Pastor Brian Henley, Lead Pastor of Bethany Assembly of God in Adrian, offered the following invocation:

“Our Father, bless, we ask You, the leaders of this great state. Strengthen the courage of the representatives assembled – sincere men and women who want to do the right thing, grant them wisdom to know Your ways and enact Your truth. Make it plain to them, O Lord.

We are living in what seems to be a complicated world, we find ourselves navigating all walks of life. Searching for what is best for those that we serve.

You modeled for us how to take complicated truths and simplify them. You saw past the verbal requests of your people and saw their true needs. You saw their hearts and deepest desires for truth. We ask for that wisdom to be upon us today. Help us to love one another. Help us to simplify what is right.

You tell us, ‘We who are strong have an obligation to bear with the failings of the weak, and not to please ourselves. <sup>2</sup> Let each of us please his neighbor for his good, to build him up.’ (Romans 15:1)

Let us not forget the weak and the hurting among us, let us seek the welfare of Your people. We desire to continue to build great communities who prosper and see Your favor. We ask for jobs to be created across our state. We ask prosperity to be upon our businesses, as we become leaders in commerce in our great nation.

We thank You for Your law, which our Founding Fathers acknowledged and recognized as higher than any human law. We thank You for the opportunity that this election year puts before us, to exercise our solemn duty not only to vote, but to influence countless others to vote, and to vote correctly.

Lord, we pray that Your people may be awakened. Let them realize that while politics is not their salvation, their response to You requires that they be politically active.

Guide our election process; bring truth to eyes of man and wisdom to our hearts.

Father, from You wisdom flows, Your will is good and gracious, and Your law is truth: We ask You to guide and bless our Representatives assembled here in Lansing, Michigan on March 2nd, 2016.

Now ‘May the God of endurance and encouragement grant you to live in such harmony with one another.’ (Romans 15: 5)

We ask this through Jesus Christ, our Lord.

Amen.”

The Speaker assumed the Chair.

The motion prevailed.

### Motions and Resolutions

Reps. Price, Cox, Crawford, Driskell, Faris, Greig, Heise, Hooker, Hovey-Wright, Howrylak, Hughes, Kelly, LaVoy, Leutheuser, Maturen, Potvin, Schor and Singh offered the following resolution:

#### **House Resolution No. 232.**

A resolution to declare March 2016 as Reading Month in the state of Michigan.

Whereas, The members of the Michigan House of Representatives are dedicated to providing a quality education to all the children in Michigan; and

Whereas, The citizens of Michigan believe that reading is fundamental to children’s development and education; and

Whereas, Children learn to read until Grade 3 then read to learn thereafter; and

Whereas, Research shows that children who learn to read by 3rd grade have greater success in school; and

Whereas, Reading is essential to everyday life, both inside and outside of the classroom. Reading opens doors and allows children to explore the entire world and beyond. Reading is also a cornerstone to building productive contributing citizens; and

Whereas, We recognize and promote the importance of community and parental involvement in every child’s success in school; and

Whereas, The Michigan House of Representatives is committed to helping Michigan’s children be successful throughout their academic careers; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare March 2016 as Reading Month in the state of Michigan.

The question being on the adoption of the resolution,  
The resolution was adopted.

Reps. Canfield, Faris, Greig, Hughes, LaVoy, Maturen, Potvin and Price offered the following resolution:

**House Resolution No. 233.**

A resolution to urge Michigan communities to pursue innovative policies that promote economic development by attracting young STEAM professionals to work in financially distressed communities.

Whereas, Despite our storied economic reputation, many young professionals are leaving this state to pursue opportunities elsewhere. According to the U.S. Census Bureau, Michigan has seen a net reduction of 4.4 percent in young workers aged 22 to 34 in the past five years. Two of the most popular destinations are the neighboring states of Illinois and Ohio. Young men and women come to Michigan to become STEAM—science, technology, engineering, arts, and math—professionals but far too many leave after graduation; and

Whereas, Reversing the outgoing tide of young STEAM professionals is of the highest priority. The paucity of young professionals working in fields demanding a STEAM background stymies local economic development and job creation. There are economic disincentives for STEAM professionals wanting to remain in Michigan and rebuild their distressed communities that must be addressed in order to make this state more competitive for these highly sought-after graduates; and

Whereas, Communities can become more attractive to STEAM professionals when innovative economic development policies are pursued. Among these policy pursuits are reducing the income disparities for young STEAM professionals choosing to live in a community where earning potential is less than high-demand STEAM areas. Incentives like student loan assistance and employment relocation reimbursement expenses would aid in this endeavor to make Michigan more attractive to these 21st century workers; now, therefore, be it

Resolved by the House of Representatives, That we urge Michigan communities to pursue innovative policies that promote economic development by attracting young STEAM professionals to work in financially distressed communities; and be it further

Resolved, That copies of this resolution be transmitted to distressed local communities as defined under Public Act 328 of 1998.

The resolution was referred to the Committee on Workforce and Talent Development.

Rep. Hooker, having reserved the right to explain his protest against the passage of the bill, made the following statement:  
 “Mr. Speaker and members of the House:

I supported all the Human Trafficking Bills to protect against Sex Trafficking. This bill has one area that concerns me. The bill requires posting in both public places and private businesses the following: ‘If you or someone you know is being forced to engage in any activity and cannot leave, whether the activity is commercial sex, housework or any other activity, please call the hotline.’ This is very vague and has been used to report parents who are requiring their children to do chores, etc. There was a parent who was reported for taking away a cell phone from a teenager for misuse or as a punishment. I think the language should be narrowed and made more clear and I certainly would support the bill. Because that was not done in committee, I do not support the bill as written.”
