Imam Mika'il Saadiq Stewart, Outreach Director of Michigan Muslim Community Council in Royal Oak, offered the following invocation:

“Let us seek refuge with Our Creator, Who is All-Hearing, All-Knowing from any insincere thoughts or intentions. I begin with the Name of God, Most-Gracious and Eternally-Beneficent, Our Lord; shower Your guidance on this humble but honorable assembly. Bless these solemn halls and guide us to do what we have been entrusted to do. As we invoke You for this most serious business at-hand, endow every seat with wisdom, focus, and critical concern for the people. Let us remember those oaths we took under Your Ever-Watching Eye. Our Lord, we beg Your assistance in securing the safety, health, education and wealth of these Great Lakes and Lands of this Great State You have so beautifully created. Protect our children and our elderly. Let us be mindful of those less-fortunate than ourselves. Let us share our talents, best-practices, and opportunities with one another to maintain a strong, intelligent populace. Our Lord, let us remember and support our teachers, our police, our firefighters, and all first responders. Give them peace and discernment in their times of need. Our Lord, allow us to be grateful and efficient. Let this new season bring resolve and reconciliation with brand new pathways to success. Let our humanity and compassion warm our hearts toward one another and spring forth a new generation of Michiganders fresh in spirit and mind. Let our core be conceived in justice, our words be advocates for it, and our actions yield to it. Our Lord, forgive us if we may error or be neglectful; redeem us and guide us aright. All praise is to Our Creator. And we are here to serve. Amen.”

The Speaker Pro Tempore assumed the Chair.

Motions and Resolutions

Reps. Zemke, Chang, Chirkun, Clemente, Elder, Ellison, Faris, Gay-Dagnogo, Geiss, Green, Greig, Hoadley, Kelly, Kosowski, Sabo, Singh, Sneller and Sowerby offered the following resolution:

House Resolution No. 334.

A resolution to declare May 6-12, 2018, as Formula SAE Week in the state of Michigan.

Whereas, The state of Michigan is committed to science, technology, engineering, and math (STEM) education at the K-16 level through a focus on scientific-literacy and culminating in career-ready science and technology professionals; and

Whereas, Educating its citizens about the importance of establishing scientific literacy through efforts that are transforming how people view the importance of expanding the pool of qualified career-ready professionals providing the technological workforce of Michigan's future; and

Whereas, Formula SAE Week will bolster the awareness that students, teachers, parents, and the general public have about the shortage of qualified individuals to fill STEM careers and, with that, give interest to future generations who will adapt to filling this need in our society; and

Whereas, The Bureau of Labor Statistics predicts that the number of STEM jobs will grow 8.4 percent by 2024 versus 6.4 percent for all other fields; and

Whereas, SAE International STEM provides a continuum of STEM programing (K-16) culminating in the Formula SAE program enabling economic recovery through student research and design aimed at the development of new solutions and innovations to real-life challenges; and

Whereas, Giving university students the opportunity to participate in hands-on integrated design experiences that generate expanded interest in science and technology education and provides them with critical thinking, team management, and design skills that will serve them throughout their lives; and

Whereas, Declaring the week of May 6-12, 2018, as Formula SAE Week enables expanded exposure to hands-on learning experiences for undergraduate and graduate students to develop and train the next generation of engineers. Formula SAE prepares undergraduate and graduate engineering students in a variety of disciplines for future employment in STEM-related

industries by challenging them with a hands-on, team engineering experience which also requires budgeting, communication, project management, and resource management skills (the top skills most valued by today's innovative organizations); now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 6-12, 2018, as Formula SAE Week in the state of Michigan.

The question being on the adoption of the resolution,

House Resolution No. 335.

A resolution to extend best wishes to Muslims in Michigan, the United States, and worldwide, for a joyous and meaningful observance of Ramadan, a holy month of prayer, fasting, charity, and reflection.

Whereas, This occasion is observed in commitment to the Islamic principles and in remembrance of the month in which the Holy Quran was revealed to Prophet Muhammad (pbuh); and

Whereas, This month of sacrifice and contemplation begins on or about the evening of Tuesday, May 15, 2018, based on the visual sightings of the crescent moon. Ramadan continues until on or about the evening of Thursday, June 14, 2018, with Eid al-Fitr, the celebration of the completion of the month; and

Whereas, Muslims in Michigan, our nation, and around the world will observe Ramadan by fasting, emphasizing self-discipline, worship, charity, and reading the Holy Quran to improve patience, humility, and spirituality; and

Whereas, Muslims in Michigan will put their faith into action by organizing the Ramadan Fight Against Hunger to collect and distribute several tons of food to the state's hungry and disadvantaged and by volunteering with various humanitarian organizations to give back to our beloved community; and

Whereas, During Ramadan, Muslims spend this period in reflection and prayer while strengthening the bonds of family, friendship, and community. Ramadan is considered the most sacred month of the Islamic calendar; and

Whereas, The Muslim population has been growing in the United States and today's Muslim American population is a tapestry of ethnic, racial, linguistic, social, and economic groups; and

Whereas, One of the largest populations of Muslims in the United States resides in southeast Michigan and makes meaningful contributions to our state; now, therefore, be it

Resolved by House of Representatives, That the members of this legislative body extend best wishes to Muslims in Michigan, the United States, and worldwide, for a joyous and meaningful observance of Ramadan, a holy month of prayer, fasting, charity, and reflection.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Sabo, Wentworth, Brinks, Chang, Chirkun, Clemente, Cochran, Crawford, Elder, Ellison, Faris, Gay-Dagnogo, Geiss, Green, Greig, Greimel, Hoadley, Kelly, Kosowski, Liberati, Moss, Pagan, Singh, Sneller, Sowerby, Wittenberg, Yaroch and Zemke offered the following resolution:

House Resolution No. 336.

A resolution to declare June 15, 2018, as Women Veterans Day in the state of Michigan.

Whereas, Women have proudly served their country throughout all periods of the history of the United States, whether disguised as male soldiers during the American Revolution and Civil War, as nurses in World War I, or as combat helicopter pilots in Afghanistan; and

Whereas, Women have formally been a part of the United States Armed Forces since the inception of the Army Nurse Corps in 1901, but have informally served since the inception of our nation's military; and

Whereas, During the American Revolution, women served on the battlefield alongside the men, mainly as nurses, water bearers, often called "Molly Pitchers," cooks, laundresses, and saboteurs. Despite Army regulations that only men could enlist, women who wanted to join in the fighting circumvented the rules by masquerading as young men or boys; and

Whereas, In 1917, the Navy announced it would open enlistment to women. About 12,000 female yeomen entered the Navy and filled a variety of jobs, including draftsmen, interpreters, couriers, and translators; and

Whereas, Three hundred seven women enlisted in the Marine Corps during World War I. Like their sisters in the Navy, they were limited to the enlisted ranks and worked mainly in Washington, D.C., doing various administrative jobs. Women's service contributions in World War I showed that they either had, or could quickly learn, nontraditional skills needed by the military; and

Whereas, Following Pearl Harbor, Congress authorized new women's components for each of the services and increased the number of active duty positions in the Army and Navy Nurse Corps. In May 1942, the Army was given the authority to establish the Women's Army Auxiliary Corps, also known as the WAACs. The Navy, Coast Guard, and Marine Corps

followed suit, but rather than making women an auxiliary component, they opted to enroll them in the reserves on the same basis as their male counterparts, while the Army Air Forces enlisted nearly 1,100 female civilian volunteers who earned their silver wings as Women Airforce Service Pilots (WASP); and

Whereas, At the end of World War II in 1945, of the approximately 12 million people remaining in the Armed Forces, about 280,000 were women; and

Whereas, With the passage of the Women's Armed Services Integration Act of 1948, women became a permanent part of the United States military, but women continued to be restricted to 2 percent of the military population. That restriction was finally lifted in 1967 with the amendment of the Women's Armed Services Integration Act, which also opened senior officer ranks to women; and

Whereas, The early 1990s were a historic time for women in the military with over 40,000 women deploying in support of the Persian Gulf War, making women service members more visible in the eyes of the public. In addition, the Defense Authorization Act in 1992 repealed combat exclusion laws that had prevented women from flying combat aircrafts; and

Whereas, Women who have served in the United States military are often referred to as "invisible veterans" because their service contributions, until the 1970s, went largely unrecognized by politicians, the media, academia, and the general public; and

Whereas, Even though women have been officially serving in the military since the creation of the Army Nurse Corps in 1901, they have not always been considered qualified for veteran status for the purpose of receiving benefits from the Department of Veterans Affairs. Even after women were granted veteran status, issues of access, exclusion, and improper management of their health care still remained; and

Whereas, It was not until well after World War II that women who served in the military began to officially be recognized as veterans; and

Whereas, In the late 1970s and early 1980s, many of the contributions made by women in World War II were formally recognized through laws that granted these women with veteran status for their time in service. This opened the doors for women to take advantage of programs, opportunities, and benefits from the federal and state governments, the Department of Veterans Affairs, and other veteran service organizations; and

Whereas, The 1980 decennial census marked the first time that information on women veterans was ever captured in a large national survey. At the time of the 1980 decennial census, women made up just over 2 percent of the veteran population. Today, that proportion has increased to almost 8 percent; and

Whereas, Over the past 20 years, the Veterans Health Administration (VHA) has introduced initiatives designed to improve health care access and quality of care for women veterans; and

Whereas, In 2008, VHA's Women Veterans Health Strategic Health Care Group began a five-year plan to redesign the nation's health care delivery system for women. A fundamental component of this plan was to ensure that all women veterans had access to comprehensive primary care from skilled women's health providers; and

Whereas, There are currently over 2 million women veterans living in the United States and Puerto Rico. Of this number, nearly 44,000 make Michigan their home; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 15, 2018, as Women Veterans Day in the state of Michigan. We urge all Michiganders to honor women veterans on this momentous occasion.

The resolution was referred to the Committee on Military and Veterans Affairs.

Reps. Geiss, Brinks, Chang, Chirkun, Clemente, Cochran, Crawford, Elder, Ellison, Faris, Gay-Dagnogo, Green, Greig, Greimel, Hoadley, Kelly, Kosowski, Liberati, Moss, Pagan, Sabo, Singh, Sneller, Sowerby, Wittenberg, Yaroch and Zemke offered the following resolution:

House Resolution No. 337.

A resolution to declare May 6-12, 2018, as Nurses Week in the state of Michigan.

Whereas, May 6-12, 2018, is recognized as National Nurses Week, beginning with National Nurses Day on May 6 and ending with the birthday of Florence Nightingale, the founder of modern nursing, on May 12; and

Whereas, Nurses are the largest segment of the healthcare workforce and those who provide the most direct and continuous skilled care to people of every age; and

Whereas, Nurses are globally recognized for their commitment to advocating for their patients and refusing to compromise their high standards for safe, high-quality patient care; and

Whereas, Nurses are educated professionals who perform the demanding and complex job of caring for the sick and injured every day in a wide variety of settings, often under very difficult conditions; and

Whereas, Nurses make valuable contributions to advancing health and safety by promoting prevention and healthy behaviors among Michigan residents; and

Whereas, Nurses advocate for their patients at the bedside and beyond, working to create a world in which all people have access to care and can live safe, healthy, and prosperous lives; and

Whereas, Nurses in Michigan fight for the health, safety, and human rights not only of the sick and injured, but also of the elderly, the young, those with disabilities, the economically disadvantaged, and the most vulnerable among us; and

Whereas, Under the leadership of the Michigan Nurses Association, the largest group representing Michigan registered nurses, nurses across Michigan are working to enhance the nursing profession; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 6-12, 2018, as Nurses Week in the state of Michigan. We convey respect and gratitude for the work of nurses every day throughout our state and urge all residents to do so year-round; and be it further

Resolved, That supporting nurses' ability to provide safe, quality care and developing and maintaining a thriving nurse workforce is of concern to all Michigan residents. We honor the work and dedication of nurses around the world and here in Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.
