4) If a person surrenders a registration plate purchased under section 801(1)(j) or 801(1)(k) for a registration under this section for the same vehicle, the apportioned fee for the exchange registration shall bear the same relationship to the fee required under this section for a 12-month registration as the length of time the exchange registration bears to 12 months. Partial months shall be considered as whole months in the calculation of the required fee and in the determination of the length of time between the application for a registration and the last day of the month of expiration. The calculation shall include any refund as a credit provided for in section 801b(8). The fee required for the registration shall be rounded off to whole dollars as provided in section 801.

(5) If a person does not surrender a registration plate purchased under section 801(1)(j) or 801(1)(k) for a registration under this section, the apportioned fee shall be determined as provided for in this section except the apportioned fee for a registration purchased shall bear the same relationship to the fee required under this section for a 12-month registration as the length of time the registration bears to 12 months. Partial months shall be considered as whole months in the calculation of the required fee and in the determination of the length of time between the application for a registration and the last day of the month of expiration. The fee required for this registration shall be rounded off to whole dollars as provided in section 801. Fees under this subsection shall not be prorated for less than 6 months.

(6) Upon proper application for registration of a vehicle under this section, the secretary of state may issue a temporary registration which shall be valid for not more than 45 days from the date of issuance.

(7) The secretary of state may designate an owner or registrant having a fleet of motor vehicles currently registered under this section to act as an agent for the secretary of state for the purpose of issuing to himself or herself a temporary registration. Upon issuance of a temporary registration an agent shall make proper application for an international registration plan registration to the secretary of state within 5 days after issuance of the temporary registration.

(8) An owner issued a temporary registration under this section is liable for the fees provided in this section.

(9) If the owner of a vehicle for which a temporary registration is issued under this section fails to pay the registration fee as required in this section, the secretary of state shall suspend the registrations of all vehicles registered by that owner under this section. The registrations shall remain suspended until the fee is paid.

257.801h Fleet registration; application; issuance and display of registration plates; tax; late fee; adding or deleting registration; ineligible vehicle; determination of owner's compliance.

Sec. 801h. (1) Notwithstanding any other provision in this act, the owner or lessee of a fleet of 300 or more vehicles that are or will be registered under section 801 may apply to the secretary of state for special registration plates for any number of 300 or more vehicles in a fleet. An application shall be on a form prescribed by the secretary of state and include an agreement that, at a minimum, the applicant agrees to pay annual fleet registration taxes under this section in a manner determined by the secretary of state.

(2) Upon approval of the application and payment of the required registration taxes, the secretary of state may issue the applicant a registration plate under section 224 and a registration certificate under section 222 for each vehicle. The registration plate and certificate shall each be in a format as prescribed by the secretary of state.

(3) The name, emblem, trademark, or logo of the company issued fleet registration plates under this section shall be prominently displayed on the right and left sides of all vehicles registered under this section by that applicant. The name, emblem, trademark, or logo shall contain letters, figures, or numerals in sharp contrast to the background of the name, emblem, trademark, or logo and shall be of a size, shape, and color that is readily legible during daylight hours from a distance of 50 feet. This subsection does not apply to passenger vehicle rental fleets.

(4) The registration tax for each vehicle registered under this section shall be paid annually. Registration taxes under this section are payable in full not later than the due date provided in section 226. If the owner of

a vehicle registered under this section fails to pay the annual registration tax for that vehicle, the secretary of state shall collect a late fee of \$100.00 for the individual vehicle registration for that vehicle, in addition to the registration tax. If the owner of a vehicle registered under this section fails to comply with the terms of the fleet registration plate agreement provided in subsection (1), except as otherwise provided in this subsection, the secretary of state shall immediately suspend the registration of all vehicles registered by that owner under this section. The registration shall remain suspended and the owner shall not apply for the registration or reregistration of a vehicle under this section until payment in full of the tax, and late fee, if applicable, owed is made. After providing notice to the owner, the secretary of state shall notify law enforcement of any plate suspended under this section. The secretary of state shall not suspend the registration of all vehicles registered under a fleet vehicle registration plate agreement under subsection (1) for failure to timely pay the annual registration tax for an individual vehicle registered under the fleet vehicle registration plate agreement.

(5) At any time an owner or lessee in good standing may add a vehicle to the list of vehicles registered under this section. To add a vehicle, the owner or lessee shall make application to the secretary of state, in a form prescribed by the secretary of state, accompanied by the registration taxes required under section 801.

(6) At any time an owner or lessee may delete the registration of a vehicle from the list of vehicles registered under this section. To delete a vehicle, the owner shall notify the secretary of state of the proposed deletion in a form prescribed by the secretary of state and, except as otherwise provided in this subsection, surrender to the secretary of state the registration plate assigned to the deleted vehicle. The secretary of state shall collect a late fee of \$100.00 from a vehicle owner who does not return a fleet registration plate to the secretary of state within 30 days after deleting that vehicle's registration under this subsection. A vehicle owner is not required to surrender a fleet registration plate assigned to a deleted vehicle if the fleet registration plate is properly transferred to another vehicle in that fleet and the registration for the vehicle to which the fleet registration plate is transferred is transferred within 30 days after the deleted vehicle is removed from the fleet. A vehicle owner shall surrender to the secretary of state a fleet registration plate that has been transferred from a deleted vehicle to another vehicle in the same fleet as provided in this subsection when the registration for that vehicle expires or when that vehicle is deleted from the fleet.

(7) A vehicle not titled or leased in the name of the applicant is not eligible for registration under this section. A vehicle registered under section 801g is not eligible for registration under this section.

(8) The secretary of state or the authorized representative of the secretary of state may visit and examine the vehicle registration records of an owner whose vehicles are registered under this act. This authority only applies to visits during the regular business hours of the owner and to those vehicles and records necessary for the secretary of state to determine an owner's compliance with this section.

257.801j Additional tax charged by regional transit authority.

Sec. 801j. (1) Except as otherwise provided in subsection (6), in addition to the required vehicle registration tax under section 801(1)(p), a regional transit authority created under the regional transit authority act, 2012 PA 387, MCL 124.541 to 124.558, may charge an additional tax on vehicle registrations issued to residents of a public transit region of not more than \$1.20 for each \$1,000.00 or fraction of \$1,000.00 of the vehicle's list price as used in calculating the tax under section 801(1)(p). The authority may charge the additional tax only upon the approval of a majority of the electors in a public transit region voting on the tax at an election held on the regular November election date as provided in section 641(1)(d) of the Michigan election law, 1954 PA 116, MCL 168.641.

(2) In addition to any other requirements imposed by law, the ballot question proposing authorization of the tax under subsection (1) shall specify how the proceeds of the tax shall be expended.

(3) The tax collected under this section shall only be used by the regional transit authority for comprehensive transportation purposes as defined by law for purposes of section 9 of article IX of the state constitution of 1963.

(4) A proposal for a tax under this section shall not be placed on the ballot under subsection (1) unless the proposal is adopted by a resolution of the board of directors of the regional transit authority and certified by

the board of directors not later than 70 days before the election to the county clerk of each county within the public transit region for inclusion on the ballot.

(5) Except as otherwise provided in subsection (6), if a majority of voters in a public transit region approve a tax under subsection (1), no later than 1 year after voter approval, the secretary of state shall collect the tax on all vehicles registered to residents of the public transit region under section 801(1)(p) and shall credit the tax collected to the regional transit authority, minus necessary collection expenses as provided in section 9 of article IX of the state constitution of 1963. Necessary collection expenses incurred by the secretary of state under this subsection shall be based upon an established cost allocation methodology.

(6) This section does not apply to a company test vehicle. As used in this subsection, "company test vehicle" means a vehicle that is owned by a manufacturer and that satisfies 1 or both of the following:

(a) The vehicle is part of a product testing program as defined by the United States department of treasury under treas. reg. 1.132-5(n)(2001).

(b) The vehicle is furnished by the manufacturer to an employee of the manufacturer for the purpose of testing, evaluating product quality and performance, reporting defects, or suggesting product or production improvements as an ordinary and necessary business expense of the manufacturer.
