AMEND STATE SCHOOL AID ACT

House Bill 6015

Sponsor: Rep. David Jaye

Committee: Appropriations

Complete to 12-5-96

A SUMMARY OF HOUSE BILL 6015 AS INTRODUCED 9-10-96

Currently, under the State School Aid Act, there is a provision requiring the forfeiture of funds equal to the amount expended by a local or intermediate school district for the purchase, lease, or rental of cars for board members. House Bill 6015 would add to this provision by also barring the provision of cars for administrators. Also, the bill would also prohibit the provision of bodyguards or other personal security services for administrators or board members, in addition to the current restriction against providing chauffeurs. Finally, the bill would change the penalty for such actions from forfeiture of equal funds to forfeiture of five percent of the local or intermediate district's total state school aid allocation for the next fiscal year.
