“Gracious Father, we praise You for who You are; Creator, Sustainer, Savior. We come before You in a spirit of repentance, Lord. We know that we are sinners and that we have broken Your will forever with our thoughts and words and deeds. We may even offend one another in this great chamber. Forgive us for this Lord. Thank You for the opportunity to serve on the behalf of the people we represent. Lord with Your guidance, help us to live up to this high calling. Lord I ask You to be present in this chamber. We know that You are above us to watch over us, beside us to befriend us, behind us to encourage us, beneath us to carry, and most of all within us so we may reflect Your love in this great state. Amen.”

House Resolution No. 52.

A resolution recognizing March 2007 as Colorectal Cancer Awareness Month in the state of Michigan.

Whereas, March has long been recognized across America as Colorectal Cancer Awareness Month in an effort to raise public awareness about colorectal cancer. It is a serious condition that affects many Michigianians; and

Whereas, Colorectal cancer is the second leading cause of cancer-related death in Michigan for both men and women. The American Cancer Society estimates that 1,750 Michigan men and women will die of colorectal cancer in 2007; and

Whereas, The American Cancer Society further estimates that 5,570 additional Michigianians will be diagnosed with colorectal cancer in 2007. Michigan presently ranks 31st in the nation in colorectal cancer deaths; and

Whereas, Regular screening allows colorectal cancer to be detected early when treatment is most effective. The Michigan Cancer Consortium recommends colorectal cancer screening for men and women starting at age 50; and

Whereas, The survival rate for people with colorectal cancers found early is more than 90 percent. Only 37 percent of colorectal cancers are found early while the cancer is found at the local and most treatable stage. Despite the demonstrated benefits of regular screening and early detection, only 53 percent of Michigan adults over age 50 report being screened; and

Whereas, Michigan citizens can take preventative steps to reduce their risk of colorectal cancer including getting screened regularly and having polyps removed, exercising regularly and maintaining a healthy weight, eating a diet rich in fruit, vegetables, and whole grains, and refraining from smoking and the excessive use of alcohol; now, therefore, be it

Resolved, by the House of Representatives, That the members of this legislative body recognize March 2007 as Colorectal Cancer Awareness Month in the state of Michigan; and be it further

Resolved, That we urge all Michigianians to use this month as an opportunity to educate themselves about colorectal cancer and take proactive steps to reduce their risk and get appropriate screening.

Pending the reference of the resolution to a committee,

Rep. Tobocman moved that Rule 71 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.
