House Bill 5629 (Substitute H-2 as reported with amendment)

Sponsor: Representative Alan Cropsey

House Committee: Judiciary and Civil Rights

Senate Committee: Families, Mental Health and Human Services

CONTENT

The bill would amend the Family Support Act to delete provisions that allow the court to order child support in an amount determined by the child support formula or an amount that deviates from the formula under specified circumstances; require a parent to inform the Friend of the Court of his or her sources of income and available health care coverage; and require parents to maintain health care coverage for their children. In addition, the bill would require that any conflicts between the provisions contained in the Support and Parenting Time Enforcement Act and the Family Support Act concerning the contents or enforcement of a support order be controlled by the Family Support Act.

The bill is tie-barred to House Bill 5634, which would amend the Support and Parenting Time Act to consolidate into that Act provisions deleted by House Bills 5629-5633, and to House Bill 5636. House Bill 5636 (S-4) would provide for parenting plans in child custody cases and create a presumption of shared parental responsibility.
