(1) Sections 41, 42, and 66 do not apply to an amendment or rescission of a rule that is obsolete or superseded, or that is required to make obviously needed corrections to make the rule conform to an amended or new statute or to accomplish any other solely formal purpose, if a statement to that effect is included in the legislative service bureau certificate of approval of the rule.

(2) Sections 41 and 42 do not apply to a rule that is promulgated under the Michigan occupational safety and health act, 1974 PA 154, MCL 408.1001 to 408.1094, that is substantially similar to an existing federal standard that has been adopted or promulgated under the occupational safety and health act of 1970, Public Law 91-596. (4) For purposes of subsection (2), "substantially similar" means identical, with the exception of style or format differences needed to conform to this or other state laws, as determined by the office.

The agency shall not hold the public hearing until the regulatory impact statement has been reviewed and approved by the office. The agency shall also electronically transmit a copy of the regulatory impact statement to the committee before the public hearing and the agency shall make copies available to the public at the public hearing. 24.245a Joint committee on administrative rules; consideration of rule; actions; filing of rule by office; effective date of rule; withdrawal and resubmission of rule; tolling; "session day" defined.

Sec. 45a. (1) Except as otherwise provided in subsections (10) to (12), after the committee has received a notice of transmittal under section 45(2), the committee has 15 session days in which to consider the rule and do 1 of the following:

(a) Object to the rule by approving a notice of objection under subsection (2) and filing the notice with the office.

(b) Propose that the rule be changed. If the committee proposes that a rule be changed under this subdivision, section 45c applies.

(c) Decide to introduce bills under subsection (5) to enact the subject of the rule into law.

(d) Waive any remaining session days. If the committee waives the remaining session days, the clerk of the committee shall promptly notify the office of the waiver by electronic transmission.

(2) To approve a notice of objection under subsection (1)(a), a concurrent majority of the committee, as provided in section 35, must affirmatively determine that 1 or more of the following conditions exist:

(a) The agency lacks statutory authority for the rule.

(b) The agency is exceeding the statutory scope of its rule-making authority.

(c) There exists an emergency relating to the public health, safety, and welfare that would warrant disapproval of the rule.

(d) The rule conflicts with state law.

(e) A substantial change in circumstances has occurred since enactment of the law on which the proposed rule is based.

(f) The rule is arbitrary or capricious.

(g) The rule is unduly burdensome to the public or to a licensee licensed under the rule.

(3) If the committee does not approve a notice of objection, propose that the rule be changed, or decide to introduce bills under subsection (5) within the time period prescribed in subsection (1), or if the committee waives the remaining session days under subsection (1), the office may immediately file the rule, with the certificate of approval required under section 45(1), with the secretary of state. The rule takes effect immediately on being filed with the secretary of state unless a later date is indicated in the rule.

(4) If the committee files a notice of objection under subsection (1)(a), the committee chair, the alternate chair, or any member of the committee shall introduce bills in both houses of the legislature, simultaneously to the extent practicable. Each house shall place the bill or bills directly on its calendar. The bills must contain 1 or more of the following:

(a) A rescission of a rule upon its effective date.

(b) A repeal of the statutory provision under which the rule was authorized.

(c) A bill staying the effective date of the proposed rule for up to 1 year.

(5) If the committee decides to proceed under this subsection as provided in subsection (1)(c), the committee chair and the alternate chair shall, as soon as the bills have been prepared, introduce or cause to be introduced in both houses of the legislature bills to enact into law the subject of the proposed rule. The language of a bill introduced under this subsection is not required to be identical to the language of the proposed rule. The legislative service bureau shall give priority to the preparation of the bills.

(6) The office shall not file with the secretary of state a rule as to which the committee has filed a notice of objection under subsection (1)(a) until after whichever of the following applies:

(a) Unless subdivision (b) applies, 15 session days after the date the notice is filed.

(b) The date of a rescission of the notice of objection as provided in this subdivision. The committee may rescind a notice of objection filed under subsection (1)(a). If the committee rescinds a notice of objection under this subdivision, the clerk of the committee shall promptly notify the office by electronic transmission of the rescission.

(7) If the committee decides to introduce bills under subsection (5) with respect to the subject of a rule, the office shall not file the rule with the secretary of state until 270 days after the bills were introduced.

(8) If legislation introduced under subsection (4) or (5) is defeated in either house and if the vote by which the legislation failed to pass is not reconsidered in compliance with the rules of that house, or if legislation introduced under subsection (4) or (5) is not adopted by both houses within the applicable period specified in subsection (6) or (7), the office may file the rule with the secretary of state. The rule takes effect immediately on being filed with the secretary of state unless a later date is specified in the rule.

(9) If legislation introduced under subsection (4) or (5) is enacted by the legislature and presented to the governor within the 15-session-day period under subsection (6) or before the expiration of 270 days under subsection (7), the rule does not take effect unless the legislation is vetoed by the governor as provided by law. If the governor vetoes the legislation, the office may file the rule with the secretary of state immediately. The rule takes effect 7 days after the date it is filed with the secretary of state unless a later effective date is indicated in the rule.

(10) An agency may withdraw a proposed rule under the following conditions:

(a) With permission of the committee chair and alternate chair, the agency may withdraw the rule to change the rule and resubmit it as changed. If permission to withdraw is granted, the 15-session-day period described in subsection (1) is tolled until the rule is resubmitted. However, the committee must have at least 6 session days after resubmission to consider the resubmitted rule, and if necessary, the period under subsection (1) is extended to give the committee the 6 days.

(b) Without permission of the committee chair and alternate chair, the agency may withdraw the rule to change the rule and resubmit it as changed. If permission to withdraw is not granted, a new and untolled 15-session-day time period described in subsection (1) begins on resubmission of the rule to the committee for consideration.

(11) This section does not apply to rules adopted under section 33 or 48 or a rule to which sections 41 and 42 do not apply as provided in section 44(1) or (2).

(12) An agency shall withdraw any rule pending before the committee at the final adjournment of a regular session held in an even-numbered year and resubmit the rule. A new and untolled 15-session-day period described in subsection (1) begins on resubmission of the rule to the committee for consideration.

(13) As used in this section only, "session day" means a day in which both the house of representatives and the senate convene in session and a quorum is recorded.

24.245c Proposal by committee that proposed rule be changed; actions by agency; review and determination by office; notice to committee.

Sec. 45c. (1) If the committee proposes that a proposed rule be changed under section 45a(1), the agency shall, within 30 days, do 1 of the following:

(a) Decide to change the rule and, within the 30 days, resubmit the rule, as changed, to the committee. If the agency decides to change the rule, subsections (2) to (5) apply.

(b) Decide to not change the rule. If the agency decides to not change the rule, subsection (6) applies.

(2) If an agency decides to change a proposed rule under subsection (1), the agency shall withdraw the rule. A withdrawal under this subsection is a withdrawal with permission under section 45a(10). After withdrawing the rule under this subsection, the agency shall give notice to the office for publication of the proposed rule, as changed, under section 8. The notice must include the text of the rule as changed.

(3) After receiving the text of a proposed rule as changed under subsection (2), the office shall review the rule as changed and determine whether the regulatory impact or the impact on small businesses of the rule as changed would be more burdensome than the regulatory impact or the impact on small businesses of the rule as originally proposed. If the language of the rule as changed is identical to the language of the corresponding rule promulgated and in effect at the time of the review, the regulatory impact and impact on small businesses of the rule as changed are not more burdensome. The office shall notify the agency of its determination under this subsection.

(4) If the office's determination under subsection (3) is that the regulatory impact and the impact on small businesses of the rule as changed would not be more burdensome, the agency is not required to prepare a new agency report under section 45(2) or conduct a new public hearing on the rule as changed. If the determination is that the regulatory impact and the impact on small businesses of the rule as changed would be more burdensome, the agency shall prepare a new agency report under section 45(2) and conduct a new public hearing.

(5) After receiving the office's determination under subsection (3), the agency shall submit a supplement to the agency report under section 45(2) that includes all of the following:

(a) A statement of the determination of the office under subsection (3) and whether a new agency report under section 45(2) and public hearing are required.

(6) If an agency decides to not change a rule under subsection (1), the agency shall within the 30-day period under subsection (1) notify the committee of the decision and the reasons for the decision and file the notice with the office. After the notice is filed, the committee has 15 session days in which to consider the agency's decision and take 1 of the actions listed in section 45a(1).

24.248 Emergency rules; tolling effective date; scheduling substance as controlled substance; numbering and compilation; "administrator" defined.

Sec. 48. (1) If an agency finds that preservation of the public health, safety, or welfare requires promulgation of an emergency rule without following the notice and participation procedures required by sections 41 and 42 and states in the rule the agency's reasons for that finding, and the governor concurs in the finding of emergency, the agency may dispense with all or part of the procedures and file in the office of the secretary of state the copies prescribed by section 46 endorsed as an emergency rule, to 3 of which copies must be attached the certificates prescribed by section 45 and the governor's certificate concurring in the finding of emergency. The emergency rule is effective on filing and remains in effect until a date fixed in the rule or 6 months after the date of its filing, whichever is earlier. The rule may be extended once for not more than 6 months by the filing of a governor's certificate of the need for the extension with the office of the secretary of state before expiration of the emergency rule. Any period or extension during which an emergency rule is effective under this subsection is tolled from the date that the environmental rules review committee makes a determination as to a similar rule under section 66(5)(c) until the date a public hearing is held on the rule under section 66(7).

(2) If the director of the department of health and human services determines that an imminent danger to the health or lives of individuals in this state can be prevented or controlled by scheduling a substance as a controlled substance under section 2251(4) of the public health code, 1978 PA 368, MCL 333.2251, and the administrator determines that the substance should be scheduled or rescheduled as a controlled substance, the department of licensing and regulatory affairs may dispense with all or part of the procedures required by sections 41 and 42 and file in the office of the secretary of state the copies prescribed by section 46 endorsed as an emergency rule, to 3 of which copies must be attached the certificate of approval and the director of the department of health and human services's notification under section 2251(4) of the public health code, 1978 PA 368, MCL 333.2251. The office shall submit the emergency rule draft language to the legislative service

bureau for its formal certification within 7 business days after receipt from the department of licensing and regulatory affairs. The legislative service bureau shall issue a certificate of approval indicating whether the proposed rule is proper as to all matters of form, classification, and arrangement within 7 business days after receiving the submission and return the rule to the office. If the legislative service bureau fails to issue a certificate of approval within 7 business days after receipt of the submission for formal certification, the office may issue a certificate of approval. If the legislative service bureau returns the submission to the office before the expiration of the 7-business-day time period, the 7-business-day time period is tolled until the rule is returned by the office. The legislative service bureau has the remainder of the 7-business-day time period to consider the formal certification of the rule. On receipt from the legislative service bureau, the office shall, within 7 business days, approve the proposed rule if it considers the proposed rule to be legal and appropriate. An emergency rule adopted under this subsection remains in effect until the earlier date of the following:

(a) An identical or similar rule is promulgated.

(b) An identical or similar bill is enacted into law.

(c) The administrator determines that the emergency rule is no longer necessary.

(d) Six months after the date of its filing, which may be extended for not more than 6 months by the administrator on filing a certificate of extension with the office of the secretary of state before the expiration of 6 months after the date of its filing.

(3) An emergency rule must not be numbered and must not be compiled in the Michigan Administrative Code, but must be noted in the annual supplement to the code. The emergency rule must be published in the Michigan register under section 8.

(4) If the agency desires to promulgate an identical or similar rule with an effectiveness beyond the final effective date of an emergency rule, the agency shall comply with the procedures prescribed by this act for the processing of a rule that is not an emergency rule. The rule must be published in the Michigan register and in the code.

(5) As used in this section, "administrator" means that term as defined in section 7103 of the public health code, 1978 PA 368, MCL 333.7103.

Sec. 53. (1) Each agency shall prepare an annual regulatory plan that reviews the agency's rules. The annual regulatory plan shall be electronically transmitted to the office of regulatory reinvention.

(2) In completing the annual regulatory plan required by this section, the agency shall identify the rules the agency expects to review under subsection (4) in the next year, the rules it reasonably expects to process in the next year, the mandatory statutory rule authority it has not exercised, and the rules it expects to rescind in the next year.

(c) The complexity of complying with the rules.

(d) Whether the rules conflict with or duplicate similar rules or regulations adopted by the federal government or local units of government.

(d) The environmental rules review committee fails to make a determination under subsection (5) within 35 days after receiving the draft proposed rules under subsection (3).

(8) Within 120 days after a public hearing conducted by the department of environmental quality under subsection (7), the department of environmental quality shall prepare and submit to the environmental rules review committee an agency report containing a synopsis of the comments made at and received in connection with the public hearing and a description of any changes that are suggested by the department of environmental quality to the draft proposed rules. If all issues are not resolved before 11 months after the date of the last public hearing on the draft proposed rules, the department of environmental quality shall submit a written finding to the governor on its final position on the draft proposed rules or revised draft proposed rules. If the governor concurs with the department of environmental quality's finding, the governor shall direct the director of the department of environmental quality to proceed with the draft proposed rules under subsection (12). If the governor does not concur with the department of environmental quality's finding, the governor shall direct the department of environmental quality to withdraw the draft rules.

(12) If draft proposed rules proceed under this subsection as provided in this section, the office shall

transmit by notice of transmittal to the committee copies of the rules, the request for rule-making, the synopsis of the comments contained in the public hearing record, a description of any revisions to the proposed rules that were made after the public hearing, and certificates of approval from the legislative service bureau and the office. CHAPTER 6 JUDICIAL REVIEW

Sec. 101. When a person has exhausted all administrative remedies available within an agency, and is aggrieved by a final decision or order in a contested case, whether such decision or order is affirmative or

A preliminary, procedural or intermediate agency action or ruling is not immediately reviewable, except that the court may grant leave for review of such action if review of the agency's final decision or order would not provide an adequate remedy.

(2) Within 60 days after service of the petition, or within such further time as the court allows, the agency shall transmit to the court the original or certified copy of the entire record of the proceedings, unless parties to the proceedings for judicial review stipulate that the record be shortened. 24.323 Awarding costs and fees; finding; hearing; evidence; reduction or denial of award; final action; amount of costs and fees; applicability of section.

Sec. 123. (1) The presiding officer that conducts a contested case shall award to a prevailing party, other than an agency, the costs and fees incurred by the party in connection with that contested case, if the presiding officer finds that the position of the agency to the proceeding was frivolous. To find that an agency's position was frivolous, the presiding officer shall determine that at least 1 of the following conditions has been met:

(a) The agency's primary purpose in initiating the action was to harass, embarrass, or injure the prevailing party.

(b) The agency had no reasonable basis to believe that the facts underlying its legal position were in fact true.

(c) The agency's legal position was devoid of arguable legal merit.

(2) If the parties to a contested case do not agree on the awarding of costs and fees under this section, a hearing shall be held if requested by a party, regarding the awarding of costs and fees and the amount thereof. The party seeking an award of costs and fees shall present evidence establishing all of the following:

- (a) That the position of the agency was frivolous.
 - (b) That the party is a prevailing party.
 - (c) The amount of costs and fees sought including an itemized statement from any attorney, agent, or expert witness who represented the party showing the rate at which the costs and fees were computed.
 - (d) That the party is eligible to receive an award under this section. Financial records of a party shall be exempt from public disclosure if requested by the party at the time the records are submitted pursuant to this section.
 - (e) That a final order not subject to further appeal other than for the judicial review of costs and fees provided for in section 125 has been entered in the contested case regarding the subject matter of the contested case.
- (3) The presiding officer may reduce the amount of the costs and fees to be awarded, or deny an award, to the extent that the party seeking the award engaged in conduct which unduly and unreasonably protracted the contested case.

 - (5) Subject to subsection (6), the amount of costs and fees awarded under this section shall include those reasonable and necessary costs actually incurred by the party and any costs allowed by law or by a rule promulgated under this act. Subject to subsection (6), the amount of fees awarded under this section shall be based upon the prevailing market rate for the kind and quality of the services furnished, subject to the following:
 - (a) The expenses paid for an expert witness shall be reasonable and necessary as determined by the presiding officer.
 - (b) An attorney or agent fee shall not be awarded at a rate of more than \$75.00 per hour unless the presiding officer determines that special circumstances existed justifying a higher rate or an applicable rule promulgated by the agency provides for the payment of a higher rate because of special circumstances.
 - (6) The costs and fees awarded under this section shall only be awarded to the extent and amount that the agency caused the prevailing party to incur those costs and fees.
 - (7) This section does not apply to any agency in its role of hearing or adjudicating a case. Unless an agency has discretion to proceed, this section does not apply to an agency acting ex rel on the information and at the instigation of a nonagency person who has a private interest in the matter nor to an agency required by law to commence a case upon the action or request of another nonagency person.
 - (8) This section does not apply to an agency that has such a minor role as a party in the case in comparison to other nonprevailing parties so as to make its liability for costs and fees under this section unreasonable, unjust, or unfair.
