Motions and Resolutions

Reps. Hoogendyk, DeRossett, Sheen, Ehardt, Stahl, Casperson, Milosch, Bradstreet, Wenke, Nofs, Ward, Gaffney, Pastor, Newell, Emmons, Steil, Drolet, Huizenga, DeRoche, Farhat, Palsrok, Stewart, Caul, Moolenaar, Taub, Walker, Van Regenmorter, Amos, Shaffer, Robertson, Richardville, Bieda, Caswell, Garfield, Sheltroun, Acciavatti, Middaugh, Accavitti, Brandenburg, Hummel, Julian, Shulman, Stakoe, Woodward, Meyer, Shackleton, Spade and Lipsey offered the following resolution:

House Resolution No. 9.

A resolution to memorialize the Congress of the United States to enact legislation to provide that all states receive a minimum of 95 percent of transportation funds sent to the federal government.

Whereas, For several decades, Michigan has sent much more federal highway tax money to Washington than it has received in return. This imbalance has helped our nation build the country’s highway infrastructure. With the national infrastructure largely completed, the continuation of the imbalance has created a serious challenge for Michigan and other “donor states”; and

Whereas, Michigan, which typically loses between \$150 million and \$400 million each year by sending more to Washington than it receives, is severely hampered. The unfair practice of contributing hundreds of millions of dollars beyond the amount we receive to fund projects in other parts of the country makes it far more difficult for Michigan to maintain the quality of its highways. The loss of funding also represents a serious loss of economic activity; and

Whereas, The chairman of the House Transportation and Infrastructure Committee in Congress has proposed a major change in how federal highway funds are distributed. United States Representative Don Young has called for a funding formula that would guarantee that all states receive a minimum of 95 percent of what they each contribute to the federal highway program; and

Whereas, The potential impact for Michigan of a guarantee of at least 95 percent of this funding would be very significant. Michigan’s annual return of federal highway money would likely increase from approximately \$825 million to more than \$1.2 billion. Citizens, visitors, and businesses of this state would benefit enormously from this long overdue policy; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the Congress of the United States to enact legislation to provide that all states receive a minimum of 95 percent of transportation funds sent to the federal government; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Transportation.

Reps. Brandenburg, LaJoy, Amos, Casperson, Sheen, Kratz, Steil, Milosch, Moolenaar, Stahl, Caswell, Shaffer, Robertson, Newell, Hummel, Tabor, Ruth Johnson, Vander Veen, Bieda, Garfield, Pastor, Richardville, Sheltroun, Taub, Acciavatti, Middaugh, Accavitti, DeRossett, Julian, Palmer, Rocca, Shulman, Stakoe, Woodward, Meyer and Shackleton offered the following resolution:

House Resolution No. 10.

A resolution to memorialize the Congress of the United States to enact legislation to authorize States to enact laws prohibiting or limiting the receipt and disposal of municipal solid waste generated out-of-state.

Whereas, In 1992, the United States Supreme Court, in Fort Gratiot Sanitary Landfill v. Michigan Department of Natural Resources, ruled that states could not regulate or ban the importation of solid waste because Congress has the

ultimate authority to regulate interstate commerce. Since that time, Michigan has become the dumping ground for increasing amounts of solid waste from out of our state and our country; and

Whereas, Michigan is the third-largest importer of solid waste in the country. Approximately 15 percent of all trash in Michigan landfills now originates outside of Michigan. The amounts have increased significantly in the past several years, and recent reports of a major contract with Ontario and of the closing of the nation's largest landfill in New York seem to indicate this issue will loom larger in the future; and

Whereas, An agreement between the city of Vaughan, Ontario, and Carleton Farms in Wayne County's Sumpter Township will thrust Michigan into being the second-largest importer of solid waste in the country next year, as Michigan will be accepting a large majority of the city of Toronto's municipal solid waste.

Whereas, Accepting unlimited volumes of trash from outside our state has serious long-term consequences. Long after the money from the contracts has been spent, a potential environmental threat continues, as does an obligation to monitor disposal sites to protect water and public health from toxic releases. Clearly, any state accepting these long-term risks should be able to regulate the creation of that risk, regardless of where it originates; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the Congress of the United States to enact legislation to give states the authority to regulate importation of out-of-state solid waste; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Land Use and Environment.

By unanimous consent the House considered **House Concurrent Resolution No. 5** out of numerical order.

Reps. Hoogendyk, DeRossett, Sheen, Stahl, Nofs, Ward, Gaffney, Pastor, Newell, Casperson, Emmons, Steil, Garfield, Drolet, Huizenga, DeRoche, Farhat, Palsrok, Stewart, Caul, Milosch, Moolenaar, Taub, Van Regenmorter, Amos, Shaffer, Robertson, Richardville, Bieda, Caswell, Sheltrown, Acciavatti, Middaugh, Accavitti, Brandenburg, Hummel, Julian, Shulman, Stakoe, Wenke, Woodward, Meyer, Shackleton, Spade and Lipsey offered the following concurrent resolution:

House Concurrent Resolution No. 5.

A concurrent resolution to memorialize the Congress of the United States to enact legislation to provide that all states receive a minimum of 95 percent of transportation funds sent to the federal government.

Whereas, For several decades, Michigan has sent much more federal highway tax money to Washington than it has received in return. Resolved by the House of Representatives (the Senate concurring), That we memorialize the Congress of the United States to enact legislation to provide that all states receive a minimum of 95 percent of transportation funds sent to the federal government; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The concurrent resolution was referred to the Committee on Transportation.
