Rep. Matt Lori, from the 59th District, offered the following invocation:

“Opportunity is defined as a favorable juncture of circumstances, a good chance for advancement or progress. In Matthew, Chapter 5, Jesus describes opportunity as meeting with and working with those that may oppose you. Today, Dear Lord, we pray for opportunity:
 Opportunity to pray freely,
 Opportunity to live and work together
 Opportunity to remember sacrifices of those who made Freedom possible
 Opportunity for forgiveness and to be forgiven
 Opportunity presented to us, seen and unseen to advance Your work here on Earth.
 And Lord, we pray for opportunism - the art of knowing and taking advantage of circumstances presented to us.
 We thank You for this Day in Michigan - and for the opportunity for a better tomorrow.”

Rep. Segal moved that Reps. Haugh and Womack be excused from today’s session.
 The motion prevailed.

Rep. Stamas moved that House Committees be given leave to meet during the balance of today’s session.

Motions and Resolutions

House Resolution No. 93.

A resolution to declare May 25, 2011, as Missing Children’s Day in the state of Michigan.

Whereas, According to the U.S. Department of Justice, in one year there were nearly 800,000 children missing; and

Whereas, There is an estimated average of 2,200 children reported missing to law enforcement agencies daily; and

Whereas, Over 58,000 of these children are victims of non-family abductions and more than 200,000 are the victims of family abductions; and

Whereas, The National Center for Missing & Exploited Children (NCMEC) exists as a resource to help prevent child abduction and sexual exploitation; to help find missing children; and to assist victims of child abduction and sexual exploitation, their families, and the professionals who serve them. The National Center for Missing & Exploited Children’s recovery rate has grown from 62% in 1990 to 96% of domestically missing children, but too many children still remain among the missing; and

Whereas, This special day is a time to remember those children who are missing and give hope to their families; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 25, 2011, as Missing Children’s Day in the state of Michigan; and be it further

Resolved, That we urge the participation of local government, law enforcement, schools, community-based organizations, and families in the protection and education of all individuals about child abduction and sexual exploitation, appropriate protective measures, and ways to respond and seek help from law enforcement, social services, and the National Center for Missing & Exploited Children.

GENERAL SECTIONS

Sec. 201. Pursuant to section 30 of article IX of the state constitution of 1963, total state spending from state resources under this act for fiscal year 2011-2012 is \$1,263,952,000.00 and state spending from state resources to be paid to local units of government for fiscal year 2011-2012 is \$0.

Sec. 202. The appropriations authorized under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 203. As used in this act, “research university” means a public university classified as a “doctoral/research university,” a “research university (high research activity),” or a “research university (very high research activity)” under the classification of institutions of higher education conducted by the Carnegie foundation.

Sec. 208. Unless otherwise specified, public universities receiving appropriations in part 1 shall use the Internet to fulfill the reporting requirements of this act. This requirement may include transmission of reports via electronic mail to the recipients identified for each reporting requirement, or it may include placement of reports on an Internet or Intranet site.

Sec. 209. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods and services, or both, are available. Preference shall be given to goods or services, or both, manufactured or provided by Michigan businesses if they are competitively priced and of comparable value. In addition, preference shall be given to goods or services, or both, that are manufactured or provided by Michigan businesses owned and operated by veterans if they are competitively priced and of comparable quality.

Sec. 210. It is the intent of the legislature that the funds appropriated in part 1 to state institutions of higher education shall not be used to enter into a lease or to purchase a vehicle assembled or manufactured outside of the United States, and that preference be given to vehicles assembled or manufactured in Michigan.

Sec. 211. The principal executive officer of each public university receiving appropriations in part 1 shall take all reasonable steps to ensure that businesses in deprived and depressed communities compete for and perform contracts to provide services, supplies, or both. Each principal executive officer shall strongly encourage firms with which the university contracts to subcontract with businesses in depressed and deprived communities for services, supplies, or both.

Sec. 212. (1) The funds appropriated in part 1 to public universities shall be paid out of the state treasury and distributed by the state treasurer to the respective institutions in 11 equal monthly installments on the sixteenth of each month, or the next succeeding business day, beginning with October 16, 2011. Except for Wayne State University, each institution shall accrue its July and August 2012 payments to its institutional fiscal year ending June 30, 2012.

(2) All public universities shall submit higher education institutional data inventory (HEIDI) data and associated financial and program information requested by and in a manner prescribed by the state budget director. For public universities

with fiscal years ending June 30, 2011, these data shall be submitted to the state budget director by October 15, 2011. Public universities with a fiscal year ending September 30, 2011 shall submit preliminary HEIDI data by November 15, 2011 and final data by December 15, 2011. If a public university fails to submit HEIDI data and associated financial aid program information in accordance with this reporting schedule, the state treasurer shall withhold the monthly installments under subsection (1) to the public university until those data are submitted.

Sec. 213. Funds received by the state from the federal government or private sources for the use of a college or university are appropriated for the purposes for which they are provided. The acceptance and use of federal or private funds do not place an obligation upon the legislature to continue the purposes for which the funds are made available.

Sec. 215. A public university that receives funds under this act shall furnish all program and financial information that is required by and in a manner prescribed by the state budget director or the house or senate appropriations committee.

The report shall include institutional general fund expenditure amounts categorized both by each academic unit, administrative unit, or external initiative within the university and by major expenditure category, including faculty and staff salaries and fringe benefits, facility-related costs, supplies and equipment, contracts, and transfers to and from other university funds. The report shall also include a list of all employee positions funded partially or wholly through institutional general fund revenue that includes the position title, name, and annual salary or wage amount for each position. The university shall not provide financial information on its website under this section if doing so would violate a federal or state law, rule, regulation, or guideline that establishes privacy or security standards applicable to that financial information.

Sec. 301. (1) Payments of the amounts included in part 1 for the state competitive scholarship program shall be distributed pursuant to 1964 PA 208, MCL 390.971 to 390.981.

(2) Pursuant to section 6 of 1964 PA 208, MCL 390.976, the department of treasury shall determine an actual maximum state competitive scholarship award per student, which shall be no less than \$600.00, that ensures that the aggregate payments for the state competitive scholarship program do not exceed the appropriation contained in part 1 for the state competitive scholarship program. If the department determines that insufficient funds are available to establish a maximum award amount equal to at least \$600.00, the department shall immediately report to the house and senate appropriations subcommittees on higher education, the house and senate fiscal agencies, and the state budget director regarding the estimated amount of additional funds necessary to establish a \$600.00 maximum award amount.

(3) The department of treasury shall implement a proportional competitive scholarship maximum award level for recipients enrolled less than full-time in a given semester or term.

(4) If a student who receives an award under this section has his or her tuition and fees paid under the Michigan educational trust program, pursuant to the Michigan education trust act, 1986 PA 316, MCL 390.1421 to 390.1442, and still has financial need, the funds awarded under this section may be used for educational expenses other than tuition and fees.

(5) If the department of treasury increases the maximum award per eligible student from that provided in the previous fiscal year, it shall not have the effect of reducing the number of eligible students receiving awards in relation to the total number of eligible applicants. Any increase in the maximum grant shall be proportional for all eligible students receiving awards.

(6) Veterans administration benefits shall not be considered in determining eligibility for the award of scholarships under 1964 PA 208, MCL 390.971 to 390.981.

Sec. 302. (1) The amounts appropriated in part 1 for the state tuition grant program shall be distributed pursuant to 1966 PA 313, MCL 390.991 to 390.997a.

If the department determines that insufficient funds are available to establish a maximum award amount equal to at least \$1,512.00, the department shall immediately report to the house and senate appropriations subcommittees on higher education, the house and senate fiscal agencies, and the state budget director regarding the estimated amount of additional funds necessary to establish a \$1,512.00 maximum award amount. By December 15, 2011, and again by February 1, 2012, the department shall analyze the status of award commitments, shall make any necessary adjustments, and shall confirm that those award commitments will not exceed the appropriation contained in

part 1 for the tuition grant program. The determination and actions shall be reported to the state budget director and the house and senate fiscal agencies no later than February 15, 2012. If award adjustments are necessary, the students shall be notified of the adjustment by the third Monday in February.

(4) Any unexpended and unencumbered funds remaining on September 30, 2012 from the amounts appropriated in part 1 for the tuition grant program shall not lapse on September 30, 2012, but shall continue to be available for expenditure for tuition grants provided in the 2012-2013 fiscal year under a work project account. The use of these unexpended fiscal year 2011-2012 funds shall terminate at the end of the 2012-2013 fiscal year.

(5) The department of treasury shall continue a proportional tuition grant maximum award level for recipients enrolled less than full-time in a given semester or term.

(6) If the department of treasury increases the maximum award per eligible student from that provided in the previous fiscal year, it shall not have the effect of reducing the number of eligible students receiving awards in relation to the total number of eligible applicants. Any increase in the maximum grant shall be proportional for all eligible students receiving awards for fiscal year 2011-2012.

(7) The department of treasury shall not award more than \$3,000,000.00 in tuition grants to eligible students enrolled in the same independent nonprofit college or university in this state. If proration is necessary, state payments under this act from the state school aid fund shall be prorated in the manner prescribed in subsection (2) as necessary to reflect the amount available for expenditure from the state school aid fund for fiscal year 2011-2012. However, if the department of treasury determines that proration will be required under this section, or if the department of treasury determines that further proration is required under this section after an initial proration has already been made for a fiscal year, the department of treasury shall notify the state budget director, and the state budget director shall notify the legislature in the manner provided for proration under section 11 of the state school aid act of 1979, 1979 PA 94, MCL 388.1611, and the legislature may take action to prevent the proration as described in that section.

(2) If proration is necessary under subsection (1), the department of treasury shall calculate the proration in payments under this act that is required under subsection (1) as follows:

(a) The department of treasury shall calculate the percentage of total state school aid allocated under this act and the public acts making appropriations for K-12 state school aid and community colleges for the affected fiscal year that is used for payments for higher education under this act.

(b) The department of treasury shall recover a percentage of the total proration amount required under subsection (1) that is equal to the percentage calculated under subdivision (a) by reducing payments to public universities under this act on an equal percentage basis.

Sec. 604. It is the intent of the legislature that public universities work with community colleges in the state to implement statewide reverse transfer agreements to increase the number of students that are awarded credentials of value upon completion of the necessary credits. It is the intent of the legislature that by August 1, 2012, statewide agreements are in place between community colleges and public universities that enable students who have earned a significant number of credits at a community college and transfer to a baccalaureate granting institution before completing a degree to transfer the credits earned at the baccalaureate institution back to the community college in order to be awarded a credential of value.

(3) The auditor general shall periodically audit higher education institutional data inventory (HEIDI) data as submitted by the public universities for compliance with the definitions established by the state budget director in consultation with the HEIDI advisory committee for the HEIDI database.

(4) "Distance learning instruction" as used in subsection (2) means instruction that occurs solely in other than a traditional classroom setting where the student and instructor are in the same physical location and for which a student receives course credits and is charged tuition and fees. The legislature shall be notified not less than 30 days before any proposed reduction in the state supplementation level.

Sec. 724. The department shall establish a work group to study the feasibility of contracting out the juvenile justice secure treatment beds for males and females operated by the department's bureau of juvenile justice to private nonprofit

child caring institutions that are nationally accredited and licensed in this state. The work group shall include, but not be limited to, the department, members of the house and senate appropriations subcommittees on the department budget, and representatives of 2 statewide organizations whose members consist of private nonprofit child caring institutions.

LOCAL OFFICE SERVICES

Sec. 753. By January 1, 2012, the department shall implement the recommendations of the 2004 public private partnership initiative's training committee to define, design, and implement a train-the-trainer program to certify private agency staff to deliver child welfare staff training, explore the use of e-learning technologies, and include consumers in the design and implementation of training. The intent of the legislature is to reduce training and travel costs for both the department and the private agencies. The department shall report no later than December 1 of the current fiscal year on each specific policy change made to implement enacted legislation and the plans to implement the recommendations, including timelines, to the senate and house appropriations subcommittees on the department budget, the senate and house standing committees on human services matters, the senate and house fiscal agencies and policy offices, and the state budget director.

CHILD SUPPORT ENFORCEMENT

Sec. 901. (1) The appropriations in part 1 assume a total federal child support incentive payment of \$26,500,000.00.

(2) From the federal money received for child support incentive payments, \$12,000,000.00 shall be retained by the state and expended for child support program expenses.

(3) From the federal money received for child support incentive payments, \$14,500,000.00 shall be paid to the counties based on each county's performance level for each of the federal performance measures as established in 45 CFR 305.2.

(4) If the child support incentive payment to the state from the federal government is greater than \$26,500,000.00, then 100% of the excess shall be retained by the state and is appropriated until the total retained by the state reaches \$15,397,400.00.

(5) If the child support incentive payment to the state from the federal government is greater than the amount needed to satisfy the provisions identified in subsections (1), (2), (3), and (4), the additional funds shall be subject to appropriation by the legislature.

(6) If the child support incentive payment to the state from the federal government is less than \$26,500,000.00, then the state and county share shall each be reduced by 50% of the shortfall.

Sec. 909. (1) If statewide retained child support collections exceed \$38,300,000.00, 75% of the amount in excess of \$38,300,000.00 is appropriated to legal support contracts. This excess appropriation may be distributed to eligible counties to supplement and not supplant county title IV-D funding.

(2) Each county whose retained child support collections in the current fiscal year exceed its fiscal year 2004-2005 retained child support collections, excluding tax offset and financial institution data match collections in both the current year and fiscal year 2004-2005, shall receive its proportional share of the 75% excess.

Sec. 910. (1) If title IV-D-related child support collections are escheated, the state budget director is authorized to adjust the sources of financing for the funds appropriated in part 1 for legal support contracts to reduce federal authorization by 66% of the escheated amount and increase general fund/general purpose authorization by the same amount. This budget adjustment is required to offset the loss of federal revenue due to the escheated amount being counted as title IV-D program income in accordance with federal regulations at 45 CFR 304.50.

(2) The department shall notify the chairs of the house and senate appropriations subcommittees on the department budget and the house and senate fiscal agencies within 15 days of the authorization adjustment in subsection (1).

COMMUNITY ACTION AND ECONOMIC OPPORTUNITY

Sec. 1103. (1) The department shall establish a work group to develop a more efficient way to administer state emergency relief, low income home energy assistance program, and weatherization. The work group shall include, but not be limited to, the department and members of the legislature.

Sec. 1105.
