Pastor Steve Young of Sparta United Methodist Church of Sparta offered the following invocation:

Lord God, we do come into Your presence now, knowing that You are already present with us—always here and hereafter. Help us to be present with You always. Remove our anxieties at whatever levels by the realization of Your intimate love and sacrificial mercy for us all.

We do thank You for Your many gifts to us, for our home and homeland, for family and friends, all of whom we place into Your care and protection now. We thank You for the gift of life, even the life we see springing up around us in this new season, resurrected by Your creative power. Help us to spring to life as well, ready to do Your will this day in this session. There is much to be done for You, particularly by this body, who serve You in serving others. Thank You for this opportunity of public service and for each one here, ordinary people who have responded in extraordinary ways to this high calling of caring about and caring for others through legislative functions, in corporate and corporeal representation of others. There are many, so many, to be cared for, even in this great state alone; so many issues and so many sides to each of those issues. There are questions about the future today, concerns about the present, and remembrance of the past, good recollections of jobs well done, for which we are thankful, but are mixed with bad and ugly memories of things that have gone wrong on a personal level and in our society, even as we remember this April 20, the anniversaries of the Oklahoma City bombing, the Waco, Texas, incident, and the slaughter of innocence at Columbine High School.

Out of these thoughts, help us resolve to do whatever we can inside and outside these walls to make this world, Your world, a better place. Out of the complexities of events like these, help us to see that the issues in this day, each of which involves the lives of Your children in some way, somewhere are not so everyday, not just routine, and not mundanely business as usual. In fact, it's Your business we want to be about.

So I pray now for the women and men of this body. I also pray for myself, renewed vision and heart and spirit for the job at hand, and our particular service to humanity this day. Indeed give us strength because it can all be so overwhelming—the needs, the concerns, the choices—such that we cannot do it on our own with our human capacities and preacherly limitations.

There are many great people in this room, Lord, but we all need Your greater power, even when we work together, which Lord, You know far too many times is only in a near miracle from You. If and when we work together, Lord, we still fall short. God, we need each other and we so need You. That's basically what we have to say in this prayer, this petition; help us to cooperate with one another and with You, because in the end, finally and remarkably, You need us somehow to accomplish Your will as we become Your faithful people. However, we embody that faith in all that we do and say and who we are as Your humble people.

Bless us, Lord, by Your grace alone to become a blessing with others by our side and with You on our side, now and forever more. In Your blessed and holy name, we pray. Amen.

The President, Lieutenant Governor Cherry, led the members of the Senate in recital of the *Pledge of Allegiance*.

Bureau of State Lottery

March 2004

Fiscal 2003 proved to be yet another exciting year for the Michigan Lottery with two new game introductions and lots of top-prize winners! Winning wasn't limited to just top-prize winners in fiscal 2003 though. This past year everyone was a winner with the Michigan Lottery:

- Statewide ticket sales of **\$1.68 billion**;
- More than **\$586 million** transferred to the state School Aid Fund;
- Over **\$121 million** in retailer commissions; and
- More than **\$919 million** in prizes to Michigan Lottery players.

While we are proud of our financial achievements, what has been most rewarding in our 31 years of existence is our long history of support for Michigan's schoolchildren. Since 1981, all Michigan Lottery revenue has been transferred specifically to the state School Aid Fund; this year, the tally of over \$586 million brought to more than \$11.62 billion the total contributions to education since the Lottery's inception in 1972. For every dollar spent on Michigan Lottery tickets, an average of 35 to 38 cents per dollar goes to support public education in the state of Michigan. That's a commitment to education of which we can all be proud.

Please find enclosed the FY 2003 Michigan Lottery annual report. We're proud to share the highlights of another successful year!

Sincerely,
Gary C. Peters
Lottery Commissioner

The following message from the Governor was received on April 15, 2004, and read:

**EXECUTIVE ORDER

Livestock Facilities and Operations**

Executive Reorganization

WHEREAS, Section 1 of Article V of the Michigan Constitution of 1963 vests the executive power of the State of Michigan in the Governor;

WHEREAS, Section 2 of Article V of the Michigan Constitution of 1963 empowers the Governor to make changes in the organization of the Executive Branch or in the assignment of functions among its units that the Governor considers necessary for efficient administration;

WHEREAS, facilities and operations for captive cervidae including deer, elk, moose, and reindeer, can have serious impacts on the state's wildlife population and the agricultural industry;

WHEREAS, unlike domestic livestock species, when deer and elk escape from privately-owned cervidae livestock facilities and operations, they are indistinguishable from free-ranging deer and elk, and also pose a potential risk to native animals, such as the transmission of parasites and disease;

WHEREAS, deer and other cervidae are migratory animals often moving substantial distances seasonally, magnifying potential impacts on Michigan's wildlife population;

WHEREAS, Chronic Wasting Disease is an incurable neurological disease of deer and elk that can be spread directly from animal to animal, or indirectly from soil or surface to animal;

WHEREAS, Chronic Wasting Disease was once considered to be a disease limited to small endemic areas of Western United States, but has recently been discovered in more than 15 states and in Canada.

WHEREAS, while the disease has the potential to devastate Michigan's deer and elk population, with state action, and the cooperation of private industry, Michigan can work to prevent Chronic Wasting Disease and other potential problems to maintain a healthy and safe future for Michigan wildlife;

WHEREAS, it is imperative that Michigan remain vigilant and act decisively in adopting measures to protect native deer and elk from Chronic Wasting Disease and reduce vulnerabilities to the spread of the disease;

WHEREAS, in light of the potential impact on Michigan's wildlife population, the Governor's Chronic Wasting Disease Task Force, chaired by Dr. Howard Tanner, has recommended that the licensing, application, registration, and inspection functions for privately-owned cervidae livestock facilities and operations be transferred to the Department of Natural Resources;

WHEREAS, the Governor's Chronic Wasting Disease Task Force has also recommended a complete audit of Michigan's privately-owned cervidae livestock facilities and operations, which under current budgetary conditions can most effectively be performed by the Department of Natural Resources;

WHEREAS, it is necessary in the interests of efficient administration and effectiveness of government to effect changes in the organization of the executive branch of state government;

JUDGES; INCREASE NUMBER OF JUDGESHIPS IN SEVENTEENTH JUDICIAL CIRCUIT INCREASE.

April 7, 2004

Today I have vetoed and return to you Enrolled Senate Bill 788, as provided under Section 33 of Article IV of the Michigan Constitution of 1963. This bill would authorize, with local approval, the creation effective January 1, 2007 of an additional circuit court judgeship in the 17th Judicial Circuit, which includes Kent County.

While the creation of this new judgeship was recommended by the State Court Administrative Office last fall in its biennial review of judicial resources, the Legislature has not yet acted to alleviate insufficient judicial resources in other areas of the state. Given the importance of this issue, I do not intend to support Senate Bill 788 unless legislation addressing the need for additional judicial resources in all areas of this state is on my desk at the same time.

Accordingly, I return Enrolled Senate Bill 788 without signature.

Respectfully,
Jennifer M. Granholm
Governor

This bill was returned from the Governor on April 8, 2004, at 9:58 a.m.

The question being on the passage of the bill, the objections of the Governor to the contrary notwithstanding, Senator Hammerstrom moved that further consideration of the bill be postponed for today.

The motion prevailed.

April 7, 2004

The following message from the Governor was received and read:

ECONOMIC DEVELOPMENT; CREATE MANUFACTURING CZAR

April 12, 2004

There you go again.

On January 9th I vetoed House Bill 5306. The legislature has now presented to me Enrolled Senate Bill 841, which is identical to the bill I vetoed. As we have patiently told the legislature, the state of Michigan already has two appointed "manufacturing czars"—David Hollister of the Department of Labor and Economic Growth and Don Jakeway of the Michigan Economic Development Corporation. The legislature should not waste taxpayer dollars repeatedly passing legislation, knowing it will be vetoed, ordering me to do something that I effectively did long ago. This legislation is an expensive, thinly veiled attempt to score partisan political points. I would hope that the legislature would work with this administration to pass bills that achieve real solutions and relief for the citizens who have lost their manufacturing jobs in Michigan.

Please see the previous veto message, attached.

I return Enrolled Senate Bill 841 without signature.

Respectfully,
Jennifer M. Granholm
Governor

By unanimous consent the Senate proceeded to the order of
Statements

Senator Scott asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Scott's statement is as follows:

Welcome back, colleagues, from our Easter break. It's time to take up the insurance bills. I just want to remind you of that because, as you know, just recently a judge was killed in Detroit and the person and persons who were driving this car took the car, drove it to an area in Detroit, torched the car, and then blamed that they had been hijacked. These are the kinds of things that are going on in the inner city, and until we really do something about insurance, we will continue to have suburbanites and others come into the city of Detroit and blame the city of Detroit for this.

So, again, I ask you to please let's take up these bills, so that we can give those in the inner cities, not only those in Detroit, but in some of the other cities around this state, relief on their insurance. Thank you very much, and welcome back everybody.
