The People of the State of Michigan enact:

Sec. 7cc. (1) A homestead is exempt from the tax levied by a local school district for school operating purposes to the extent provided under section 1211 of the revised school code, 1976 PA 451, MCL 380.1211, if an owner of that homestead claims an exemption as provided in this section. Notwithstanding the tax day provided in section 2, for taxes levied before January 1, 2004, the status of property as a homestead shall be determined on the date an affidavit claiming an exemption is filed under subsection (2). For taxes levied after December 31, 2003, the status of property as a homestead shall be determined on the tax day provided in section 2.

(2) An owner of property may claim an exemption under this section by filing an affidavit on or before May 1 for taxes levied before January 1, 2004 and the tax day as provided in section 2 for taxes levied after December 31, 2003 with the local tax collecting unit in which the property is located. The affidavit shall state that the property is owned and occupied as a homestead by that owner of the property on the date that the affidavit is signed. The affidavit shall be on a form prescribed by the department of treasury. One copy of the affidavit shall be retained by the owner, 1 copy shall be retained by the local tax collecting unit until any appeal or audit period under this act has expired, and 1 copy shall be forwarded to the department of treasury pursuant to subsection (4), together with all information submitted under subsection (27) for a cooperative housing corporation. The affidavit shall require the owner claiming the exemption to indicate if that owner or that owner's spouse has claimed another exemption on property in this state that is not rescinded or a substantially similar exemption, deduction, or credit on property in another state that is not rescinded. If the affidavit requires an owner to include a social security number, that owner's number is subject to the disclosure restrictions in 1941 PA 122, MCL 205.1 to 205.31.

(3) A husband and wife who are required to file or who do file a joint Michigan income tax return are entitled to not more than 1 homestead exemption. A person is not entitled to a homestead exemption under this section if any of the following conditions occur:

(a) That person has claimed a substantially similar exemption, deduction, or credit on property in another state that is not rescinded.

(b) Subject to subdivision (a), that person or his or her spouse owns property in a state other than this state for which that person or his or her spouse claims an exemption, deduction, or credit substantially similar to the homestead exemption provided under this section, unless that person and his or her spouse file separate income tax returns.

(c) That person has filed a nonresident Michigan income tax return, except active duty military personnel stationed in this state with his or her principal residence in this state.

(d) That person has filed an income tax return in a state other than this state as a resident, except active duty military personnel stationed in this state with his or her principal residence in this state.

(4) Upon receipt of an affidavit filed under subsection (2) and unless the claim is denied under this section, the assessor shall exempt the property from the collection of the tax levied by a local school district for school operating purposes to the extent provided under section 1211 of the revised school code, 1976 PA 451, MCL 380.1211, as provided in subsection (1) until December 31 of the year in which the property is transferred or is no longer a homestead as defined in section 7dd. The local tax collecting unit shall forward copies of affidavits to the department of treasury according to a schedule prescribed by the department of treasury.

(5) Not more than 90 days after exempted property is no longer used as a homestead by the owner claiming an exemption, that owner shall rescind the claim of exemption by filing with the local tax collecting unit a rescission form prescribed by the department of treasury. An owner who fails to file a rescission as required by this subsection is subject to a penalty of \$5.00 per day for each separate failure beginning after the 90 days have elapsed, up to a maximum of \$200.00. This penalty shall be collected under 1941 PA 122, MCL 205.1 to 205.31, and shall be deposited in the state school aid fund established in section 11 of article IX of the state constitution of 1963. This penalty may be waived by the department of treasury.

(6) If the assessor of the local tax collecting unit believes that the property for which an exemption is claimed is not the homestead of the owner claiming the exemption, the assessor may deny a new or existing claim by notifying the owner and the department of treasury in writing of the reason for the denial and advising the owner that the denial may be appealed to the residential and small claims division of the Michigan tax tribunal within 35 days after the date of the notice. The assessor may deny a claim for exemption for the current year and for the 3 immediately preceding calendar years. If the assessor denies an existing claim for exemption, the assessor shall remove the exemption of the property and, if the tax roll is in the local tax collecting unit's possession, amend the tax roll to reflect the denial and the local treasurer shall within 30 days of the date of the denial issue a corrected tax bill for previously unpaid taxes with interest at the rate of 1.25% per month and penalties computed from the date the taxes were last payable without interest or penalty. If the tax roll is in the county treasurer's possession, the tax roll shall be amended to reflect the denial and the county treasurer shall within 30 days of the date of the denial prepare and submit a supplemental tax bill for any additional taxes, together with interest at the rate of 1.25% per month and penalties computed from the date the taxes were last payable without interest or penalty. Additional interest on any tax set forth in a corrected or supplemental tax bill shall begin to accrue 60 days after the date the corrected or supplemental tax bill is issued at the rate of 1.25% per month. Taxes levied in a corrected or supplemental tax bill shall be returned as delinquent on the March 1 in the year immediately succeeding the year in which the corrected or supplemental tax bill is issued. If the assessor denies an existing claim for exemption, the interest due shall be distributed as provided in subsection (24). However, if the property has been transferred to a bona fide purchaser before additional taxes were billed to the seller as a result of the denial of a claim for exemption, the taxes, interest, and penalties shall not be a lien on the property and shall not be billed to the bona fide purchaser, and the local tax collecting unit if the local tax collecting unit has possession of the tax roll or the county treasurer if the county has possession of the tax roll shall notify the department of treasury of the amount of tax due, interest, and penalties through the date of that notification. The department of treasury shall then assess the owner who claimed the homestead property tax exemption for the tax, interest, and penalties accruing as a result of the denial of the claim for exemption, if any, as for unpaid taxes provided under 1941 PA 122, MCL 205.1 to 205.31, and shall deposit any tax or penalty collected into the state school aid fund and shall distribute any interest collected as provided in subsection (24). The denial shall be made on a form prescribed by the department of treasury. If the property for which the assessor has denied a claim for exemption under this subsection is located in a county in which the county treasurer or the county equalization director have elected to audit exemptions under subsection (10), the assessor shall notify the county treasurer or the county equalization director of the denial under this subsection.

(7) If the assessor of the local tax collecting unit believes that the property for which the exemption is claimed is not the homestead of the owner claiming the exemption and has not denied the claim, the assessor shall include a recommendation for denial with any affidavit that is forwarded to the department of treasury or, for an existing claim, shall send a recommendation for denial to the department of treasury, stating the reasons for the recommendation.

(8) The department of treasury shall determine if the property is the homestead of the owner claiming the exemption. The department of treasury may review the validity of exemptions for the current calendar year and for the 3 immediately preceding calendar years. If the department of treasury determines that the property is not the homestead of the owner claiming the exemption, the department shall send a notice of that determination to the local tax collecting unit and to the owner of the property claiming the exemption, indicating that the claim for exemption is denied, stating the reason for the denial, and advising the owner claiming the exemption of the right to appeal the determination to the department of treasury and what those rights of appeal are. The department of treasury may issue a notice denying a claim if an owner fails to respond within 30 days of receipt of a request for information from that department. An owner may appeal the denial of a claim of exemption to the department of treasury within 35 days of receipt of the notice of denial. An appeal to the department of treasury shall be conducted according to the provisions for an informal conference in section 21 of 1941 PA 122, MCL 205.21. Within 10 days after acknowledging an appeal of a denial of a claim of exemption, the department of treasury shall notify the assessor and the treasurer for the county in which the property is located that an appeal has been filed. Upon receipt of a notice that the department of treasury has denied a claim for exemption, the assessor shall remove the exemption of the property and, if the tax roll is in the local tax collecting unit's possession, amend the tax roll to reflect the denial and the local treasurer shall within 30 days of the date of the denial issue a corrected tax bill for previously unpaid taxes with interest at the rate of 1.25% per month and penalties computed from the date the taxes were last payable without interest and penalty. If the tax roll is in the county treasurer's possession, the tax roll shall be amended to reflect the denial and the county treasurer shall within 30 days of the date of the denial prepare and submit a supplemental tax bill for any additional taxes, together with interest at the rate of 1.25% per month and penalties computed from the date the taxes were last payable without interest or penalty. Additional interest on any tax set forth in a corrected or supplemental tax bill shall begin to accrue 60 days after the date the corrected or supplemental tax bill is issued at the rate of 1.25% per month. Taxes levied in a corrected or supplemental tax bill shall be returned as delinquent on the March 1 in the year immediately succeeding the year in which the corrected or supplemental tax bill is issued. If the department of treasury denies an existing claim for exemption, the interest due shall be distributed as provided in subsection (24). However, if the property has been transferred to a bona fide purchaser before additional taxes were billed to the seller as a result of the denial of a claim for exemption, the taxes, interest, and penalties shall not be a lien on the property and shall not be billed to the bona fide purchaser, and the local tax collecting unit if the local tax collecting unit has possession of the tax roll or the county treasurer if the county has possession of the tax roll shall notify the department of treasury of the amount of tax due and interest through the date of that notification. The department of treasury shall then assess the owner who claimed the homestead property tax exemption for the tax and interest plus penalty accruing as a result of the denial of the claim for exemption, if any, as for unpaid taxes provided under 1941 PA 122, MCL 205.1 to 205.31, and shall deposit any tax or penalty collected into the state school aid fund and shall distribute any interest collected as provided in subsection (24).

(9) The department of treasury may enter into an agreement regarding the implementation or administration of subsection (8) with the assessor of any local tax collecting unit in a county that has not elected to audit exemptions claimed under this section as provided in subsection (10). The agreement may specify that for a period of time, not to exceed 120 days, the department of treasury will not deny an exemption identified by the department of treasury in the list provided under subsection (11).

(10) A county may elect to audit the exemptions claimed under this section in all local tax collecting units located in that county as provided in this subsection. The election to audit exemptions shall be made by the county treasurer, or by the county equalization director with the concurrence by resolution of the county board of commissioners. The initial election to audit exemptions shall require an audit period of 2 years. Subsequent elections to audit exemptions shall be made every 2 years and shall require 2 annual audit periods. An election to audit exemptions shall be made by submitting an election to audit form to the assessor of each local tax collecting unit in that county and to the department of treasury not later than October 1 in the year in which an election to audit is made. The election to audit form required under this subsection shall be in a form prescribed by the department of treasury. If a county elects to audit the exemptions claimed under this section, the department of treasury may continue to review the validity of exemptions as provided in subsection (8). If a county does not elect to audit the exemptions claimed under this section as provided in this subsection, the department of treasury shall conduct an audit of exemptions claimed under this section in the initial 2-year audit period for each local tax collecting unit in that county unless the department of treasury has entered into an agreement with the assessor for that local tax collecting unit under subsection (9).

(11) If a county elects to audit the exemptions claimed under this section as provided in subsection (10) and the county treasurer or his or her designee or the county equalization director or his or her designee believes that the property for which an exemption is claimed is not the homestead of the owner claiming the exemption, the county treasurer or his or her designee or the county equalization director or his or her designee may deny an existing claim by notifying the owner, the assessor of the local tax collecting unit, and the department of treasury in writing of the reason for the denial and advising the owner that the denial may be appealed to the residential and small claims division of the Michigan tax tribunal within 35 days after the date of the notice. The county treasurer or his or her designee or the county equalization director or his or her designee may deny a claim for exemption for the current year and for

the 3 immediately preceding calendar years. If the county treasurer or his or her designee or the county equalization director or his or her designee denies an existing claim for exemption, the county treasurer or his or her designee or the county equalization director or his or her designee shall direct the assessor of the local tax collecting unit in which the property is located to remove the exemption of the property from the assessment roll and, if the tax roll is in the local tax collecting unit's possession, direct the assessor of the local tax collecting unit to amend the tax roll to reflect the denial and the treasurer of the local tax collecting unit shall within 30 days of the date of the denial issue a corrected tax bill for previously unpaid taxes with interest at the rate of 1.25% per month and penalties computed from the date the taxes were last payable without interest and penalty. If the tax roll is in the county treasurer's possession, the tax roll shall be amended to reflect the denial and the county treasurer shall within 30 days of the date of the denial prepare and submit a supplemental tax bill for any additional taxes, together with interest at the rate of 1.25% per month and penalties computed from the date the taxes were last payable without interest or penalty. Additional interest on any tax set forth in a corrected or supplemental tax bill shall begin to accrue 60 days after the date the corrected or supplemental tax bill is issued at the rate of 1.25% per month. Taxes levied in a corrected or supplemental tax bill shall be returned as delinquent on the March 1 in the year immediately succeeding the year in which the corrected or supplemental tax bill is issued. If the county treasurer or his or her designee or the county equalization director or his or her designee denies an existing claim for exemption, the interest due shall be distributed as provided in subsection (24). However, if the property has been transferred to a bona fide purchaser before additional taxes were billed to the seller as a result of the denial of a claim for exemption, the taxes, interest, and penalties shall not be a lien on the property and shall not be billed to the bona fide purchaser, and the local tax collecting unit if the local tax collecting unit has possession of the tax roll or the county treasurer if the county has possession of the tax roll shall notify the department of treasury of the amount of tax due and interest through the date of that notification. The department of treasury shall then assess the owner who claimed the homestead property tax exemption for the tax and interest plus penalty accruing as a result of the denial of the claim for exemption, if any, as for unpaid taxes provided under 1941 PA 122, MCL 205.1 to 205.31, and shall deposit any tax or penalty collected into the state school aid fund and shall distribute any interest collected as provided in subsection (24). The department of treasury shall annually provide the county treasurer or his or her designee or the county equalization director or his or her designee a list of parcels of property located in that county for which an exemption may be erroneously claimed. The county treasurer or his or her designee or the county equalization director or his or her designee shall forward copies of the list provided by the department of treasury to each assessor in each local tax collecting unit in that county within 10 days of receiving the list.

(12) If a county elects to audit exemptions claimed under this section as provided in subsection (10), the county treasurer or the county equalization director may enter into an agreement with the assessor of a local tax collecting unit in that county regarding the implementation or administration of this section. The agreement may specify that for a period of time, not to exceed 120 days, the county will not deny an exemption identified by the department of treasury in the list provided under subsection (11).

(13) An owner may appeal a denial by the assessor of the local tax collecting unit under subsection (6), a final decision of the department of treasury under subsection (8), or a denial by the county treasurer or his or her designee or the county equalization director or his or her designee under subsection (11) to the residential and small claims division of the Michigan tax tribunal within 35 days of that decision. An owner is not required to pay the amount of tax in dispute in order to appeal a denial of a claim of exemption to the department of treasury or to receive a final determination of the residential and small claims division of the Michigan tax tribunal. However, interest at the rate of 1.25% per month and penalties shall accrue and be computed from the date the taxes were last payable without interest and penalty. If the residential and small claims division of the Michigan tax tribunal grants an owner's appeal of a denial and that owner has paid the interest due as a result of a denial under subsection (6), (8), or (11), the interest received after a distribution was made under subsection (24) shall be refunded.

(14) For taxes levied after December 31, 2005, for each county in which the county treasurer or the county equalization director does not elect to audit the exemptions claimed under this section as provided in subsection (10), the department of treasury shall conduct an annual audit of exemptions claimed under this section for the current calendar year.

(15) An affidavit filed by an owner for a homestead rescinds all previous exemptions filed by that owner for any other homestead. The department of treasury shall notify the assessor of the local tax collecting unit in which the property for which a previous exemption was claimed is located that the previous exemption is rescinded by the subsequent affidavit. Upon receipt of notice that an exemption is rescinded, the assessor of the local tax collecting unit shall remove the exemption effective December 31 of the year in which the property is transferred or is no longer a homestead as defined in section 7dd. The assessor of the local tax collecting unit in which that property is located shall notify the treasurer in possession of the tax roll for a year for which the exemption is rescinded. If the tax roll is in the local tax collecting unit's possession, the tax roll shall be amended to reflect the rescission and the local treasurer shall prepare and issue a corrected tax bill for previously unpaid taxes with interest and penalties computed based on the interest and penalties that would have accrued from the date the taxes were originally levied if there had not been an exemption for that year. If the tax roll is in the county treasurer's possession, the tax roll shall be amended to reflect the rescission and the county treasurer shall prepare and submit a supplemental tax bill for any additional taxes,

together with any interest and penalties. However, if the property has been transferred to a bona fide purchaser, the taxes, interest, and penalties shall not be billed to the bona fide purchaser, and the local tax collecting unit if the local tax collecting unit has possession of the tax roll or the county treasurer if the county has possession of the tax roll shall notify the department of treasury of the amount of tax due and interest through the date of that notification. The department of treasury shall then assess the owner who received the homestead property tax exemption when the property was not a homestead as defined in section 7dd for the tax and interest plus penalty accruing, if any, as for unpaid taxes provided under 1941 PA 122, MCL 205.1 to 205.31, and shall deposit any tax, interest, or penalty collected into the state school aid fund.

(16) An owner of property for which a claim of exemption is rescinded may appeal that rescission with either the July or December board of review in either the year for which the exemption is rescinded or in the immediately succeeding year. If an appeal of a rescission of a claim for exemption is received not later than 5 days prior to the date of the December board of review, the local tax collecting unit shall convene a December board of review and consider the appeal pursuant to this section and section 53b. An owner of property for which a claim of exemption is rescinded may appeal the decision of the board of review to the residential and small claims division of the Michigan tax tribunal within 35 days of that decision.

(17) If the homestead is part of a unit in a multiple-unit dwelling or a dwelling unit in a multiple-purpose structure, an owner shall claim an exemption for only that portion of the total taxable value of the property used as the homestead of that owner in a manner prescribed by the department of treasury. If a portion of a parcel for which the owner claims an exemption is used for a purpose other than as a homestead, the owner shall claim an exemption for only that portion of the taxable value of the property used as the homestead of that owner in a manner prescribed by the department of treasury.

(18) When a county register of deeds records a transfer of ownership of a property, he or she shall notify the local tax collecting unit in which the property is located of the transfer.

(19) The department of treasury shall make available the affidavit forms and the forms to rescind an exemption, which may be on the same form, to all city and township assessors, county equalization officers, county registers of deeds, and closing agents. A person who prepares a closing statement for the sale of property shall provide affidavit and rescission forms to the buyer and seller at the closing and, if requested by the buyer or seller after execution by the buyer or seller, shall file the forms with the local tax collecting unit in which the property is located. If a closing statement preparer fails to provide homestead exemption affidavit and rescission forms to the buyer and seller, or fails to file the affidavit and rescission forms with the local tax collecting unit if requested by the buyer or seller, the buyer may appeal to the department of treasury within 30 days of notice to the buyer that an exemption was not recorded. If the department of treasury determines that the buyer qualifies for the exemption, the department of treasury shall notify the assessor of the local tax collecting unit that the exemption is granted and the assessor of the local tax collecting unit or, if the tax roll is in the possession of the county treasurer, the county treasurer shall correct the tax roll to reflect the exemption. This subsection does not create a cause of action at law or in equity against a closing statement preparer who fails to provide homestead exemption affidavit and rescission forms to a buyer and seller or who fails to file the affidavit and rescission forms with the local tax collecting unit when requested to do so by the buyer or seller.

(20) An owner who owned and occupied a homestead on May 1 for taxes levied before January 1, 2004 and the tax day as provided in section 2 for taxes levied after December 31, 2003 for which the exemption was not on the tax roll may file an appeal with the July board of review or December board of review in the year for which the exemption was claimed or the immediately succeeding 3 years. If an appeal of a claim for exemption that was not on the tax roll is received not later than 5 days prior to the date of the December board of review, the local tax collecting unit shall convene a December board of review and consider the appeal pursuant to this section and section 53b.

(21) If the assessor or treasurer of the local tax collecting unit believes that the department of treasury erroneously denied a claim for exemption, the assessor or treasurer may submit written information supporting the owner's claim for exemption to the department of treasury within 35 days of the owner's receipt of the notice denying the claim for exemption. If, after reviewing the information provided, the department of treasury determines that the claim for exemption was erroneously denied, the department of treasury shall grant the exemption and the tax roll shall be amended to reflect the exemption.

(22) If granting the exemption under this section results in an overpayment of the tax, a rebate, including any interest paid, shall be made to the taxpayer by the local tax collecting unit if the local tax collecting unit has possession of the tax roll or by the county treasurer if the county has possession of the tax roll within 30 days of the date the exemption is granted. The rebate shall be without interest.

(23) If an exemption under this section is erroneously granted for an affidavit filed before October 1, 2003, an owner may request in writing that the department of treasury withdraw the exemption. The request to withdraw the exemption shall be received not later than November 1, 2003. If an owner requests that an exemption be withdrawn, the department of treasury shall issue an order notifying the local assessor that the exemption issued under this section has been denied based on the owner's request. If an exemption is withdrawn, the property that had been subject to that

exemption shall be immediately placed on the tax roll by the local tax collecting unit if the local tax collecting unit has possession of the tax roll or by the county treasurer if the county has possession of the tax roll as though the exemption had not been granted. A corrected tax bill shall be issued for the tax year being adjusted by the local tax collecting unit if the local tax collecting unit has possession of the tax roll or by the county treasurer if the county has possession of the tax roll. Unless a denial has been issued prior to July 1, 2003, if an owner requests that an exemption under this section be withdrawn and that owner pays the corrected tax bill issued under this subsection within 30 days after the corrected tax bill is issued, that owner is not liable for any penalty or interest on the additional tax. An owner who pays a corrected tax bill issued under this subsection more than 30 days after the corrected tax bill is issued is liable for the penalties and interest that would have accrued if the exemption had not been granted from the date the taxes were originally levied.

(24) Subject to subsection (25), interest at the rate of 1.25% per month collected under subsection (6), (8), or (11) shall be distributed as follows:

(a) If the assessor of the local tax collecting unit denies the exemption under this section, as follows:

(i) To the local tax collecting unit, 70%.

(ii) To the department of treasury, 10%.

(iii) To the county in which the property is located, 20%.

(b) If the department of treasury denies the exemption under this section, as follows:

(i) To the local tax collecting unit, 20%.

(ii) To the department of treasury, 70%.

(iii) To the county in which the property is located, 10%.

(c) If the county treasurer or his or her designee or the county equalization director or his or her designee denies the exemption under this section, as follows:

(i) To the local tax collecting unit, 20%.

(ii) To the department of treasury, 10%.

(iii) To the county in which the property is located, 70%.

(25) Interest distributed under subsection (24) is subject to the following conditions:

(a) Interest distributed to a county shall be deposited into a restricted fund to be used solely for the administration of homestead property tax exemptions. Money in that restricted fund shall lapse to the county general fund on the December 31 in the year 3 years after the first distribution of interest to the county under subsection (24) and on each succeeding December 31 thereafter.

(b) Interest distributed to the department of treasury shall be deposited into the homestead property tax exemption audit fund, which is created within the state treasury. The state treasurer may receive money or other assets from any source for deposit into the fund. The state treasurer shall direct the investment of the fund. The state treasurer shall credit to the fund interest and earnings from fund investments. Money in the fund shall be considered a work project account and at the close of the fiscal year shall remain in the fund and shall not lapse to the general fund. Money from the fund shall be expended, upon appropriation, only for the purpose of auditing homestead exemption affidavits.

(26) Interest distributed under subsection (24) is in addition to and shall not affect the levy or collection of the county property tax administration fee established under this act.

(27) A cooperative housing corporation is entitled to a full or partial exemption under this section for the tax year in which the cooperative housing corporation files all of the following with the local tax collecting unit in which the cooperative housing corporation is located if filed on or before May 1 for taxes levied before January 1, 2004 and the tax day as provided in section 2 for taxes levied after December 31, 2003:

(a) An affidavit form.

(b) A statement of the total number of units owned by the cooperative housing corporation and occupied as the principal residence of a tenant stockholder as of the date of the filing under this subsection.

(c) A list that includes the name, address, and social security number of each tenant stockholder of the cooperative housing corporation occupying a unit in the cooperative housing corporation as his or her principal residence as of the date of the filing under this subsection.

(d) A statement of the total number of units of the cooperative housing corporation on which an exemption under this section was claimed and that were transferred in the tax year immediately preceding the tax year in which the filing under this section was made.

(28) Before May 1, 2004 and before May 1, 2005, the treasurer of each county shall forward to the department of education a statement of the taxable value of each school district and fraction of a school district within the county for the preceding 4 calendar years. This requirement is in addition to the requirement set forth in section 151 of the state school aid act of 1979, 1979 PA 94, MCL 388.1751.

Sec. 7ee. (1) Qualified agricultural property is exempt from the tax levied by a local school district for school operating purposes to the extent provided under section 1211 of the revised school code, 1976 PA 451, MCL 380.1211, according to the provisions of this section.

(2) Qualified agricultural property that is classified as agricultural under section 34c is exempt under subsection (1) and the owner is not required to file an affidavit claiming an exemption with the local tax collecting unit unless requested by the assessor to determine whether the property includes structures that are not exempt under this section. To claim an exemption under subsection (1) for qualified agricultural property that is not classified as agricultural under section 34c, the owner shall file an affidavit claiming the exemption with the local tax collecting unit by May 1 for taxes levied before January 1, 2004 and the tax day as provided in section 2 for taxes levied after December 31, 2003.

(3) The affidavit shall be on a form prescribed by the department of treasury.

(4) For property classified as agricultural, and upon receipt of an affidavit filed under subsection (2) for property not classified as agricultural, the assessor shall determine if the property is qualified agricultural property and if so shall exempt the property from the collection of the tax as provided in subsection (1) until December 31 of the year in which the property is no longer qualified agricultural property as defined in section 7dd. An owner is required to file a new claim for exemption on the same property as requested by the assessor under subsection (2).

(5) Not more than 90 days after all or a portion of the exempted property is no longer qualified agricultural property, the owner shall rescind the exemption for the applicable portion of the property by filing with the local tax collecting unit a rescission form prescribed by the department of treasury. An owner who fails to file a rescission as required by this subsection is subject to a penalty of \$5.00 per day for each separate failure beginning after the 90 days have elapsed, up to a maximum of \$200.00. This penalty shall be collected under 1941 PA 122, MCL 205.1 to 205.31, and shall be deposited in the state school aid fund established in section 11 of article IX of the state constitution of 1963. This penalty may be waived by the department of treasury.

(6) An owner of property that is qualified agricultural property on May 1 for taxes levied before January 1, 2004 and the tax day as provided in section 2 for taxes levied after December 31, 2003 for which an exemption was not on the tax roll may file an appeal with the July or December board of review in the year the exemption was claimed or the immediately succeeding year. An owner of property that is qualified agricultural property on May 1 for taxes levied before January 1, 2004 and the tax day as provided in section 2 for taxes levied after December 31, 2003 for which an exemption was denied by the assessor in the year the affidavit was filed, may file an appeal with the July board of review for summer taxes or, if there is not a summer levy of school operating taxes, with the December board of review.

(7) If the assessor of the local tax collecting unit believes that the property for which an exemption has been granted is not qualified agricultural property, the assessor may deny or modify an existing exemption by notifying the owner in writing at the time required for providing a notice under section 24c. A taxpayer may appeal the assessor's determination to the board of review meeting under section 30. A decision of the board of review may be appealed to the residential and small claims division of the Michigan tax tribunal.

(8) If an exemption under this section is erroneously granted, an owner may request in writing that the local tax collecting unit withdraw the exemption. If an owner requests that an exemption be withdrawn, the local assessor shall notify the owner that the exemption issued under this section has been denied based on that owner's request. If an exemption is withdrawn, the property that had been subject to that exemption shall be immediately placed on the tax roll by the local tax collecting unit if the local tax collecting unit has possession of the tax roll or by the county treasurer if the county has possession of the tax roll as though the exemption had not been granted. A corrected tax bill shall be issued for the tax year being adjusted by the local tax collecting unit if the local tax collecting unit has possession of the tax roll or by the county treasurer if the county has possession of the tax roll. If an owner requests that an exemption under this section be withdrawn before that owner is contacted in writing by the local assessor regarding that owner's eligibility for the exemption and that owner pays the corrected tax bill issued under this subsection within 30 days after the corrected tax bill is issued, that owner is not liable for any penalty or interest on the additional tax. An owner who pays a corrected tax bill issued under this subsection more than 30 days after the corrected tax bill is issued is liable for the penalties and interest that would have accrued if the exemption had not been granted from the date the taxes were originally levied.

Sec. 24c. (1) The assessor shall give to each owner or person or persons listed on the assessment roll of the property a notice by first-class mail of an increase in the tentative state equalized valuation or the tentative taxable value for the year. The notice shall specify each parcel of property, the tentative taxable value for the current year, and the taxable value for the immediately preceding year. The notice shall also specify the time and place of the meeting of the board of review. The notice shall also specify the difference between the property's tentative taxable value in the current year and the property's taxable value in the immediately preceding year.

(2) The notice shall include, in addition to the information required by subsection (1), all of the following:

(a) The state equalized valuation for the immediately preceding year.

(b) The tentative state equalized valuation for the current year.

(c) The net change between the tentative state equalized valuation for the current year and the state equalized valuation for the immediately preceding year.

(d) The classification of the property as defined by section 34c.

(e) The inflation rate for the immediately preceding year as defined in section 34d.

(f) A statement provided by the state tax commission explaining the relationship between state equalized valuation and taxable value. If the assessor believes that a transfer of ownership has occurred in the immediately preceding year, the statement shall state that the ownership was transferred and that the taxable value of that property is the same as the state equalized valuation of that property.

(3) When required by the income tax act of 1967, 1967 PA 281, MCL 206.1 to 206.532, the assessment notice shall include or be accompanied by information or forms prescribed by the income tax act of 1967, 1967 PA 281, MCL 206.1 to 206.532.

(4) The assessment notice shall be addressed to the owner according to the records of the assessor and mailed not less than 10 days before the meeting of the board of review. The failure to send or receive an assessment notice does not invalidate an assessment roll or an assessment on that property.

(5) The tentative state equalized valuation shall be calculated by multiplying the assessment by the tentative equalized valuation multiplier. If the assessor has made assessment adjustments that would have changed the tentative multiplier, the assessor may recalculate the multiplier for use in the notice.

(6) The state tax commission shall prepare a model assessment notice form that shall be made available to local units of government.

(7) Beginning in 1995 through 2003, the assessment notice under subsection (1) shall include the following statement:

“If you purchased your homestead after May 1 last year, to claim the homestead exemption, if you have not already done so, you are required to file an affidavit before May 1.”.

(8) Beginning in 2004, the assessment notice under subsection (1) shall include the following statement:

“If you purchased your homestead after December 31 last year, to claim the homestead exemption for next year, if you have not already done so, you are required to file an affidavit on or before December 31 this year.”.

(9) For taxes levied after December 31, 2003, the assessment notice under subsection (1) shall separately state the state equalized valuation and taxable value for any leasehold improvements.

Sec. 53b. (1) If there has been a clerical error or a mutual mistake of fact relative to the correct assessment figures, the rate of taxation, or the mathematical computation relating to the assessing of taxes, the clerical error or mutual mistake of fact shall be verified by the local assessing officer and approved by the board of review at a meeting held for the purposes of this section on Tuesday following the second Monday in December and, for summer property taxes, on Tuesday following the third Monday in July. If there is not a levy of summer property taxes, the board of review may meet for the purposes of this section on Tuesday following the third Monday in July. If approved, the board of review shall file an affidavit within 30 days relative to the clerical error or mutual mistake of fact with the proper officials who are involved with the assessment figures, rate of taxation, or mathematical computation and all affected official records shall be corrected. If the clerical error or mutual mistake of fact results in an overpayment or underpayment, the rebate, including any interest paid, shall be made to the taxpayer or the taxpayer shall be notified and payment made within 30 days of the notice. A rebate shall be without interest. The county treasurer may deduct the rebate from the appropriate tax collecting unit's subsequent distribution of taxes. The county treasurer shall bill to the appropriate tax collecting unit the tax collecting unit's share of taxes rebated. Except as otherwise provided in subsection (6), a correction under this subsection may be made in the year in which the error was made or in the following year only.

(2) Action pursuant to this section may be initiated by the taxpayer or the assessing officer.

(3) The board of review meeting in July and December shall meet only for the purpose described in subsection (1) and to hear appeals provided for in sections 7u, 7cc, and 7ee. If an exemption under section 7u is approved, the board of review shall file an affidavit with the proper officials involved in the assessment and collection of taxes and all affected official records shall be corrected. If an appeal under section 7cc or 7ee results in a determination that an overpayment has been made, the board of review shall file an affidavit and a rebate shall be made at the times and in the manner provided in subsection (1). Except as otherwise provided in sections 7cc and 7ee, a correction under this subsection shall be made for the year in which the appeal is made only. If the board of review grants an exemption or provides a rebate for property under section 7cc or 7ee as provided in this subsection, the board of review shall require the owner to execute the affidavit provided for in section 7cc or 7ee and shall forward a copy of any section 7cc affidavits to the department of treasury.

(4) If an exemption under section 7cc is granted by the board of review under this section, the provisions of section 7cc(6) through (11) apply. If an exemption under section 7cc is not granted by the board of review under this

section, the owner may appeal that decision in writing to the department of treasury within 35 days of the board of review's denial and the appeal shall be conducted as provided in section 7cc(7).

(5) An owner or assessor may appeal a decision of the board of review under this section regarding an exemption under section 7ee to the residential and small claims division of the Michigan tax tribunal. An owner is not required to pay the amount of tax in dispute in order to receive a final determination of the residential and small claims division of the Michigan tax tribunal. However, interest and penalties, if any, shall accrue and be computed based on interest and penalties that would have accrued from the date the taxes were originally levied as if there had not been an exemption.

(6) A correction under this section that grants a homestead exemption pursuant to section 7cc(21) may be made for the year in which the appeal was filed and the 3 immediately preceding tax years.

This act is ordered to take immediate effect.
