POST OFFICES IN MICHIGAN (Cont.)

SYMBOLS*

Station	A facility located within the corporate limits or delivery area of the city, town, or village in which the main post office is located.
Branch	A facility located outside the corporate limits or delivery area of the city, town, or village in which the main post office is located; has its own community identity and defined ZIP code boundaries. May be used as last line of delivery address.
Sx	Classified station, staffed by postal employees.
Bx	Classified branch, staffed by postal employees.
S	Contract station, operated under a contractual agreement between the U.S. Postal Service and an individual contractor.
B	Contract branch, operated under a contractual agreement between the U.S. Postal Service and an individual contractor.
C	Post office having city delivery service.
CPO	Community post office; a contract unit that provides service in small communities and bears the community name as part of a recognized last line of mailing address.
G	Postal facility situated in a government building.
N	Post office with no carrier delivery.
P	Place name; not a postal facility but listed because it was a former post office or recognized last line of address and now identifies a community name and has defined boundaries.
†	This post office has more than one 5-digit ZIP Code; consult section entitled "Post Offices With Street Listings" following the "State List of Post Offices" in the <i>National Five-Digit ZIP Code and Post Office Directory</i> , 1997 edition, U.S. Postal Service.
