Rev. Dr. Georgia Hill, Associate Pastor of Plymouth United Church of Christ in Detroit, offered the following invocation:

“Hallelujah God Almighty! Awesome God of Grace and Mercy, Joy and Justice, Love, Peace and Hope! We praise Your mighty Name this morning.

Lord You have blessed us richly here in Michigan, with waters that flow fresh; technology that teaches the world; music and rhythm that give joy to Your people; and languages and cultures that color our state glorious! Yet we have not treasured one another, we have not held each other up, we have not given thanks for all of Your children. Forgive us and have mercy on our souls. We confess accidental sins and intentional sins, even the secret sins that we can barely admit to ourselves. Wash us clean again, dear Lord.

Lead us O God into paths of righteousness, remind us dear God that mercy triumphs over justice and please shout into our spirits that Love never fails.

Lord please bless Your servants in this room and all those who serve in this Capitol. Bless them with Your wisdom, Your Word and Your Way. Pour down Your anointing upon them, O Lord. Dear God, didn't You give them creativity and ingenuity? I believe they can do it, Lord. With Your power, I believe they can rise above, stretch across the aisle, hear with their hearts and create with their holy spirits. Inspire them O Lord to deal with the difficult questions, by leaning on Your grace, Your compassion and Your love.

I pray God that You will bless their families and heal and restore their minds and bodies. Give Your servants time to refresh and renew; fill them with hope and joy for the living of these days and help them to know that we are thankful for their service and grateful for their sacrifice.

Mold us Lord into the image of Your dear son, that Your people would be fountains of living water, bringing life to urban deserts and barren outstate farms, spreading joy among incarcerated youth, and forgotten elders. Make us fresh water to the destitute, the dependent and the desperate. Let our love for You, for each other and for ourselves spring up into eternal life. In the Name of Jesus, the Lion and the Lamb we pray. Amen.”

The Speaker called the Speaker Pro Tempore to the Chair.

Rep. Greig moved that Rep. Jones be excused from today's session.
The motion prevailed.

Rep. Lauwers moved that Rep. Leutheuser be excused from today's session.
The motion prevailed.

Motions and Resolutions

Reps. Elder, Sowerby, Ellison, Sabo, Hammoud, Love, Lasinski, Chirkun, Cochran, Geiss, Hertel, Liberati, Singh and Sneller offered the following resolution:

House Resolution No. 137.

A resolution to urge the Congress of the United States to normalize trade relations with the Republic of Cuba by dissolving the current U.S. trade embargo and other trade barriers that have been levied against the island nation.

Whereas, For more than five decades, the United States has maintained a strict embargo against the Republic of Cuba through the most comprehensive set of economic sanctions levied against any nation. Through various laws, regulations, and presidential orders, the U.S. government has placed significant restrictions and prohibitions on American-Cuban relationships, particularly in trade, travel, and financial transactions; and

Whereas, American exports to Cuba are difficult and burdensome when not outright prohibited. Because of federal laws like the *Cuban Liberty and Democratic Solidarity Act of 1996* and *Trade Sanctions Reform and Export Enhancement Act of 2000* (TSRA) and other federal regulations, American food and agricultural entities are legally permitted to export to Cuba but doing so requires prior permission and compliance with a network of federal export regulations. American financial restrictions also limit the ability of American businesses to competitively serve the Cuban marketplace; and

Whereas, Access to the Cuban market would be beneficial and lead to greater market share for American industries. The Republic of Cuba is home to more than 11 million consumers. The close proximity of the United States makes Cuba a logical target for expanded U.S. trade and agricultural products. The Republic of Cuba imported \$2 billion in agricultural products that feed the Cuban people in 2015, but only \$149 million was imported from the United States. The U.S. International Trade Commission estimates that American exports to Cuba would rise to \$1.8 billion annually if the embargo is dissolved, and improved access to U.S. producers would provide Cubans with cheaper and more plentiful food options; and

Whereas, Michigan's agricultural sector would benefit from greater access to Cuban consumers. Agriculture is one of the leading industries in our state, and access to the Cuban market means new opportunities for Michigan growers to export dry beans, dairy products, fresh fruit, and other in-demand commodities and food products to Cuban consumers. The United States already exports 23,853 tons of dry beans to the Dominican Republic, and open trade with Cuba is expected to produce similar U.S. exports to Cuban markets; and

Whereas, It is time to end the more than half-century long trade embargo against the Republic of Cuba. The relaxing of regulations and prohibitions on American exports and financial services will boost the economies in both countries and allow American farmers, ranchers, and food companies to efficiently contribute to the food security needs of the Cuban citizenry. Through congressional action, the dissolution of trade barriers can expand diplomatic relations between the American and Cuban governments, allow freer travel, partnerships, and trade, and provide an opportunity for all citizens to discover and connect with new cultures; now, therefore, be it

Resolved by the House of Representatives, That we urge the Congress of the United States to normalize trade relations with the Republic of Cuba by dissolving the current U.S. trade embargo and other trade barriers that have been levied against the island nation; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Commerce and Trade.

Reps. Camilleri, Canfield, Chirkun, Clemente, Cochran, Crawford, Ellison, Geiss, Greig, Hertel, Liberati, Marino, Maturen, Pagan, Sabo, Singh and Sneller offered the following resolution:

House Resolution No. 138.

A resolution to declare August 2017 as Meningococcal Immunization Awareness Month in the state of Michigan.

Whereas, Meningococcal disease is any infection caused by the bacterium *Neisseria meningitidis*, or meningococcus. *Neisseria meningitidis* bacteria can cause illness and spread through respiratory secretion; and

Whereas, In the United States, there are approximately 1,000-1,200 cases of meningococcal disease annually and 10-15 percent of infected individuals will die. Eleven to 19 percent of those who live will suffer from serious morbidity, including loss of limbs and impacts to the nervous system; and

Whereas, There have been several recent outbreaks of serogroup B meningococcal disease on college campuses, with some cases resulting in death. Emily Nicole Stillman was a 19-year-old sophomore at Kalamazoo College in February of 2013 when she contracted Meningococcal Disease – Serogroup B. Within 36 hours of calling home from her dorm room with a headache, she was brain dead. The vaccine that would have protected her was not yet available in the United States. Her family is committed to educating others about the disease to prevent other unnecessary deaths; and

Whereas, The CDC recommends that decisions to vaccinate 16 – 23 year olds against serogroup B meningococcal disease should be made at the individual level. It is critical that students, parents, educators, and health care providers understand the dangers of meningitis B and are aware that a vaccine is available to prevent disease; now; therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare August 2017 as Meningococcal Immunization Awareness Month in the state of Michigan. We encourage high schools, colleges, and universities in Michigan to provide information to all students and parents about meningococcal disease.

The question being on the adoption of the resolution,

Rep. Camilleri moved to substitute (H-1) the resolution as follows:

Substitute for House Resolution No. 138.

A resolution to declare August 2017 as Meningococcal Immunization Awareness Month in the state of Michigan.

Whereas, Meningococcal disease is any infection caused by the bacterium *Neisseria meningitidis*, or meningococcus. *Neisseria meningitidis* bacteria can cause illness and spread through respiratory secretion; and

Whereas, In the United States, there are approximately 600-1,000 cases of meningococcal disease annually and 10-15 percent of infected individuals will die. Eleven to 19 percent of those who live will suffer from serious morbidity, such as loss of limbs and impacts to the nervous system; and

Whereas, There have been several recent outbreaks of serogroup B meningococcal disease on college campuses, with some cases resulting in death. Emily Nicole Stillman was a 19-year-old sophomore at Kalamazoo College in February of 2013 when she contracted Meningococcal Disease – Serogroup B. Within 36 hours of calling home from her dorm room with a headache, she passed away. The vaccine that would have protected her was not yet available in the United States. Her family is committed to educating others about the disease to prevent other unnecessary deaths; and

Whereas, The CDC recommends that decisions to vaccinate 16 – 23 year olds against serogroup B meningococcal disease should be made at the individual level. It is critical that students, parents, educators, and health care providers understand the dangers of meningitis B and are aware that a vaccine is available to prevent disease; now; therefore, be it

We encourage high schools, colleges, and universities in Michigan to provide information to all students and parents about meningococcal disease.

The motion prevailed and the substitute (H-1) was adopted, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Brinks, Faris, Sabo, Camilleri, Singh, Schor, Wittenberg, Moss, Cochran, Ellison, Clemente, Guerra, Greig, Hertel, Elder, Chang, Scott, Byrd, Jones, Liberati, Pagan, Santana, Love, Neeley, Peterson, Gay-Dagnogo, Chirkun, Green, Hoadley, Hammoud, Lasinski, Dianda, Durhal, Geiss, Rabhi, Sowerby, LaGrand, Sneller, Zemke, Phelps, Robinson, Yanez, Garrett, Greimel and Kosowski offered the following resolution:

House Resolution No. 139.

A resolution calling on the Governor, the Michigan Department of Insurance and Financial Services, and the Michigan Department of Health and Human Services to adopt a healthcare bill of rights and urging the Governor not to make cuts to the Medicaid program.

Whereas, In 2010, the federal Patient Protection and Affordable Care Act, known as the ACA, was enacted into law. As a result of the ACA, 4.4 million people in Michigan with pre-existing conditions have gained access to quality healthcare coverage, the uninsured population has dropped by 45 percent, and lifetime limits on coverage have lifted for 3.5 million people; and

Whereas, Michigan’s Medicaid expansion program, the Healthy Michigan Plan, has allowed over 600,000 low-income individuals to gain health insurance, has generated 30,000 new jobs annually, and has resulted in \$2.3 billion in additional personal spending power; and

Whereas, The President and congressional leaders are calling for the enactment of the American Health Care Act, known as the AHCA, which would repeal key protections in the ACA; and

Whereas, The Congressional Budget Office projects that the AHCA would increase medical costs on older and sicker individuals, while concurrently reducing the array of benefits provided to them. Under the AHCA, insurers would charge seniors five times more than younger policyholders, charge individuals with pre-existing conditions higher premium rates, and eliminate essential health benefits that cover crucial services such as cancer treatment, maternity care, and prescription drugs. In addition, the AHCA would make significant cuts in Medicaid funding to states; and

Whereas, Michigan citizens have a right to high quality, affordable health insurance regardless of their age, gender, race, national origin, sexual orientation, gender identity, health status, or income; and

Whereas, Michigan citizens have a right to essential health benefits with no annual or lifetime caps, including free preventative health services; and

Whereas, Michigan citizens have a right to demand negotiations on affordable prescription drug coverage; and

Whereas, Children and adults with pre-existing conditions have a right to affordable, comprehensive health insurance; and

Whereas, Low-income Michigan citizens who are not eligible for Medicaid have a right to cost-sharing subsidies to assist with out-of-pocket health insurance costs; and

Whereas, It is imperative that action is taken to recognize and preserve all of these rights and ensure that Michigan citizens continue to have access to affordable health care and individuals with pre-existing conditions are not charged higher premium rates for experiencing lapses in coverage; now, therefore, be it

Resolved by the House of Representatives, That we call on the Governor, the Michigan Department of Insurance and Financial Services, and the Michigan Department of Health and Human Services to adopt a healthcare bill of rights to safeguard individuals from healthcare premium hikes, annual or lifetime caps on coverage for essential health benefits, and discriminatory healthcare practices on the basis of pre-existing conditions; and be it further

Resolved, That we urge the Governor to not make any cuts to the Medicaid program, including traditional Medicaid and the Healthy Michigan Plan; and be it further

Resolved, That copies of this resolution be transmitted to the Governor, the Director of the Department of Insurance and Financial Services, and the Director of the Michigan Department of Health and Human Services.

The resolution was referred to the Committee on Health Policy.
