1 Enacting section 1. This amendatory act takes effect 90 days
2 after the date it is enacted into law.

3 Enacting section 2. This amendatory act clarifies ambiguities
4 in the law in accordance with the original intent of the people, as
5 expressed in section 2(b) of the Michigan medical marihuana act,
6 2008 IL 1, MCL 333.26422:

7 "(b) Data from the Federal Bureau of Investigation Uniform
8 Crime Reports and the Compendium of Federal Justice Statistics show
9 that approximately 99 out of every 100 marihuana arrests in the
10 United States are made under state law, rather than under federal
11 law. *Consequently, changing state law will have the practical*
12 *effect of protecting from arrest the vast majority of seriously ill*
13 *people who have a medical need to use marihuana."* [Emphasis
14 added.]

15 This amendatory act is curative and applies retroactively as
16 to the following: clarifying the quantities and forms of marihuana
17 for which a person is protected from arrest, precluding an
18 interpretation of "weight" as aggregate weight, and excluding an
19 added inactive substrate component of a preparation in determining
20 the amount of marihuana, medical marihuana, or usable marihuana
21 that constitutes an offense.
