LESLIE E. WONG, President

Northern Michigan University was founded in 1899 as a coeducational, state-supported institution. The university serves the state and, in particular, the Upper Peninsula of Michigan through a three-dimensional program of instruction, research, and service. Northern offers one-year certificate programs and degree programs at the Associate, Bachelor's, and Master's levels.

The academic program is organized into 28 departments which fall under 4 colleges: College of Arts and Sciences; The Walker L. Cisler College of Business; College of Professional Studies; and College of Graduate Studies.

Diploma Programs

Associate Degrees, Certificate programs, and Diploma programs are offered in Advanced Law Enforcement, Collision Repair Technology, Electrical Line Technician, and Local Corrections. One-year certificate programs are offered in automotive service, aviation maintenance technology, carpentry, clinical assistant, computer numerical control technician, cosmetology, geographic information systems, heating/air conditioning and refrigeration, office services, paraprofessional instructional aide, practical nursing, special studies, and surgical technician. Associate degree programs are available in applied child development, architectural technology, art and design, automotive service technology, aviation maintenance technology, building technology, climate control technology, clinical lab technician, computer-aided design-mechanical, computer information systems, corrections, criminal justice, electro-mechanical technology, electronics technology, food service management, general business, general university studies, health information processing, histotechnician, industrial maintenance, law enforcement, liberal arts and sciences, manufacturing technology, office information assistant, and science technician.

Master's Degree Programs

The University offers the Master of Arts degree in education with curricula in school counseling, educational administration and supervision, elementary education, learning disabilities, mathematics education, mathematics and science education, reading and reading specialist (BR), secondary education, education specialist, and education certifications. The Master's degree is also offered in the following areas: administrative service, biology, chemistry, communication disorders, criminal justice, English, exercise science, individualized studies, mathematics education, nursing (MSN), public administration, and training and development.

Off-Campus Programs

Northern provides off-campus courses throughout the Upper Peninsula with specialized offerings at Escanaba, Houghton/Hancock, Iron Mountain/Kingsford, Ironwood, Menominee, and Sault Ste. Marie.

Accreditations

Northern Michigan University is accredited by the Academic Quality Improvement Project (AQIP) of the North Central Association of Colleges and Universities. All education programs are

accredited by the National Council for the Accreditation of Teacher Education. Other accreditations are the American Alliance for Health, Physical Education, Recreation and Dance; American Chemical Society; American Speech-Language-Hearing Association; Commission on Accreditation of Allied Health Education Professionals; International Association of Counseling Services, Inc.; National Accrediting Agency for Clinical Laboratory Sciences; National Association of Schools of Music; and the Council of Social Work Education. In addition, the nursing programs (Practical Nursing Associate, Bachelor's and Master's Degrees) hold approval and accreditation by the Michigan Board of Nursing, and Commission on Collegiate Nursing Education.

The College of Business is an Assembly Member of the American Assembly of Collegiate Schools of Business.

The aviation programs are certified by the Department of Transportation Federal Aviation Administration, and the cosmetology program is licensed by the State of Michigan.
