Reverend Dr. Edwin Holmes of Renaissance Baptist Church of Detroit offered the following invocation:

O Lord, our Lord, how excellent is Your name in all the earth.

“Hast thou not known? Hast thou not heard, that the everlasting God, the Lord, the Creator of the ends of the earth, fainteth not, neither is weary? There is no searching of his understanding.”

We are praying that Your Holy Spirit will be present in this session. Our nation is in a state of paralysis because evil has raised its ugly head in the senseless shootings across the land. It leaves in its wake death, pain, anger, and confusion. Justice makes its demand upon all of us, holding us accountable for all of these ends. Impart wisdom in the White House, understanding in the Capitol, and peace in our house. Touch every leader here in Lansing to be sensitive to the cry of better gun control legislation; the cry for a stronger educational system; the cry for health care, especially for those who are differently-abled; and the scream for clean water, sewage, and drainage reduction. Massage our hearts. Let us feel what those feel who have suffered the sting of impoverishment. Forgive us, Lord. Order our steps as we continue to let justice roll down like water and righteousness like a mighty stream to touch all of humanity.

Hear our prayer, O Lord. Amen.

The Assistant President pro tempore, Senator O’Brien, led the members of the Senate in recital of the *Pledge of Allegiance*.

**Senate Concurrent Resolution No. 21**

The motion prevailed.

Senator Bieda offered the following resolution:

**Senate Resolution No. 131.**

A resolution to urge the Governor to issue an executive order requiring internet service providers with state contracts to abide by net neutrality principles.

Whereas, Broadband internet is a critically important communications method Americans use to connect with one another. Businesses, consumers, entrepreneurs, and visionaries use the internet for a variety of purposes, making it indispensable in today’s economy; and

Whereas, In 2015, the Federal Communications Commission (FCC) passed rules to protect net neutrality and equal access to content and services available on the internet. The rules reclassified internet service as a telecommunications service, essentially designating broadband as a public utility, granting the FCC greater oversight over the industry. As a result of the rules, service providers could not change the speed at which users could access information on the internet or create fast lanes or slow lanes of content. An open internet promotes competition, benefiting entrepreneurs and small businesses, and keeps the United States at the forefront of technological, business, and social innovation on the internet; and

Whereas, In December 2017, the FCC reversed its net neutrality regulations, significantly reducing regulation of cable and telecommunications companies. The reversal will allow broadband providers to charge different rates to guarantee higher priority and faster data transmission; and

Whereas, Internet service providers with government contracts should be prohibited from blocking or throttling web content or creating internet fast lanes and instead provide open access and fair use of the internet for all users; now, therefore, be it

Resolved by the Senate, That we urge the Governor to issue an executive order requiring internet service providers with state contracts to abide by net neutrality principles; and be it further

Resolved, That copies of this resolution be transmitted to the Governor.

Pursuant to rule 3.204, the resolution was referred to the Committee on Government Operations.

Senators Gregory and Hertel were named co-sponsors of the resolution.
Senator Ananich offered the following resolution:

**Senate Resolution No. 132.**
A resolution to support the designation of the Flint River Water Trail and the Shiawassee River Water Trail as national water trails by the National Park Service.

Whereas, Michigan has over 4,700 miles of water trails, traversing remote, natural, industrial, and urban environments. These water trails meander through the heart of both the Lower and Upper Peninsulas and along Michigan’s Great Lakes coastline; and

Whereas, The National Water Trails System brings together into one cohesive, first-class network, water trails across the nation. The system provides the public with access to outdoor recreation along shorelines and on waterways to explore and enjoy. Further, the system protects and restores America’s rivers and shorelines and conserves natural areas along waterways. The U.S. Secretary of the Interior may designate exemplary trails of local and regional significance as national water trails; and

Whereas, The Flint River Watershed Coalition and the Shiawassee River Water Trail Coalition applied for national water trail designation in spring 2017 for the Flint River Water Trail and the Shiawassee River Water Trail, respectively; and

Whereas, The Flint River is a principal tributary of the Shiawassee River which flows into the Saginaw River and Saginaw Bay of Lake Huron. The river is home to bald eagles, ospreys, frogs, turtles, muskrats, and a wide variety of fish. Used as a main method of transportation for Native Americans and early European settlers and later supporting the city of Flint as a major hub for fur-trading, lumber milling, and agriculture, the river has a rich cultural history; and

Whereas, The Flint River Water Trail encompasses 73 miles through natural environments, small towns, and urban areas. Twenty-four access sites have been established to provide paddlers with a variety of distances and experiences on the water. The water trail travels through two counties and is accessible to 500,000 residents in Genesee and Lapeer counties and hundreds of thousands more within an hour’s drive; and

Whereas, The Shiawassee River Water Trail begins in Holly, Michigan, and continues 88 miles to Chesaning. Multiple access sites are currently available and the water trail coalition is working to create several more sites. The river supports many species of fish, rare plants, and animals, and traverses through several communities, parks, playground areas, and historic sites; and

Whereas, Designation as a national water trail will provide numerous benefits to the communities located along the rivers. A national water trail designation can be used to promote recreation and tourism, enhancing economic benefits for communities. The program also opens opportunities to access technical assistance and funding for planning and implementing water trail projects and improving existing river water trails; now, therefore, be it

Resolved by the Senate, That we support the designation of the Flint River Water Trail and the Shiawassee River Water Trail as national water trails by the National Park Service; and be it further

Resolved, That copies of this resolution be transmitted to the members of the Michigan congressional delegation; the program leader of the National Trails System, National Park Service; and the program manager of the Rivers, Trails, and Conservation Assistance Program, National Park Service, Midwest Region.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator Kowall moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

Senator Kowall moved that the resolution be referred to the Committee on Outdoor Recreation and Tourism.

The motion prevailed.

Senators Bieda, Gregory, Hansen, Hertel and Proos were named co-sponsors of the resolution.

Senators Hansen, Proos, Marleau, Zorn, Horn, Casperson, Bieda, Emmons, Green, Knollenberg, MacGregor and Hildenbrand offered the following resolution:

**Senate Resolution No. 133.**
A resolution commemorating February 2018 as the County Road Association’s 100th Anniversary.

Whereas, Over the course of the last century, the people of the state of Michigan have greatly benefited from the County Road Association’s (CRA) role as a credible, unified, and effective voice for a safe and efficient county transportation infrastructure system, including appropriate stewardship of the public’s right-of-way; and

Whereas, The County Road Association was founded on February 28, 1918, in Ann Arbor; and

Whereas, CRA’s county road agency members have shown steady progress over the last century including adapting innovative technologies and efficient operations, improving the safety of roads for Michigan residents, and collaborating with townships, municipalities, and other infrastructure stakeholders as regional governmental partners for the improvement of Michigan’s county road system; and

Whereas, The County Road Association fosters relationships between its members, the Legislature, other local government associations, as well as various Michigan infrastructure and transportation organizations; and
Whereas, CRA also provides educational trainings to ensure that county road agencies are always on the cutting-edge; and
Whereas, Since its inception, CRA has never faltered in helping Michigan’s county road agencies provide residents
with a safe local road and bridge network; now, therefore, be it
Resolved by the Senate, That the members of this legislative body commemorate February 2018 as the County Road Asso-
ciation’s 100th Anniversary, and praise the contributions it has made to the state of Michigan; and be it further
Resolved, That our best wishes are offered for continued success in the future and that a copy of this resolution be trans-
mitted to Steven A. Warren, President, County Road Association, as evidence of our high esteem.
Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations,
Senator Kowall moved that the rule be suspended.
The motion prevailed, a majority of the members serving voting therefor.
The resolution was adopted.
Senators Brandenburg, Gregory, Hertel, Jones, Kowall and Schmidt were named co-sponsors of the resolution.

By unanimous consent the Senate proceeded to the order of

**Statements**

Senator Young asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.
Senator Young’s statement is as follows:

Madam President, I rise to today to stand with the brave students of Marjory Stoneman Douglas High School in Parkland, Florida. Just one week ago, on February 14—Valentine’s Day—17 people were murdered in the classrooms and hallways of their school. In the past week, news reports have told story after story of the courageous children and adults who sacrificed their lives to save their students and fellow classmates.

We’ve heard about the fearless football coach, Aaron Feis, who jumped in front of a barrage of bullets to give students just a split second longer to run to safety, losing his life in the process. We’ve heard about Peter Wand, the 15-year-old Junior ROTC cadet, who died in uniform while holding a door to help students and staff quickly escape the school building. We also heard about 15 others who lost their lives in this senseless, vicious attack on children in a school, a place that should be a safe haven for learning.

Before I read the 15 names of the victims, Madam President, we live in a time where we are putting our ideologies and politics over children’s lives. What is the purpose of being in government, of being in a position of power, if we do not help the powerless? What is the point of being elected if we cannot protect our children, the most valuable resource that we have—our babies? If we can’t keep them safe when they go to school, if we can’t keep them from being murdered, how many young children’s souls have to be expended? How many tears have to be shed? How much blood has to be spilt? How many lives have to be lost until we get the point that we must do something? We are not elected just to hold seats. We are elected to serve the people and protect them. If we’re not going to do that, why are we here? This is not about pro-gun or anti-gun or left or right or Democrat or Republican. This is about protecting the lives of our children. All of our children deserve to be safe, and we cannot continue to let this happen.

Alyssa, age 14; Scott, age 35; Martin, age 14; Nicholas, age 17; Jaime, age 14; Chris, age 49; Luke, age 15; Cara, age 14; Gina, age 14; Joaquin, age 17; Alaina, age 14; Meadow, age 18; Helena, age 17; Alec, age 14; Carmen, age 16. These students were looking forward to completing the semester, many with flying colors. These were sons and daughters who were excited to take driver’s training and get their driver’s licenses. These were kids with dreams and ambitions, with hopes and desires, and everything they were going to touch, everything they were going to be, and everyone else they had impact on was snuffed out. Dreams to become doctors, lawyers, military servicemen, teachers, business leaders, and lawmakers, but those dreams were crushed by a hail of gunfire.

Now as a Senate legislative body, what are we going to do about it? Because it’s only time before it happens in this state. The survivors of the shooting have shown more bravery and leadership than anyone in our highest elected offices. This is not OK. Do not allow Christine’s classmates deaths be in vain.

A moment of silence was observed in memory of the Marjory Stoneman Douglas High School shooting victims.
