The question being on agreeing to the title of the bill,

Rep. Ward moved to amend the title to read as follows:

A bill to amend 1949 PA 300, entitled “Michigan vehicle code,” by amending sections 303, 307, 307a, 310, and 314 (MCL 257.303, 257.307, 257.307a, 257.310, and 257.314), sections 303 and 307 as amended by 2005 PA 142, section 307a as added by 1988 PA 346, section 310 as amended by 2005 PA 141, and section 314 as amended by 2004 PA 362.

The motion prevailed.

The House agreed to the title as amended.

Rep. Tobocman, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I proudly voted against this bill because it sends a horrible message to the international business community. By making Michigan the first and only state in the country that would have a citizenship ‘check-box’ on its drivers licenses, this bill would classify LEGAL residents as second-class citizens.

The citizenship ‘check-box’ raises more questions than it answers. What will the Secretary of State personnel do when a drivers license applicant checks that they are not a U.S. citizen? What skills do they possess in wading through the complications and intricacies of U.S. immigration law to determine which of the 40-plus legal residency statuses the applicant possesses and whether they meet the rigors of that residency test? And at what cost?

What does the bill imply that local law enforcement, local treasurers, local permitting agencies and other units of government do when a non-citizen is before them seeking services? Further, what is the implication for banks, mortgage companies, retailers and others who would ask for a drivers license to conduct business?

This bill signals to foreign investors in Michigan that their managers and employees who would need to be relocated to Michigan will be treated with suspicion and as second-class, as their drivers licenses denote their lack of citizenship. Nowhere else in America will foreign investment be greeted with such closed arms.

Michigan voters demand that we be do everything in the Legislature's power to create jobs. This bill does the opposite. After two visits to Japan, Governor Granholm has returned with nearly \$250 million in foreign investment that will produce 1,032 jobs. I wonder how many of those jobs will be killed and how many future opportunities will be lost when national and international media learn of Michigan's desire to lead in identifying who is and who is not a citizen, regardless of their legal right to be here?

HB 6085 accomplishes little in the way of enhancing law enforcement, identifying voters, helping employers or assisting the Secretary of State. In fact, there are strong arguments that it actually does more harm by driving immigrants underground.

Most critically, Michigan can not afford to turn its back on the global economy. This bill does more than that. It sends a clear message that our foreign partners and the jobs that they might want to locate here are not welcome."

Rep. Waters, having reserved the right to explain her protest against the passage of the bill, made the following statement:

"Mr. Speaker and members of the House:

I voted 'NO' on HB 6085 because it is bad public policy as the bill does not distinguish between a non-citizen who is in this country legally or illegally. Therefore, non-citizens in this country legally such as a student or a Daimler-Benz employee will carry a second-class license with a check box indicating that they are not U.S. citizens. Such a situation will expose these individuals to unknown and unnecessary scrutiny from law enforcement. This bill also sends an unwelcoming message to those individuals in this country legally. The state can not court foreign companies while, at the same time, treat their employees like second class citizens when they apply for a driver's license.

Furthermore, the Michigan's driver's license already conforms to the federal requirement for Social Security numbers and proof of identification. This bill would unnecessarily require Michigan to go above and beyond the federal requirements.

Additionally, there are no parameters to guide the Secretary of State to determine how an applicant is in this country illegally. Secretary of State branch employees are not trained to make this determination or to even understand what documents they need to obtain in order to determine whether an applicant is in this country lawfully. At a time when we are trying to streamline government, this bill will add another level of bureaucracy.

Finally, as written, HB 6085 is ambiguous and vague. While the language appears to require only a statement of citizenship, the Secretary of State could interpret this language as a requirement for obtaining a driver's license."

Rep. Ward moved that the bill be given immediate effect.

Motions and Resolutions

Reps. David Law, Bieda, Rocca, Accavitti, Ball, Brandenburg, Cushingberry, Elsenheimer, Emmons, Espinoza, Farrah, Gillard, Gonzales, Gosselin, Green, Hansen, Hopgood, Huizenga, Jones, Kahn, Kooiman, Marleau, Mayes, Meyer, Miller, Mortimer, Nitz, Palmer, Proos, Sak, Shaffer, Stahl, Stakoe, Taub, Tobocman and Vander Veen offered the following resolution:

House Resolution No. 269.

A resolution to memorialize the President of the United States and the United States Congress to make the Republic of Poland eligible for the United States Department of State Visa Waiver Program.

Whereas, The Republic of Poland is a free, democratic, and independent nation. The fall of the Berlin Wall in 1989 paved the way for Poland to break free from Soviet control and pursue its own destiny. In 1999, the United States and the Republic of Poland became formal allies when Poland was granted membership in the North Atlantic Treaty Organization. Since that historic occasion, the Republic of Poland has proven to be an indispensable ally in the global campaign against terrorism. Poland actively participated in Operation Iraqi Freedom and the Iraqi reconstruction mission, shedding blood along with American military personnel; and

Whereas, From the beginning of Poland's new independence, the Polish people have expressed their wishes for close ties with America. On April 15, 1991, the Republic of Poland unilaterally repealed the visa obligation for United States citizens traveling to Poland. The United States has not reciprocated this gesture. Our Department of State's Visa Waiver Program currently allows citizens from 27 countries to travel to the United States for tourism or business for up to 90 days without first obtaining visas for entry. The countries that currently participate in the Visa Waiver Program include Andorra, Australia, Austria, Belgium, Brunei, Denmark, Finland, France, Germany, Iceland, Ireland, Italy, Japan, Liechtenstein, Luxembourg, Monaco, the Netherlands, New Zealand, Norway, Portugal, San Marino, Singapore, Slovenia, Spain, Sweden, Switzerland, and the United Kingdom; and

Whereas, The President of the United States and other high ranking officials have rightly described Poland as "one of our closest friends." After emerging from five decades of foreign domination, the people of Poland have made great strides in building a free and prosperous nation to stand by America's side in the great struggle of our day. It is appropriate that the Republic of Poland be made eligible for the United States Department of State Visa Waiver Program; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the President of the United States and the United States Congress to make the Republic of Poland eligible for the United States Department of State Visa Waiver Program; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the members of the Michigan congressional delegation, and the Ambassador of the Republic of Poland to the United States of America.

The resolution was referred to the Committee on Government Operations.

Reps. Hildenbrand, Accavitti, Anderson, Ball, Booher, Brandenburg, Brown, Byrnes, Caswell, Clack, Cushingberry, Elsenheimer, Emmons, Espinoza, Farhat, Farrah, Gillard, Gleason, Gonzales, Gosselin, Green, Hansen, Hopgood, Huizenga, Jones, Kooiman, Lemmons, Jr., Marleau, Mayes, McDowell, Meyer, Moore, Mortimer, Nitz, Palmer, Pearce, Polidori, Proos, Sak, Shaffer, Sheltroun, Alma Smith, Spade, Stahl, Stakoe, Taub and Vander Veen offered the following resolution:

House Resolution No. 270.

A resolution commemorating June 6, 2006, as Dairy Foods Awareness Day in the state of Michigan.

Whereas, The mission of the Michigan Dairy Foods Association is to support and promote activities designed to improve and maintain the general well-being of the dairy processing industry; and

Whereas, The Michigan Dairy Foods Association is a trade and membership service organization representing all aspects of the dairy processing industry in Michigan. The association's primary purposes are to assure that a strong environment exists for the creation and maintenance of sound public policy as it relates to all aspects of the dairy processing industry in Michigan, to enhance the position, prestige and competitive ability of the association's members, and to provide educational programs to enhance members' abilities to process and market fine dairy products, packaged waters and juices in Michigan and throughout the world; and

Whereas, The Michigan Dairy Foods Association established Dairy Foods Awareness Day to demonstrate the importance of the dairy processing industry in Michigan and to promote the 3-A-Day concept of three servings of calcium-rich dairy products per day which helps ensure a healthy diet. We salute the people of the Michigan Dairy Foods Association for their efforts to expand our awareness and knowledge of the dairy processing industry; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate June 6, 2006, as Dairy Foods Awareness Day in the state of Michigan; and be it further

Resolved, That a copy of this resolution be transmitted to the organizers of Dairy Foods Awareness Day as evidence of our esteem.

Pending the reference of the resolution to a committee,

Rep. Ward moved that Rule 77 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.
