432.23 License as lottery sales agent; issuance; consideration of factors; receipt of completed application; issuance of certificate within certain period of time; report; nonassignable and nontransferable; bond; display of license; suspension or revocation; terminal placement; prohibited conduct; definitions.

Sec. 23. (1) The commissioner shall not issue a license to a person to engage in business exclusively as a lottery sales agent. Before issuing a lottery sales license, the commissioner shall consider factors such as the financial responsibility and security of the person and his or her business or activity, the accessibility of his or her place of business or activity to the public, the sufficiency of existing licenses to serve the public convenience, and the volume of expected sales.

(2) The commissioner shall issue an initial or renewal lottery sales license not later than 90 days after the applicant files a completed application. Receipt of the application is considered the date the application is received by any agency or department of this state. If the commissioner determines that the application is incomplete, the commissioner shall notify the applicant in writing, or make information electronically available, within 30 days after receipt of the incomplete application, describing the deficiency and requesting the additional information. The 90-day period is tolled upon notification by the commissioner of a deficiency until the date the requested information is received by the commissioner. The determination of the completeness of an application does not operate as an approval of the application for the license and does not confer eligibility of an applicant determined otherwise ineligible for issuance of a license.

(3) If the commissioner fails to issue or deny a lottery sales license within the time required by this section, the commissioner shall return the license fee and shall reduce the license fee for the applicant's next renewal application, if any, by 15%. The failure to issue a lottery sales license within the time required under this section does not allow the commissioner to otherwise delay the processing of the application, and that application, upon completion, shall be placed in sequence with other completed applications received at that same time. The commissioner shall not discriminate against an applicant in the processing of the application based upon the fact that the license fee was refunded or discounted under this subsection.

(4) The commissioner shall submit a report by December 1 of each year to the standing committees and appropriations subcommittees of the senate and house of representatives concerned with gaming issues. The commissioner shall include all of the following information in the report concerning the preceding fiscal year:

(a) The number of initial and renewal applications the commissioner received and completed within the 90-day time period described in subsection (2).

(b) The number of applications denied.

(c) The number of applicants not issued a license within the 90-day time period and the amount of money returned to licensees and applicants under subsection (3).

(5) Notwithstanding any other provision of law, a person licensed as a lottery sales agent may sell lottery tickets and shares. A person lawfully engaged in nongovernmental business on state property may be licensed as a lottery sales agent.

(6) A lottery sales license is not assignable or transferable.

(7) A licensed agent or his or her employee may sell lottery tickets or shares only on the premises stated in the lottery sales license. A licensed agent who violates this subsection is, at the commissioner's discretion, subject to 1 or more of the following:

(a) Probation for not more than 2 years.

(b) A fine of not more than \$1,000.00.

(c) Removal of his or her lottery terminal.

(8) The commissioner may require a bond from a licensed agent in an amount provided in rules

promulgated under this act.

(9) A licensed agent shall display his or her license or a copy of the license conspicuously in accordance with rules promulgated under this act.

(10) The commissioner may suspend or revoke the license of an agent who violates this act or a rule promulgated under this act.

(11) For purposes of terminal placement, the commissioner shall take into account with equal emphasis both of the following:

(a) The total instant game sales for the 3 months immediately preceding a market evaluation.

(b) The need to maximize net lottery revenues from the total number of terminals placed.

(12) A licensed lottery sales agent shall not offer to give or give any money or other thing of value to the holder of a lottery ticket or share for winning the lottery, other than the prize if payment of the prize by the agent is authorized by the commissioner.

(13) As used in this section:

(a) "Completed application" means an application complete on its face and submitted with any applicable licensing fees and any other information, records, approval, security, or similar item required by law or rule from a local unit of government, a federal agency, or a private entity but not from another department or agency of this state.

(b) "Person" means an individual, association, corporation, club, trust, estate, society, company, joint stock company, receiver, trustee, referee, or other person acting in a fiduciary or representative capacity who is appointed by a court, or any combination of individuals. Person includes a department, commission, agency, or instrumentality of the state, including a county, city, village, or township and an agency or instrumentality of the county, city, village, or township.

Sec. 25. (1) The bureau shall give a prizewinner in the Michigan lotto game the option of receiving his or her prize in a single payment or in installments. This option shall be made available to and exercised by the purchaser of a Michigan lotto game ticket at the point of purchase. As used in this subsection, "Michigan lotto game" means a game administered by the bureau in which the matrix is 6 out of 49 numbers drawn.

(2) The right of any person to a prize drawn from the state lottery is not assignable, except as provided in this section. The commissioner shall be discharged of all further liability upon payment of a prize pursuant to this section.

(3) Payment of any prize drawn may be made to a person pursuant to an appropriate judicial order.

(4) Payment of any prize drawn may be made to the state pursuant to section 32.

(5) If a prizewinner dies before collecting the full amount of his or her prize drawn from the state lottery, the bureau shall continue to make the remaining prize payments to the prizewinner's surviving spouse and the prizewinner's living children, in equal proportions, unless otherwise directed by the prizewinner. If there is not a surviving spouse or living children or other designated beneficiaries, the remaining prize payments shall be made to the prizewinner's estate.

(6) Except as provided in subsection (11), payment of any prize drawn may be made to any person pursuant to a voluntary assignment of the right to receive future prize payments, in whole or in part, if the assignment is made to a person or entity designated pursuant to an appropriate judicial order of a court of competent jurisdiction located in either the county in which the assignor resides or the county in which the bureau is located. An order approving the assignment and directing the commissioner to pay the assignee all or a part of future prize payments is properly issued if the court finds that all of the following circumstances exist:

(a) The assignment is in writing, executed by the assignor in accordance with the laws of this state, and the terms of the assignment are disclosed, including the identity of the assignee, the portion or portions of prize payments to be assigned, and the amounts and dates of any payments that shall be given in exchange for the

assignment.

(b) The assignor provides a sworn affidavit to the court attesting that the assignor is of sound mind, is not acting under duress, has been advised regarding the assignment by his or her legal counsel, and understands and agrees that the state and the commissioner will have no further liability or responsibility to make prize payments to the assignor.

(c) The proposed assignment does not include or cover payments or portions of payments that are subject to section 32.

(d) Not less than 5 days after filing a petition for a judicial order that approves a voluntary assignment under this subsection and not less than 10 days before a hearing on the petition, the petitioner shall cause a copy of the petition and notice of hearing on the petition to be served upon the attorney general. The attorney general or his or her assistant shall be permitted to appear and take action that is in the best interests of the bureau and this state.

(7) Soliciting or offering rights to lottery prize payments, either by assignment or through pledge as collateral for a loan, shall not be considered selling or offering for sale lottery tickets or shares under this act.

(8) The commissioner is authorized to establish a reasonable fee to defray the cost of any administrative expenses associated with assignments made pursuant to this section, including the cost of a processing fee that may be imposed by a private annuity provider. The amount of the fee shall reflect the direct and indirect costs associated with processing the assignments.

(9) Except as otherwise provided by state or federal law, the commissioner or an officer or employee of the bureau shall not disclose the name, address, or any other personal information concerning a winner of a prize greater than \$10,000.00 drawn from the state lottery, unless the winner of a prize agrees in writing to allow the disclosure. Subject to subsection (10), the information protected against disclosure under this section is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

(10) Notwithstanding subsection (9), the commissioner or an officer or employee of the bureau may disclose the name, address, or any other personal information concerning a winner of a prize awarded under a game played pursuant to a joint enterprise to the extent required under the joint enterprise participation agreement executed by the commissioner.

(11) If at any time the federal internal revenue service or a court of competent jurisdiction issues a determination letter, revenue ruling, other public ruling of the internal revenue service, or published decision to any state lottery or state lottery prizewinner declaring that the voluntary assignment of prizes will affect the federal income tax treatment of prizewinners who do not assign their prizes, the commissioner shall immediately file a copy of that letter, ruling, or published decision with the secretary of state and the office of the state court administrator. A court shall not issue a voluntary assignment order under subsection (6) after the date the ruling, letter, or published decision is filed.
