Pastor Frank Hampton, Jr., Pastor of Church of God in Jackson, offered the following invocation:

“Our Father in Heaven, we are eternally grateful for the opportunity to approach Your throne as we open this session of the House of Representatives in prayer.

We pray for Your particular blessings on those in authority. Please give them guidance, the understanding to recognize the gravity of their responsibilities, and the courage to be unwilling to compromise integrity and moral convictions for any political advantage.

Lord, we are cumbered with critical issues and we are exhausting our resources. In this time of chaos and confusion, we need Your mercy and divine assistance as no other time in our Nation’s history. And You said, if we would acknowledge You in all our ways, You would direct our path.

Although circumstances are mounting, Your Word gives us hope. It says, ‘If My people, which are called by My name, will humble themselves and pray, and seek My face and turn from their wicked ways, then I will hear from Heaven, and will forgive their sin, and will heal their land.’

So Lord, at this time we are honestly appealing to Thee in the name of Jesus Christ, our Lord.  
Amen.”

### Motions and Resolutions

Reps. Outman, VerHeulen, Daley, Kurtz, Hooker, Hovey-Wright, Slavens, Clemente, McCann, Abed, Cochran, Brinks, Faris, Rutledge, Lyons, Cotter, Kowall, Graves, Forlini, Genetski, Jacobsen, Rogers, Goike, Glardon, Nesbitt, Barnett, Brown, Crawford, Darany, Denby, Driskell, Heise, Howrylak, Kelly, LaVoy and Roberts offered the following resolution:

#### **House Resolution No. 374.**

A resolution to declare May 22, 2014, as Roadside Safety Awareness Day in the state of Michigan.

Whereas, Construction projects, including those that occur in and around roadways, are in full swing in Michigan due to the arrival of warmer weather; and

Whereas, While those who are required to work in and around roadways, such as road/bridge workers, utility workers, telecommunication providers, waste haulers, general construction workers and others deploy many safety devices when doing so, including warning lights, signage, cones and barrels, accidents still occur; and

Whereas, About 100 workers are killed in roadside accidents across the nation in an average year; and

Whereas, Michigan construction zone and utility related crashes in 2013 totaled 4,080 along with 10 fatalities and 107 serious injuries and there are also numerous near misses and damages to worker vehicles parked in road construction areas; and

Whereas, Public Act 103 of 2001 established penalties for injuring or killing a highway construction or maintenance worker and is known as “Andy’s Law” in honor of construction worker Andrew Lefko, who was seriously injured in a 1999 crash in a southeast Michigan construction zone; and

Whereas, Public Act 315 of 2006 enhanced Andy’s Law to define work zones for which violations can trigger the more severe penalties; and

Whereas, Public Act 464 of 2008 requires drivers to use caution when approaching a service vehicle in a roadway, such as a stationary solid waste collection vehicle, utility service vehicle, or a road maintenance vehicle with flashing, rotating, or oscillating amber lights; and

Whereas, The Michigan House of Representatives approved House Resolution 330 establishing December 6, 2012, as Michigan Utility Worker Safety Awareness Day; and

Whereas, Roadside service providers have safety teams to work to identify and enhance roadside safety for their employees through deployment of additional safety equipment and procedures; and

Whereas; These providers continue to seek ways to enhance awareness for everyone working in and around roadways so that drivers will take heed, slow down, and go around to help keep them safe; and

Whereas, Utility public service announcements will accompany other safety messages on TV and radio to raise public awareness about keeping workers safe by obeying laws and slowing down in construction zones, not texting or allowing other distractions when traveling through these areas, and being vigilant about keeping workers safe while in and near roadways; and

Whereas, An event is being held in Lansing to share this important and lifesaving information with legislators, the general public, and media; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 22, 2014, as Roadside Safety Awareness Day in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

By unanimous consent the House considered **House Resolution No. 376** out of numerical order.

Reps. Townsend, Kowall, Forlini, Barnett, Brown, Daley, Darany, Denby, Driskell, Heise, Hovey-Wright, Howrylak, Kelly, LaVoy, Roberts and Slavens offered the following resolution:

**House Resolution No. 376.**

A resolution to declare May 2014 as Lupus Awareness Month in the state of Michigan.

Whereas, Each year, the Lupus Agencies of Michigan designate May as Lupus Awareness Month to show support for the 1.5 million Americans and 5 million people worldwide who suffer from the often debilitating effects of lupus, a chronic autoimmune disease that can cause severe damage to the tissue and organs in the body and in some cases, death; and

Whereas, Each year thousands of people are newly diagnosed with lupus, the great majority of whom are young people in the prime of their lives and 90 percent of whom are women; and

Whereas, Lupus is most prevalent among African-Americans, Hispanics, Native Americans, and Asians. Tragically, thousands of people die from lupus each year because a cure remains elusive; and

Whereas, There is a continued need for increased public and professional awareness of lupus; and

Whereas, Medical research efforts into lupus and the discovery of safer, more effective treatments for lupus patients are underfunded in comparison with diseases of comparable magnitude and severity; and

Whereas, Increasing community awareness and focusing public attention on lupus and its devastating impact on patients' lives will provide hope for a better future for those affected; and

Whereas, The Lupus Agencies of Michigan are dedicated to "improving the quality of life for individuals with lupus and their loved ones by providing education, support and outreach services, and promoting programs of awareness, advocacy, and research"; and

Whereas, This legislative body recognizes the needs of those chronically ill people who are living with lupus and urges all citizens to support the search for a cure and assist those individuals and families who deal with this devastating disease on a daily basis; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2014 as Lupus Awareness Month in the state of Michigan; and be it further

Resolved, That copies of this resolution be transmitted to Governor Rick Snyder, the Michigan Department of Community Health and the Lupus Agencies of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Johnson, Lauwers, Barnett, Brown, Daley, Darany, Denby, Driskell, Heise, Howrylak, Jacobsen, Kelly, LaVoy, Roberts and Slavens offered the following resolution:

**House Resolution No. 377.**

A resolution to declare May 29, 2014, as Silo Safety Awareness Day in the state of Michigan.

Whereas, Silos play an important role in the storage of agricultural products, but can pose a significant risk to those who work within them; and

Whereas, Accidents occur in Michigan and throughout the country each year within silos. Many of these tragedies could have been avoided with additional caution and an awareness of safety measures; and

Whereas, Workers within silos must always be conscious of basic silo safety rules. These rules include: ropes or safety harnesses are essential, crusted grain should never be walked on, a silo should never be entered from the bottom when material is collected to the sides of the bin or bridged overhead, tools that are used should not conduct electricity nor create sparks, and other workers should be present to assist and supervise if at all possible; and

Whereas, In memory of those who have been injured or killed while working in silos, it is our intent to help raise awareness about the inherent dangers that are present; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 29, 2014, as Silo Safety Awareness Day in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Graves, Barnett, Brown, Crawford, Daley, Darany, Denby, Driskell, Heise, Hovey-Wright, Howrylak, Jacobsen, Kelly, LaVoy, Roberts and Slavens offered the following resolution:

**House Resolution No. 375.**

A resolution to declare June 27, 2014, as Post-Traumatic Stress Injury Awareness Day in the state of Michigan.

Whereas, The brave men and women of the United States Armed Forces, who proudly serve the United States, risk their lives to protect the freedom of the United States and deserve the investment of every possible resource to ensure their lasting physical, mental, and emotional well-being; and

Whereas, More than 2,000,000 United States service members have deployed as part of overseas contingency operations since the events of September 11, 2001; and

Whereas, The military has sustained an operational tempo for a period of time unprecedented in the history of the United States, with many service members deploying multiple times to combat zones, placing them at high risk of post-traumatic stress injury; and

Whereas, It is expected that ten thousand veterans will return to the state of Michigan every year for the next three to five years after spending a significant amount of time in combat environments, exposing thousands of soldiers to traumatic life threatening events; and

Whereas, The Department of Veterans Affairs reports that in fiscal year 2012, more than 500,000 veterans from all wars sought care at a Department of Veterans Affairs medical center received treatment for PTSI; and

Whereas, PTSI significantly increases the risk of depression, suicide, and drug and alcohol related disorders and deaths; and

Whereas, The Department of Defense and the United States Department of Veterans Affairs have made significant advances in the prevention, diagnosis, and treatment of PTSI and the symptoms of PTSI. However, many challenges remain; and

Whereas, The establishment of a Michigan Post-Traumatic Stress Injury Awareness Day will raise public awareness about issues related to PTSI, now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 27, 2014, as Post-Traumatic Stress Injury Awareness Day in the state of Michigan. We urge continued awareness about the causes, symptoms, and treatment of post-traumatic stress injury by service members, veterans, the families of service members and veterans, and the general public.

The question being on the adoption of the resolution,

The resolution was adopted.
