28.176 DNA identification profile; retention; requirements; disposal of sample or profile; good-faith error; disposal of physical evidence or data obtained from sample; notice.

Sec. 6. (1) Except as otherwise provided in this section, the department shall permanently retain a DNA identification profile of an individual obtained from a sample in the manner prescribed by the department under this act if any of the following apply:

(a) The individual is arrested for committing or attempting to commit a felony offense or an offense that would be a felony offense if committed by an adult.

(b) The individual is convicted of or found responsible for a felony or attempted felony, or any of the following misdemeanors, or local ordinances that are substantially corresponding to the following misdemeanors:

(i) A violation of section 167(1)(c), (f), or (i) of the Michigan penal code, 1931 PA 328, MCL 750.167, disorderly person by window peeping, engaging in indecent or obscene conduct in public, or loitering in a house of ill fame or prostitution.

(b) In a judicial proceeding as authorized or required by a court.

(c) To a defendant in a criminal case if the DNA identification profile is used in conjunction with a charge against the defendant.

(d) For an academic, research, statistical analysis, or protocol developmental purpose only if personal identifications are removed.

(3) Notwithstanding subsection (1), if at the time the individual is arrested, convicted of, or found responsible for the violation the investigating law enforcement agency or the department already has a sample from the individual that meets the requirements of this act, the individual is not required to provide another sample or pay the assessment required under subsection (5).

(4) The county sheriff or the investigating law enforcement agency as ordered by the court shall provide for collecting the samples required to be provided under subsection (1) in a medically approved manner by qualified persons using supplies provided by the department and shall forward those samples and any samples described in subsection (1) that were already in the agency's possession to the department after the individual from whom the sample was taken has been arraigned in the district court. However, the individual's DNA sample must not be forwarded to the department if the individual is not charged with committing or attempting to commit a felony offense or an offense that would be a felony if committed by an adult. If the individual's DNA sample is forwarded to the department despite the individual not having been charged as described in this subsection, the law enforcement agency shall notify the department to destroy that sample. The collecting and forwarding of samples must be done in the manner required under this act. A sample must be collected by the county sheriff or the investigating law enforcement agency after arrest but before sentencing or disposition as ordered by the court and promptly transmitted to the department of state police after the individual is charged with committing or attempting to commit a felony offense or an offense that would be a felony if committed by an adult. (a) That, except as otherwise provided by law, the individual's DNA sample or DNA identification profile, or both, shall be destroyed or expunged, as appropriate, if the charge for which the sample was obtained has been dismissed or resulted in acquittal, or no charge was filed within the limitations period.

(b) That the individual's DNA sample or DNA identification profile, or both, will not be destroyed or expunged, as appropriate, if the department determines that the individual from whom the sample is taken is

otherwise obligated to submit a sample or if it is evidence relating to another individual that would otherwise be retained under this section.

(c) That the burden is on the arresting law enforcement agency and the prosecution to request the destruction or expunction of a DNA sample or DNA identification profile as required under this section, not on the individual.

(5) The court shall order each individual found responsible for or convicted of 1 or more crimes listed in subsection (1) to pay an assessment of \$60.00. The assessment required under this subsection is in addition to any fine, costs, or other assessments imposed by the court.

(6) An assessment required under subsection (5) must be ordered on the record and must be listed separately in the adjudication order, judgment of sentence, or order of probation.

(7) After reviewing a verified petition by an individual against whom an assessment is imposed under subsection (5), the court may suspend payment of all or part of the assessment if it determines the individual is unable to pay the assessment.

(8) The court that imposes the assessment prescribed under subsection (5) may retain 10% of all assessments or portions of assessments collected for costs incurred under this section and shall transmit that money to its funding unit. On the last day of each month, the clerk of the court shall transmit the assessments or portions of assessments collected under this section as follows:

(a) Twenty-five percent to the county sheriff or other investigating law enforcement agency that collected the DNA sample as designated by the court to defray the costs of collecting DNA samples.

(b) Sixty-five percent to the state treasurer for deposit in the justice system fund created in section 181 of the revised judicature act of 1961, 1961 PA 236, MCL 600.181.

(9) If a sample was collected under subsection (1) from an individual who does not have more than 1 conviction, and that conviction was reversed by an appellate court, the sentencing court shall order the disposal of the sample collected and DNA identification profile record for that conviction in the manner provided in subsections (12) and (13).

(10) Any other DNA identification profile obtained by the department must not be permanently retained by the department but must be retained only as long as it is needed for a criminal investigation or criminal prosecution. Except as provided in subsection (11), the state police forensic laboratory shall dispose of a DNA sample collected under subsection (1) or a DNA identification profile, or both, if any of the following circumstances occur:

(a) The department receives a written request for disposal from the investigating police agency or prosecutor indicating that the sample or profile is no longer necessary for a criminal investigation or criminal prosecution.

(b) The department receives a written request for disposal and a certified copy of a final court order establishing that the charge for which the sample was obtained has been dismissed or has resulted in an acquittal or that no charge was filed within the applicable limitations period.

(11) Subsection (10) does not apply if either of the following circumstances exists:

(a) The department determines that the individual from whom the sample is taken has otherwise become obligated to submit a sample.

(b) Subsection (15) applies.

(12) The state police forensic laboratory shall dispose of a sample and a DNA identification profile record in the following manner:

(a) Not more than 60 days after the department receives notice under subsection (10), the laboratory shall dispose of the sample in compliance with section 13811 of the public health code, 1978 PA 368, MCL 333.13811.

(b) The laboratory shall dispose of the sample and the DNA identification profile record in the presence of a witness.

(13) After disposal in accordance with subsection (12), the laboratory shall make and keep a written record of the disposal, signed by the individual who witnessed the disposal.

(14) An identification, warrant, detention, probable cause to arrest, arrest, or conviction based upon a DNA match or DNA information is not invalidated if it is later determined that 1 or more of the following errors occurred in good faith:

(a) A DNA sample was erroneously obtained.

(b) A DNA identification profile was erroneously retained.

(c) A DNA sample was not disposed of or there was a delay in disposing of the sample.

(d) A DNA identification profile was not disposed of or there was a delay in disposing of the profile.

(15) Notwithstanding any other provision of this act, the department is not required to dispose of physical evidence or data obtained from a sample if evidence relating to an individual other than the individual from

whom the sample was taken would be destroyed and the evidence or data relating to the other individual would otherwise be retained under this section.

(16) The department shall send written notice to the requesting law enforcement agency, court, or prosecutor when the individual's DNA sample or DNA identification profile has been destroyed under this act.

Sec. 6. (1) Except as otherwise provided in this section, the department shall permanently retain a DNA identification profile of an individual obtained from a sample in the manner prescribed by the department under this act if any of the following apply:

(a) The individual is arrested for committing or attempting to commit a felony offense or an offense that would be a felony offense if committed by an adult.

(b) The individual is convicted of or found responsible for a felony or attempted felony, or any of the following misdemeanors, or local ordinances that are substantially corresponding to the following misdemeanors:

(i) A violation of section 167(1)(c), (f), or (i) of the Michigan penal code, 1931 PA 328, MCL 750.167, disorderly person by window peeping, engaging in indecent or obscene conduct in public, or loitering in a house of ill fame or prostitution.

(ii) A violation of section 335a(1) of the Michigan penal code, 1931 PA 328, MCL 750.335a, indecent exposure.

(iii) A violation punishable under section 451(1) or (2) of the Michigan penal code, 1931 PA 328, MCL 750.451, first and second prostitution violations.

(iv) A violation of section 454 of the Michigan penal code, 1931 PA 328, MCL 750.454, leasing a house for purposes of prostitution.

(2) The DNA identification profiles of DNA samples received under this act must only be disclosed as follows:

(a) To a criminal justice agency for law enforcement identification purposes.

(b) In a judicial proceeding as authorized or required by a court.

(c) To a defendant in a criminal case if the DNA identification profile is used in conjunction with a charge against the defendant.

(d) For an academic, research, statistical analysis, or protocol developmental purpose only if personal identifications are removed.

(3) Notwithstanding subsection (1), if at the time the individual is arrested, convicted of, or found responsible for the violation the investigating law enforcement agency or the department already has a sample from the individual that meets the requirements of this act, the individual is not required to provide another sample or pay the assessment required under subsection (5).

(4) The county sheriff or the investigating law enforcement agency as ordered by the court shall provide for collecting the samples required to be provided under subsection (1) in a medically approved manner by qualified persons using supplies provided by the department and shall forward those samples and any samples described in subsection (1) that were already in the agency's possession to the department after the individual from whom the sample was taken has been arraigned in the district court. However, the individual's DNA sample must not be forwarded to the department if the individual is not charged with committing or attempting to commit a felony offense or an offense that would be a felony if committed by an adult. If the individual's DNA sample is forwarded to the department despite the individual not having been charged as described in this subsection, the law enforcement agency shall notify the department to destroy that sample. The collecting and forwarding of samples must be done in the manner required under this act. A sample must be collected by the county sheriff or the investigating law enforcement agency after arrest but before sentencing or disposition as ordered by the court and promptly transmitted to the department of state police after the individual is charged with committing or attempting to commit a felony offense or an offense that would be a felony if committed by an adult. This subsection does not preclude a law enforcement agency or state agency from obtaining a sample at or after sentencing or disposition. At the time a DNA sample is taken

from an individual under this section, the individual must be notified in writing of all of the following:

(a) That, except as otherwise provided by law, the individual's DNA sample or DNA identification profile, or both, must be destroyed or expunged, as appropriate, if the charge for which the sample was obtained has been dismissed or resulted in acquittal, or no charge was filed within the limitations period.

(b) That the individual's DNA sample or DNA identification profile, or both, will not be destroyed or expunged, as appropriate, if the department determines that the individual from whom the sample is taken is otherwise obligated to submit a sample or if it is evidence relating to another individual that would otherwise be retained under this section.

(c) That the burden is on the arresting law enforcement agency and the prosecution to request the destruction or expunction of a DNA sample or DNA identification profile as required under this section, not on the individual.

(5) The court shall order each individual found responsible for or convicted of 1 or more crimes listed in subsection (1) to pay an assessment of \$60.00. The assessment required under this subsection is in addition to any fine, costs, or other assessments imposed by the court. This subsection does not apply to a juvenile, or a parent, guardian, or legal custodian of a juvenile, within the jurisdiction of the court under section 2 of chapter XIA of the probate code of 1939, 1939 PA 288, MCL 712A.2.

(6) An assessment required under subsection (5) must be ordered on the record and must be listed separately in the adjudication order, judgment of sentence, or order of probation.

(7) After reviewing a verified petition by an individual against whom an assessment is imposed under subsection (5), the court may suspend payment of all or part of the assessment if it determines the individual is unable to pay the assessment.

(8) The court that imposes the assessment prescribed under subsection (5) may retain 10% of all assessments or portions of assessments collected for costs incurred under this section and shall transmit that money to its funding unit. On the last day of each month, the clerk of the court shall transmit the assessments or portions of assessments collected under this section as follows:

(a) Twenty-five percent to the county sheriff or other investigating law enforcement agency that collected the DNA sample as designated by the court to defray the costs of collecting DNA samples.

(b) Sixty-five percent to the state treasurer for deposit in the justice system fund created in section 181 of the revised judicature act of 1961, 1961 PA 236, MCL 600.181.

(9) If a sample was collected under subsection (1) from an individual who does not have more than 1 conviction, and that conviction was reversed by an appellate court, the sentencing court shall order the disposal of the sample collected and DNA identification profile record for that conviction in the manner provided in subsections (12) and (13).

(10) Any other DNA identification profile obtained by the department must not be permanently retained by the department but must be retained only as long as it is needed for a criminal investigation or criminal prosecution. Except as provided in subsection (11), the state police forensic laboratory shall dispose of a DNA sample collected under subsection (1) or a DNA identification profile, or both, if any of the following circumstances occur:

(a) The department receives a written request for disposal from the investigating police agency or prosecutor indicating that the sample or profile is no longer necessary for a criminal investigation or criminal prosecution.

(b) The department receives a written request for disposal and a certified copy of a final court order establishing that the charge for which the sample was obtained has been dismissed or has resulted in an acquittal or that no charge was filed within the applicable limitations period.

(11) Subsection (10) does not apply if either of the following circumstances exists:

(a) The department determines that the individual from whom the sample is taken has otherwise become obligated to submit a sample.

(b) Subsection (15) applies.

(12) The state police forensic laboratory shall dispose of a sample and a DNA identification profile record in the following manner:

(a) Not more than 60 days after the department receives notice under subsection (10), the laboratory shall dispose of the sample in compliance with section 13811 of the public health code, 1978 PA 368, MCL 333.13811.

(b) The laboratory shall dispose of the sample and the DNA identification profile record in the presence of a witness.

(13) After disposal in accordance with subsection (12), the laboratory shall make and keep a written record of the disposal, signed by the individual who witnessed the disposal.

(14) An identification, warrant, detention, probable cause to arrest, arrest, or conviction based upon a DNA

match or DNA information is not invalidated if it is later determined that 1 or more of the following errors occurred in good faith:

- (a) A DNA sample was erroneously obtained.
- (b) A DNA identification profile was erroneously retained.
- (c) A DNA sample was not disposed of or there was a delay in disposing of the sample.
- (d) A DNA identification profile was not disposed of or there was a delay in disposing of the profile.

(15) Notwithstanding any other provision of this act, the department is not required to dispose of physical evidence or data obtained from a sample if evidence relating to an individual other than the individual from whom the sample was taken would be destroyed and the evidence or data relating to the other individual would otherwise be retained under this section.

(16) The department shall send written notice to the requesting law enforcement agency, court, or prosecutor when the individual's DNA sample or DNA identification profile has been destroyed under this act.

(g) An individual who presents both of the following:

(i) A homeless verification letter that states that the individual meets the definition of category 1 homeless as that term is defined by the United States Department of Housing and Urban Development. A letter provided as evidence under this subparagraph must be submitted on the official letterhead of a public service agency. The secretary of state may verify the information contained in the letter with the agency of issuance before issuing an official state personal identification card.

(22) A valid official state personal identification card presented by the individual to whom the card is issued is considered the same as a valid state of Michigan driver license when identification is requested except as otherwise specifically provided by law.

The fee for a duplicate official state personal identification card is \$10.00. A renewal fee must not be charged for a change of address, a correction required to correct a department error, or to add or remove a heart insignia described in subsection (1)(d).

(25) Except with regard to an individual who is less than 21 years of age, for each duplicate official state personal identification card, and for each correction of an official state personal identification card, beginning July 1, 2021, an individual shall apply for renewal of the official state personal identification card and pay the renewal fee prescribed in this act if the official state personal identification card was due to expire within the next 12 months. Except as otherwise provided in this act, an official state personal identification card renewed under this subsection or subsection (24) must be renewed for the combined period of the time remaining on the official state personal identification card before its renewal and the 4-year renewal period.

(26) Notwithstanding subsection (13), an official state personal identification card that expires on or after March 1, 2020 is considered valid until March 31, 2021. Notwithstanding subsection (13), an official state personal identification card that expires after March 31, 2021 but before August 1, 2021 is considered valid until 120 days after the date of the expiration. If the secretary of state receives an application to renew an official state personal identification card that expires on or after March 1, 2020 before March 31, 2021, the secretary of state shall process the application as a renewal of an existing official state personal identification card. A license is void unless used within 30 days after the date it is issued.

(5) If an individual purchases or otherwise acquires a firearm, the seller shall fill out the license forms describing the firearm, together with the date of sale or acquisition, and sign the seller's name in ink indicating that the firearm was sold to or otherwise acquired by the purchaser. The purchaser shall also sign the purchaser's name in ink indicating the purchase or other acquisition of the firearm from the seller. The seller may retain a copy of the license as a record of the transaction, shall provide a copy of the license to the purchaser, and, if the firearm is a pistol, shall return 1 copy of the license to the licensing authority not later than 10 days after the date the pistol is purchased or acquired. The seller shall return the copy to the licensing authority in person or by first-class mail or certified mail sent in the 10-day period to the proper address of the licensing authority. A seller who fails to comply with the requirements of this subsection is responsible for a state civil infraction and may be fined not more than \$250.00. If a seller is found responsible for a state civil infraction under this subsection, the court shall notify the department of state police of that determination.

(6) Not later than 10 days after receiving the license copy for a pistol returned under subsection (5), the licensing authority shall electronically enter the information into the pistol entry database as required by the department of state police if the licensing authority has the ability to electronically enter that information. If the licensing authority does not have that ability, the licensing authority shall provide that information to the department of state police in a manner otherwise required by the department of state police. Any licensing authority that provided pistol descriptions to the department of state police under former section 9 of this act shall continue to provide pistol descriptions to the department of state police under this subsection. Not later than 48 hours after entering or otherwise providing the information on the license copy returned under subsection (5) to the department of state police, the licensing authority shall forward the copy of the license to

the department of state police. The purchaser may obtain a copy of the information placed in the pistol entry database under this subsection to verify the accuracy of that information. The licensing authority may charge a fee not to exceed \$1.00 for the cost of providing the copy. The licensee may carry, use, possess, and transport the pistol for 30 days beginning on the date of purchase or acquisition only while the licensee is in possession of a copy of the license. However, the licensee is not required to have the license in the licensee's possession while carrying, using, possessing, or transporting the pistol after this period.

(7) This section does not apply to the purchase of firearms from wholesalers by dealers regularly engaged in the business of selling firearms at retail, or to the sale, barter, or exchange of firearms kept as relics or curios not made for modern ammunition or permanently deactivated.

(8) This section does not prevent the transfer of ownership of pistols to an heir or devisee, whether by testamentary bequest or by the laws of intestacy regardless of whether the pistol is entered into the pistol entry database. An individual who has inherited a firearm shall obtain a license as required in this section not later than 30 days after taking physical possession of the firearm. The license may be signed by a next of kin of the decedent or the person authorized to dispose of property under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, including when the next of kin is the individual inheriting the firearm. If the heir or devisee is not qualified for a license under this section, the heir or devisee may direct the next of kin or person authorized to dispose of property under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, to dispose of the firearm in any manner that is lawful and the heir or devisee considers appropriate. The person authorized to dispose of property under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, is not required to obtain a license under this section if the person takes temporary lawful possession of the firearm in the process of disposing of the firearm pursuant to the decedent's testamentary bequest or the laws of intestacy. A law enforcement agency may not seize or confiscate a firearm being transferred by testamentary bequest or the laws of intestacy unless the heir or devisee does not qualify for obtaining a license under this section and the next of kin or person authorized to dispose of property under the estates and protected individuals code, 1998 PA 386, MCL 700.1101 to 700.8206, is unable to retain temporary possession of the firearm or find alternative lawful storage. If a law enforcement agency seizes or confiscates a firearm under this subsection, the heir or devisee who is not qualified to obtain a license under this section retains ownership interest in the firearm and, not later than 30 days after being notified of the seizure or confiscation, may file with a court of competent jurisdiction to direct the law enforcement agency to lawfully transfer or otherwise dispose of the firearm. The seizing entity or its agents shall not destroy, sell, or use a firearm seized under this subsection until 30 days have passed since the heir or devisee has been notified of the seizure and no legal action regarding the lawful possession or ownership of the seized firearm has been filed in any court and is pending. As used in this subsection:

(a) "Devisee" means that term as defined in section 1103 of the estates and protected individuals code, 1998 PA 386, MCL 700.1103.

(b) "Heir" means that term as defined in section 1104 of the estates and protected individuals code, 1998 PA 386, MCL 700.1104.

(9) An individual who is not a resident of this state is not required to obtain a license under this section if all of the following conditions apply:

(a) The individual is licensed in the individual's state of residence to purchase, carry, or transport a pistol.

(b) The individual is in possession of the license described in subdivision (a).

(c) The individual is the owner of the pistol the individual possesses, carries, or transports.

(d) The individual possesses the pistol for a lawful purpose.

(e) The individual is in this state for a period of 180 days or less and does not intend to establish residency in this state.

(10) An individual who is a nonresident of this state shall present the license described in subsection (9)(a) upon the demand of a police officer. An individual who violates this subsection is guilty of a misdemeanor punishable by imprisonment for not more than 90 days or a fine of not more than \$100.00, or both.

(11) The licensing authority may require an individual claiming active duty status with the Armed Forces of the United States to provide proof of 1 or both of the following:

(a) The individual's home of record.

(b) Permanent active duty assignment in this state.

(12) This section does not apply to an individual who is younger than the age required under subsection (3)(b) and who possesses a pistol if 1 of the following conditions applies:

(a) The individual is not otherwise prohibited from possessing that pistol and all of the following apply:

(i) The individual is at a recognized target range.

(ii) The individual possesses the pistol for the purpose of target practice or instruction in the safe use of a

pistol.

(iii) The individual is in the physical presence and under the direct supervision of any of the following:

(A) The individual's parent.

(B) The individual's guardian.

(C) An individual who is 21 years of age or older, who is authorized by the individual's parent or guardian, and who has successfully completed a pistol safety training course or class that meets the requirements of section 5j(1)(a), (b), or (d), and received a certificate of completion.

(iv) The owner of the pistol is physically present.

(b) The individual is not otherwise prohibited from possessing that pistol, the individual possesses the pistol for the purpose of hunting, and the individual is in compliance with all applicable hunting laws.

(13) This section does not apply to an individual who possesses a pistol if all of the following conditions apply:

(a) The individual is not otherwise prohibited from possessing a pistol.

(b) The individual is at a recognized target range or shooting facility.

(c) The individual possesses the pistol for the purpose of target practice or instruction in the safe use of a pistol.

(d) The owner of the pistol is physically present and supervising the use of the pistol.

(14) A person that forges any matter on an application for a license under this section is guilty of a felony punishable by imprisonment for not more than 4 years or a fine of not more than \$2,000.00, or both.

(15) A licensing authority shall implement this section during all of the licensing authority's normal business hours and shall set hours for implementation that allow an applicant to use the license within the time period set forth in subsection (4).

Any police department or county sheriff that provided pistol descriptions to the department of state police under former section 9 of this act shall continue to provide pistol descriptions to the department of state police under this subsection. Not later than 48 hours after entering or otherwise providing the information on the record copy returned under subsection (2) to the department of state police, the police department or county sheriff shall forward the copy of the record to the department of state police. The purchaser may obtain a copy of the information placed in the pistol entry database under this subsection to verify the accuracy of that information. Sec. 5a. (1) A license to carry a concealed pistol issued by a concealed weapon licensing board before December 1, 2015 is valid and remains in effect until the expiration of that license or as otherwise provided by law.

(2) The county clerk is responsible for all of the following:

(a) Storing and maintaining all records related to issuing a license or notice of statutory disqualification in that county.

(b) Issuing licenses to carry a concealed pistol.

(c) Issuing notices of statutory disqualification, notices of suspensions, and notices of revocations.

(3) The department of state police shall verify under section 5b(6) whether an applicant for a license to carry a concealed pistol is eligible to receive a license to carry a concealed pistol.

(4) A county clerk shall issue an emergency license to carry a concealed pistol to an individual if the individual has obtained a personal protection order issued under section 2950 or 2950a of the revised judicature act of 1961, 1961 PA 236, MCL 600.2950 and 600.2950a, or to that individual if a county sheriff determines that there is clear and convincing evidence to believe the safety of the individual or the safety of a member of the individual's family or household is endangered by the individual's inability to immediately obtain a license to carry a concealed pistol. Clear and convincing evidence includes, but is not limited to, an application for a personal protection order, police reports and other law enforcement records, or written, audio, or visual evidence of threats to the individual or member of the individual's family or household. A county clerk shall only issue an emergency license to carry a concealed pistol to an individual who has obtained a personal protection order if the individual is eligible under section 5b(7)(d), (e), (f), (h), (i), (j), (k), and (m) to receive a license based on a criminal record check through the law enforcement information network conducted by the department of state police. An emergency license must be on a form provided by the department of state police. An individual who applies for an emergency license shall, within 10 business days after applying for an emergency license, complete a pistol training course under section 5j and apply for a license under section 5b. If an individual who applies for an emergency license does not complete a pistol training course under section 5j and apply for a license under section 5b within 10 business days after applying for an emergency license, that individual's emergency license is no longer valid. A county sheriff who makes a determination under this section, performs a criminal record check, and takes the applicant's fingerprints may charge a fee not to exceed \$15.00. Except as otherwise provided in this act, an emergency license is, for all other purposes of this act, a license to carry a concealed pistol. The county clerk shall include an indication on the license if an individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o if the applicant provides acceptable proof that

he or she qualifies for that exemption. An individual shall not obtain more than 1 emergency license in any 5-year period. An individual who fails to surrender a license as required by this subsection after he or she is notified of a statutory disqualification is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

The applicant shall file the application with the county clerk in the county in which the applicant resides during the county clerk's normal business hours. The application must be on a form provided by the director of the department of state police and allow the applicant to designate whether the applicant seeks an emergency license. The applicant shall sign the application under oath. The county clerk or the county clerk's representative shall administer the oath. An application under this subsection is not considered complete until an applicant submits all of the required information and fees and has fingerprints taken under subsection (9). An application under this subsection is considered withdrawn if an applicant does not have fingerprints taken under subsection (9) within 45 days after the date an application is filed under this subsection. A completed application and all receipts issued under this section expire 1 year after the date of application. The county clerk shall issue the applicant a receipt for the applicant's application at the time the application is submitted containing the name of the applicant, the applicant's state-issued driver license or personal identification card number, the date and time the receipt is issued, the amount paid, the name of the county in which the receipt is issued, an impression of the county seal, and the statement, "This receipt was issued for the purpose of applying for a concealed pistol license and for obtaining fingerprints related to that application. This receipt does not authorize an individual to carry a concealed pistol in this state.". The application must contain all of the following:

(i) Any felony.

(ii) A misdemeanor listed under subsection (7)(h) if the applicant was convicted of that misdemeanor in the 8 years immediately preceding the date of the application, or a misdemeanor listed under subsection (7)(i) if the applicant was convicted of that misdemeanor in the 3 years immediately preceding the date of the application.

(h) A certificate stating that the applicant has completed the training course prescribed by this act.

(2) The county clerk shall not require the applicant to submit any additional forms, documents, letters, or other evidence of eligibility for obtaining a license to carry a concealed pistol except as set forth in subsection (1) or as otherwise provided for in this act. The application form must contain a conspicuous warning that the application is executed under oath and that intentionally making a material false statement on the application is a felony punishable by imprisonment for not more than 4 years or a fine of not more than \$2,500.00, or both.

(3) An individual who intentionally makes a material false statement on an application under subsection (1) is guilty of a felony punishable by imprisonment for not more than 4 years or a fine of not more than \$2,500.00, or both.

(5) Each applicant shall pay a nonrefundable application and licensing fee of \$100.00 by any method of payment accepted by that county for payments of other fees and penalties. Except as provided in subsection (9), no other charge, fee, cost, or assessment, including any local charge, fee, cost, or assessment, is required of the applicant except as specifically authorized in this act. The applicant shall pay the application and licensing fee to the county. The county treasurer shall deposit \$26.00 of each application and licensing fee collected under this section in the concealed pistol licensing fund of that county created in section 5x. The county treasurer shall forward the balance remaining to the state treasurer. The state treasurer shall deposit the balance of the fee in the general fund to the credit of the department of state police. The department of state police shall use the money received under this act to process the fingerprints and to reimburse the Federal Bureau of Investigation for the costs associated with processing fingerprints submitted under this act. The balance of the money received under this act must be credited to the department of state police.

(6) The department of state police shall verify the requirements of subsection (7)(d), (e), (f), (h), (i), (j), (k), and (m) through the law enforcement information network and the national instant criminal background check system and shall report to the county clerk all statutory disqualifications, if any, under this act that apply to an applicant.

If the applicant holds a valid concealed pistol license issued by another state at the time the applicant's residency in this state is established, the county clerk shall waive the 6-month residency requirement and the applicant may apply for a concealed pistol license at the time the applicant's residency in this state is established. For purposes of this act, information of the court order or conviction must not be removed from the law enforcement information network, but may be moved to a separate file intended for the use of the department of state police, the courts, and other government entities as necessary and exclusively to determine eligibility to be licensed under this act.

(9) An individual, after submitting an application and paying the fee prescribed under subsection (5), shall request that classifiable fingerprints be taken by a county clerk, the department of state police, a county sheriff, a local police agency, or other entity, if the county clerk, department of state police, county sheriff, local police agency, or other entity provides fingerprinting capability for the purposes of this act. An individual who has had classifiable fingerprints taken under section 5a(4) does not need additional fingerprints taken under this subsection. If the individual requests that classifiable fingerprints be taken by the county clerk, department of state police, county sheriff, a local police agency, or other entity, the individual shall also pay a fee of \$15.00 by any method of payment accepted for payments of other fees and penalties. A county clerk shall deposit any fee it accepts under this subsection in the concealed pistol licensing fund of that county created in section 5x. The county clerk, department of state police, county sheriff, local police agency, or other entity shall take the fingerprints within 5 business days after the request. County clerks, the department of state police, county sheriffs, local police agencies, and other entities shall provide reasonable access to fingerprinting services during normal business hours as is necessary to comply with the requirements of this act if the county clerk, department of state police, county sheriff, local police agency, or other entity provides fingerprinting capability for the purposes of this act. The entity providing fingerprinting services shall issue the individual a receipt at the time the individual's fingerprints are taken. The county clerk, department of state police, county sheriff, local police agency, or other entity shall not provide a receipt under this subsection unless the individual requesting the fingerprints provides an application receipt received under subsection (1). A receipt under this subsection must contain all of the following:

(a) The name of the individual.

(b) The date and time the receipt is issued.

(c) The amount paid.

(d) The name of the entity providing the fingerprint services.

(e) The individual's state-issued driver license or personal identification card number.

(f) The statement "This receipt was issued for the purpose of applying for a concealed pistol license. As provided in section 5b of 1927 PA 372, MCL 28.425b, if a license or notice of statutory disqualification is not issued within 45 days after the date this receipt was issued, this receipt shall serve as a concealed pistol license for the individual named in the receipt when carried with an official state-issued driver license or personal identification card. The receipt is valid as a license until a license or notice of statutory disqualification is issued by the county clerk. This receipt does not exempt the individual named in the receipt from complying with all applicable laws for the purchase of firearms."

(10) The fingerprints must be taken, under subsection (9), in a manner prescribed by the department of state police. The county clerk, county sheriff, local police agency, or other entity shall immediately forward the fingerprints taken by that entity to the department of state police for comparison with fingerprints already on file with the department of state police. The department of state police shall immediately forward the fingerprints to the Federal Bureau of Investigation. Within 5 business days after completing the verification under subsection (6), the department shall send the county clerk a list of an individual's statutory disqualifications under this act. Except as provided in section 5a(4), the county clerk shall not issue a concealed pistol license until the county clerk receives the report of statutory disqualifications prescribed in this subsection. If an individual's fingerprints are not classifiable, the department of state police shall, at no charge, take the individual's fingerprints again or provide for the comparisons under this subsection to be conducted through alternative means. The county clerk shall not issue a notice of statutory disqualification because an individual's fingerprints are not classifiable by the Federal Bureau of Investigation.

(11) The county clerk shall send by first-class mail a notice of statutory disqualification for a license under this act to an individual if the individual is not qualified under subsection (7) to receive that license.

(12) A license to carry a concealed pistol that is issued based upon an application that contains a material

false statement is void from the date the license is issued.

(13) Subject to subsection (10), the department of state police shall complete the verification required under subsection (6) and the county clerk shall issue a license or a notice of statutory disqualification not later than 45 days after the date the individual has classifiable fingerprints taken under subsection (9). The county clerk shall include an indication on the license if an individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o if the applicant provides acceptable proof that the applicant qualifies for that exemption. If the county clerk receives notice from a county sheriff or chief law enforcement officer that a licensee is no longer a member of a sheriff's posse, an auxiliary officer, or a reserve officer, the county clerk shall notify the licensee that the licensee shall surrender the concealed pistol license indicating that the individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o. The licensee shall, not later than 30 days after receiving notice from the county clerk, surrender the license indicating that the individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o and obtain a replacement license after paying the fee required under subsection (15). If the county clerk issues a notice of statutory disqualification, the county clerk shall, not later than 5 business days after that notice, do all of the following:

(a) Inform the individual in writing of the reasons for the denial or disqualification. Information under this subdivision must include all of the following:

- (i) A statement of each statutory disqualification identified.
- (ii) The source of the record for each statutory disqualification identified.
- (iii) The contact information for the source of the record for each statutory disqualification identified.

(b) Inform the individual in writing of the individual's right to appeal the denial or notice of statutory disqualification to the circuit court as provided in section 5d.

(c) Inform the individual that the individual should contact the source of the record for any statutory disqualification to correct any errors in the record resulting in the statutory disqualification.

(14) If a license or notice of statutory disqualification is not issued under subsection (13) within 45 days after the date the individual has classifiable fingerprints taken under subsection (9), the receipt issued under subsection (9) serves as a concealed pistol license for purposes of this act when carried with a state-issued driver license or personal identification card and is valid until a license or notice of statutory disqualification is issued by the county clerk.

(15) If an individual licensed under this act to carry a concealed pistol moves to a different county within this state, the individual's license remains valid until it expires or is otherwise suspended or revoked under this act. An individual may notify a county clerk that the individual has moved to a different address within this state for the purpose of receiving the notice under section 5l(1). A license to carry a concealed pistol that is lost, stolen, defaced, or replaced for any other reason may be replaced by the issuing county clerk for a replacement fee of \$10.00. A county clerk shall deposit a replacement fee under this subsection in the concealed pistol licensing fund of that county created in section 5x.

(16) If a license issued under this act is suspended or revoked, the license is forfeited and the individual shall return the license to the county clerk forthwith by mail or in person. The county clerk shall retain a suspended or revoked license as an official record 1 year after the expiration of the license, unless the license is reinstated or a new license is issued. The county clerk shall notify the department of state police if a license is suspended or revoked. The department of state police shall enter that suspension or revocation into the law enforcement information network. An individual who fails to return a license as required under this subsection after the individual was notified that the individual's license was suspended or revoked is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

(17) An applicant or an individual licensed under this act to carry a concealed pistol may be furnished a copy of the individual's application under this section upon request and the payment of a reasonable fee not to exceed \$1.00. The county clerk shall deposit any fee collected under this subsection in the concealed pistol licensing fund of that county created in section 5x.

(18) This section does not prohibit the county clerk from making public and distributing to the public at no cost lists of individuals who are certified as qualified instructors as prescribed under section 5j.

(19) A county clerk issuing an initial license or renewal license under this act shall mail the license to the licensee by first-class mail in a sealed envelope. Upon payment of the fee under subsection (15), a county clerk shall issue a replacement license in person at the time of application for a replacement license. A county clerk may also deliver a replacement license by first-class mail if the individual submits to the clerk a written request and a copy of the individual's state-issued driver license or personal identification card.

(20) A county clerk, county sheriff, county prosecuting attorney, police department, or the department of state police is not liable for civil damages as a result of issuing a license under this act to an individual who

later commits a crime or a negligent act.

(21) An individual licensed under this act to carry a concealed pistol may voluntarily surrender that license without explanation. A county clerk shall retain a surrendered license as an official record for 1 year after the license is surrendered. If an individual voluntarily surrenders a license under this subsection, the county clerk shall notify the department of state police. The department of state police shall enter into the law enforcement information network that the license was voluntarily surrendered and the date the license was voluntarily surrendered.

(22) As used in this section:

Sec. 5d. (1) If the county clerk issues a notice of statutory disqualification, fails to provide a receipt that complies with section 5b(1) or 5l(3), or fails to issue a license to carry a concealed pistol as provided in this act, the department of state police fails to provide a receipt that complies with section 5l(3), or the county clerk, department of state police, county sheriff, local police agency, or other entity fails to provide a receipt that complies with section 5b(9), the applicant may appeal the notice of statutory disqualification, the failure

(1) The county clerk in the county in which a license was issued to an individual to carry a concealed pistol shall suspend, revoke, or reinstate a license as required under this act if ordered by a court or if the county clerk is notified by a law enforcement agency, prosecuting official, or court of a change in the licensee's eligibility to carry a concealed pistol under this act.

(2) If a county clerk is notified by a law enforcement agency, prosecuting official, or court that an individual licensed to carry a concealed pistol is charged with a felony or charged with a misdemeanor listed in section 5b(7)(h) or (i), the county clerk shall immediately suspend the individual's license until there is a final disposition of the charge for that offense. If the police agency determines that a serial number has been altered or has been removed or obliterated from the firearm, the police agency shall submit the firearm to the department of state police or a forensic laboratory for serial number verification or restoration to determine legal ownership.

Section 2 of article 5 of the Michigan Constitution of 1963 empowers the governor to make changes in the organization of the executive branch of state government or in the assignment of functions among its units that the governor considers necessary for efficient administration.

28.721a Legislative declarations; determination; intent.

Sec. 1a. The legislature declares that the sex offenders registration act was enacted pursuant to the legislature's exercise of the police power of the state with the intent to better assist law enforcement officers and the people of this state in preventing and protecting against the commission of future criminal sexual acts by convicted sex offenders. The legislature has determined that a person who has been convicted of committing an offense covered by this act poses a potential serious menace and danger to the health, safety, morals, and welfare of the people, and particularly the children, of this state. The registration requirements of this act are intended to provide law enforcement and the people of this state with an appropriate, comprehensive, and effective means to monitor those persons who pose such a potential danger.
