The tax shall be without limitation as to rate or amount and in addition to any other tax the village may levy but shall not be in excess of the rate or amount necessary to pay the principal and interest or assessments or contract obligations. If at the time of making an annual tax levy, surplus money is on hand for the payment of principal or interest and provision for disposition of the money was not made, then credit for the surplus may be taken against the amount to be raised for principal or interest as the case may be. The money so raised shall

be used solely for the purpose stated in this section.

The treasurer shall record on the roll the valuation of such property, at its value, as determined by the assessor of the township where the property is located, placing the value of the real and personal property in separate columns. In fulfilling the requirements of this section, the treasurer shall conform to and be governed by the law governing supervisors of townships performing like services, unless otherwise in this act provided. However, if in any year it is not necessary to raise any money by taxation in a village, the council of the village may so determine by resolution, and shall certify the determination to the treasurer. If a person, including a firm or corporation, does not pay a tax imposed upon real or personal property belonging to that person, the treasurer shall collect the tax by seizing the personal property of that person located in this state in an amount sufficient to pay the tax, the fees, and charges for subsequent sale of the property. No property of the person shall be exempt from such seizure. The treasurer shall comply with the requirements of section 47 of the general property tax act, 1893 PA 206, MCL 211.47. The treasurer shall have the same powers and perform the same duties, so far as applicable, as township treasurers, in the collection of taxes levied in townships.

History: 1895, Act 3, Imd. Eff. Feb. 19, 1895;—CL 1897, 2868;—CL 1915, 2742;—CL 1929, 1651;—CL 1948, 69.17;—Am. 1998, Act 254, Imd. Eff. July 13, 1998.

Sec. 18. (1) Taxes collected by a village shall become a lien against the property on which assessed on July 1. Taxes collected on or before September 14 in each year shall be without interest. Taxes collected after September 14 of any year shall bear interest at the rate imposed by section 59 of Act No. 206 of the Public Acts of 1893, being section 211.59 of the Michigan Compiled Laws, on delinquent property tax levies which became a lien in the same year. The village taxes which are collected by a village shall be subject to the same fees and charges the village may impose under section 44 of Act No. 206 of the Public Acts of 1893, being section 211.44 of the Michigan Compiled Laws. All interest and property tax administration fees that are

imposed prior to the date these taxes are returned delinquent and that are attributable to village taxes shall belong to the village. Interest and, to the extent permitted by section 44 of Act No. 206 of the Public Acts of 1893, fees shall be included in the unpaid tax rolls or the delinquent tax rolls returned to the county treasurer on September 15, or not later than March 1 if the warrant is extended.

(2) Taxes collected by the village shall be returned delinquent to the county treasurer on September 15 unless the governing body of the village by resolution adopted on or before June 1 of each year determines that the village taxes shall be returned to the county treasurer on the same date that county taxes are returned delinquent for collection. The resolution shall be forwarded to the county treasurer before July 1 each year. The village tax bill for each year or a separate enclosure with the tax bill shall specify where such delinquent taxes are to be paid.

(3) If the unpaid village taxes are returned to the county treasurer prior to March 1 of the year following the levy of the village taxes, the county treasurer shall add to such taxes fees and interest in the same amount as would have been added if collected by the village treasurer. As of March 1, the accumulated interest and the fees on such taxes which may be imposed and returned delinquent shall be added to and become a part of the village tax subject to the interest and fees charged by the county treasurer on the delinquent taxes pursuant to section 59 of Act No. 206 of the Public Acts of 1893.

(4) Within 1 week after the expiration of the time limited in the warrant for the collection of the taxes levied on the roll, or within 1 week after the time to which the warrant may have been renewed or extended, if the treasurer has been unable to collect any of the taxes on the roll on real property, the treasurer shall return all unpaid taxes on real property to the county treasurer in the same manner and with like effect as returns by township treasurers. The taxes returned shall be collected in the same manner as other taxes returned to the county treasurer are collected pursuant to the general property tax act, Act No. 206 of the Public Acts of 1893, being sections 211.1 to 211.157 of the Michigan Compiled Laws, with the same rate of interest and fees. All taxes upon real property returned as delinquent shall be and remain a lien on the property until paid. The county treasurer at the time that he or she makes the return to the department of treasury of delinquent taxes assessed under the general property tax act, Act No. 206 of the Public Acts of 1893, shall also make a return of all village taxes that were returned delinquent to his or her office and remaining unpaid on March 1 of the year in which the return is made.

Sec. 19. Moneys received for such sale shall be paid over to the village treasurer. All of the provisions of the general tax law relative to the sale and redemption of lands returned for delinquent taxes shall apply to the sale and redemption of lands returned for delinquent taxes assessed under the provisions of this act.

History: 1895, Act 3, Imd. Eff. Feb. 19, 1895;—Am. 1897, Act 88, Eff. Aug. 30, 1897;—CL 1897, 2870;—CL 1915, 2744;—CL 1929, 1653;—CL 1948, 69.19.

69.20 Tax on personal property; collection suit.

Sec. 20. If the treasurer is unable to collect a tax assessed upon personal property in the village, the treasurer of the village may bring an action, in the name of the village, for the recovery of the tax, against any persons against whom the tax was assessed, before a court of competent jurisdiction, and take and use all lawful means provided by law for the collection of debts to enforce the payment of the tax. In such cases, the provisions of law applicable to suits and the evidence therein, brought by township treasurers in the name of their township for such purposes, apply. The court may order the person or persons assessed the personal property tax to pay the amounts authorized under section 47 of the general property tax act, 1893 PA 206, MCL 211.47.

History: 1895, Act 3, Imd. Eff. Feb. 19, 1895;—CL 1897, 2871;—CL 1915, 2745;—CL 1929, 1654;—CL 1948, 69.20;—Am. 1998, Act 254, Imd. Eff. July 13, 1998.

69.21 Borrowing in anticipation of revenue sharing or taxes.

Sec. 21. Subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821, the council may borrow money, and give notes of the village, in anticipation of 1 or more of the following:

(a) The receipt of revenue sharing payments under the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921.

(b) The collection of taxes.

History: 1895, Act 3, Imd. Eff. Feb. 19, 1895;—CL 1897, 2872;—CL 1915, 2746;—CL 1929, 1655;—CL 1948, 69.21;—Am. 1974, Act 4, Imd. Eff. Jan. 30, 1974;—Am. 1998, Act 254, Imd. Eff. July 13, 1998;—Am. 2002, Act 276, Imd. Eff. May 9, 2002.

69.22 Raising additional amounts by tax or loan; approval of electors; limitation on taxation and indebtedness; exclusions from limitation; validation of prior bonds or obligations; computation of net indebtedness for purposes of subsection (2).

Sec. 22. (1) If any greater amount is required in any year for any lawful purpose than can otherwise be raised by the council under this chapter, the amount may be raised by tax or loan, or partly by tax and partly by loan. If approved by a majority vote of the electors at an annual or special village election, the council may levy a tax that, in any year, must not exceed 2% of the assessed valuation of the real and personal property within the village, as shown by the last preceding assessment roll of the village.

(2) The amount of indebtedness incurred by the issue of bonds or otherwise, including existing indebtedness, must not exceed 10% of the assessed valuation of the real and personal property within the village subject to taxation as shown by the last preceding assessment roll of the village. Bonds issued in anticipation of the collection of special assessments even though the bonds are a general obligation of the village, motor vehicle highway fund bonds even though they are a general obligation of the village, revenue bonds, or bonds issued or contract or assessment obligations incurred to comply with an order of the department of environmental quality or a court of competent jurisdiction, even though they are a general obligation of the village and bonds issued or contract or assessment obligations incurred for water supply, sewage, drainage, or refuse disposal necessary to protect the public health by abating pollution even though they are a general obligation of the village, are not included in this limitation. Money on hand in a sinking fund limited to the payment of indebtedness may be treated as a reduction of the indebtedness to that extent. In case of fire, flood, or other calamity requiring an emergency fund for the relief of the inhabitants of the village, or for the repairing or rebuilding of any of its municipal buildings, works, bridges, or streets, the council may borrow money due in not more than 3 years and in an amount not exceeding 1/4 of 1% of the taxable valuation of the village, notwithstanding that the loan may increase the indebtedness of the village beyond the limitations fixed by this section. If a village is authorized to acquire or operate a public utility, the village may issue mortgage bonds therefor beyond the general limit of bonded indebtedness prescribed by this section. The mortgage bonds issued beyond the limit of general indebtedness prescribed by this section must not impose any liability upon the village, but must be secured only upon the property and revenues of the public utility, including its franchise, stating the terms upon which, in case of foreclosure, the purchaser may operate the public utility; which franchise must not extend for a period of more than 20 years from the date of the sale of the utility and franchise on foreclosure. All bonds issued, or contract or assessment obligations incurred, before January 30, 1974 are validated.

(3) In computing the net indebtedness for the purposes of subsection (2), there may be added to the assessed value of real and personal property in a village for a fiscal year an amount equal to the assessed value equivalent of certain village revenues as determined under this subsection. The assessed value equivalent must be calculated by dividing the sum of the following amounts by the village's millage rate for the fiscal year:

(a) The amount paid or the estimated amount required to be paid by the state to the village during the village's fiscal year for the village's use under the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921, and the amount of any eligible reimbursement to the village under the local community stabilization authority act, 2014 PA 86, MCL 123.1341 to 123.1362, except any amount distributed under section 17(4)(c) of the local community stabilization authority act, 2014 PA 86, MCL 123.1357, in excess of the village's qualified loss. The department of treasury shall certify these amounts upon request. As used in this subdivision, "qualified loss" means that term as defined in section 5 of the local community stabilization authority act, 2014 PA 86, MCL 123.1345.

(b) The amount levied by the village for its own use during the village's fiscal year from the specific tax levied under 1974 PA 198, MCL 207.551 to 207.572.

(c) The amount levied by the village for its own use during the village's fiscal year from the specific tax levied under the commercial redevelopment act, 1978 PA 255, MCL 207.651 to 207.668.

69.22a Repealed. 1998, Act 254, Imd. Eff. July 13, 1998.

Compiler's note: The repealed section pertained to acquisition or operation of public utility.

69.23 Bonds; approval of electors required; exemption of certain bonds and obligations; expenses.

Sec. 23. (1) Subject to subsection (2), a village shall not issue bonds unless the issuance is approved by a majority of the electors voting on the bond issuance at a regular or special village election. The election shall be conducted in accordance with the Michigan election law, 1954 PA 116, MCL 168.1 to 168.992.

(2) Subsection (1) does not apply to any of the following:

(a) Obligations incurred by the village evidenced by contracts, notes, or assessments.

(b) Special assessment bonds.

(c) Bonds for the portion of the cost of local improvements to be paid by the village at large not to exceed 40% of the cost of the improvements.

(d) Emergency bonds.

(e) Bonds that the council is authorized by specific statute to issue without a vote of the electors.

(3) The expenses of the election shall be paid by the village as provided in section 642 of the Michigan election law, 1954 PA 116, MCL 168.642.

69.24 Disbursements; procedures.

Sec. 24. Disbursements may be made from the treasury under either of the following procedures:

(a) Upon appropriation by the council and the warrant of the clerk, countersigned by the president. The warrant shall specify the fund from which the money is payable, and shall be paid from no other fund. A warrant shall not be drawn upon the treasury after the fund from which it should be paid has been exhausted, and such a warrant is void.

(b) Pursuant to an ordinance or resolution under section 5 of chapter V.
