

MICHIGAN ELECTION LAW (EXCERPT)
Act 116 of 1954

168.767 Absent voters' ballots; illegal vote; rejection of ballot; marking; preservation.

Sec. 767. If upon an examination of the envelope containing an absent voter's ballot or ballots, it is determined that the signature on the envelope does not agree sufficiently with the signature on the registration card or the digitized signature contained in the qualified voter file as provided under section 766 so as to identify the voter or if the board shall have knowledge that the person voting the ballot or ballots has died, or if it is determined by a majority of the board that such vote is illegal for any other reason, then such vote shall be rejected, and thereupon some member of the board shall, without opening the envelope, mark across the face of such envelope, "rejected as illegal", and the reason therefor. The statement shall be initialed by the chairman of the board of election inspectors. Said envelope and the ballot or ballots contained therein shall be returned to the city, township or village clerk and retained and preserved in the manner now provided by law for the retention and preservation of official ballots voted at such election.
