

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.48715 Open seasons by classification of waters.

Sec. 48715. Except as otherwise provided by law, a person shall not take, catch, or kill or attempt to take, catch, or kill any species of fish in any of the following:

(a) A trout stream or any inland lake designated as a trout lake under this part except from the last Saturday in April through the second Sunday in September. However, the department may designate certain trout streams, or portions of trout streams in which nongame fish and game fish other than trout occur, as open to hook and line fishing at all seasons of the year for taking any species of fish on which the season is not closed.

(b) Lakes other than lakes designated as trout lakes shall be open to fishing throughout the year for taking any species of fish on which the season is not closed. The nontrout streams, the Great Lakes, and the connecting waters of the Great Lakes shall be open to fishing throughout the year for taking any species of fish on which the season is not closed.
