

HOUSE BILL No. 5509

January 28, 1998, Introduced by Reps. Anthony, Prusi, Hale and Scott and referred to the Committee on Appropriations.

A bill to amend 1979 PA 94, entitled
"The state school aid act of 1979,"
by amending section 6 (MCL 388.1606), as amended by 1997 PA 142.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 6. (1) "Center program" means a program operated by a
2 district or intermediate district for special education pupils
3 from several districts in programs for the autistically impaired,
4 trainable mentally impaired, severely mentally impaired, severely
5 multiply impaired, hearing impaired, physically and otherwise
6 health impaired, and visually impaired. Programs for emotionally
7 impaired pupils housed in buildings that do not serve regular
8 education pupils also qualify. Unless otherwise approved by the
9 department, a center program either shall serve all constituent
10 districts within an intermediate district or shall serve several
11 districts with less than 50% of the pupils residing in the

1 operating district. In addition, special education center
2 program pupils placed part-time in noncenter programs to comply
3 with the least restrictive environment provisions of section 612
4 of part B of the individuals with disabilities education act,
5 title VI of Public Law 91-230, 20 U.S.C. 1412, may be considered
6 center program pupils for pupil accounting purposes for the time
7 scheduled in either a center program or a noncenter program.

8 (2) "District pupil retention rate" means the proportion of
9 pupils who have not dropped out of school in the immediately pre-
10 ceding school year and is equal to 1 minus the quotient of the
11 number of pupils unaccounted for in the immediately preceding
12 school year, as determined pursuant to subsection (3), divided by
13 the pupils of the immediately preceding school year.

14 (3) "District pupil retention report" means a report of the
15 number of pupils, excluding migrant and adult, in the district
16 for the immediately preceding school year, adjusted for those
17 pupils who have transferred into the district, transferred out of
18 the district, transferred to alternative programs, and have grad-
19 uated, to determine the number of pupils who are unaccounted
20 for. The number of pupils unaccounted for shall be calculated as
21 determined by the department.

22 (4) "Membership", except as otherwise provided in this act,
23 means for a district, public school academy, university school,
24 or intermediate district the sum of the product of .6 times the
25 number of full-time equated pupils in grades K to 12 actually
26 enrolled and in regular daily attendance on the pupil membership
27 count day for the current school year, plus the product of .4

1 times the final audited count from the supplemental count day for
2 the immediately preceding school year, as determined by the
3 department and calculated by adding the number of pupils regis-
4 tered for attendance plus pupils received by transfer and minus
5 pupils lost as defined by rules promulgated by the state board,
6 and as corrected by a subsequent department audit. The amount of
7 the foundation allowance for a pupil in membership is determined
8 under section 20. In making the calculation of membership, all
9 of the following, as applicable, apply to determining the member-
10 ship of a district, public school academy, university school, or
11 intermediate district:

12 (a) Except as otherwise provided in this subsection, a pupil
13 shall be counted in membership in the pupil's educating district
14 or districts. An individual pupil shall not be counted for more
15 than a total of 1.0 full-time equated membership.

16 (b) If a pupil is educated in a district other than the
17 pupil's district of residence and the educating district is not
18 in the same intermediate district as the pupil's district of res-
19 idence, if the pupil is not being educated as part of a coopera-
20 tive education program, if the pupil's district of residence does
21 not give the educating district its approval to count the pupil
22 in membership in the educating district, and if the pupil is not
23 covered by an exception specified in subsection (6) to the
24 requirement that the educating district must have the approval of
25 the pupil's district of residence to count the pupil in member-
26 ship, the pupil shall not be counted in membership in any
27 district.

1 (c) A special education pupil educated by the intermediate
2 district shall be counted in membership in the intermediate
3 district.

4 (d) A pupil placed by a court or state agency in an
5 on-grounds program of a juvenile detention facility, a child
6 caring institution, or a mental health institution, or a pupil
7 funded under section 53a, shall be counted in membership in the
8 district or intermediate district approved by the department to
9 operate the program.

10 (e) A pupil enrolled in the Michigan schools for the deaf
11 and blind shall be counted in membership in the pupil's interme-
12 diate district of residence.

13 (f) A pupil enrolled in a vocational education program sup-
14 ported by a millage levied over an area larger than a single dis-
15 trict or in an area vocational-technical education program estab-
16 lished pursuant to section 690 of the revised school code, MCL
17 380.690, shall be counted only in the pupil's district of
18 residence.

19 (g) A pupil enrolled in a university school shall be counted
20 in membership in the university school.

21 (h) A pupil enrolled in a public school academy shall be
22 counted in membership in the public school academy.

23 (i) For a new district, university school, or public school
24 academy beginning its operation after December 31, 1994, member-
25 ship for the first 2 full or partial fiscal years of operation
26 shall be determined as follows:

1 (i) If operations begin before the pupil membership count
2 day for the fiscal year, membership is the average number of
3 full-time equated pupils in grades K to 12 actually enrolled and
4 in regular daily attendance on the pupil membership count day for
5 the current school year and on the supplemental count day for the
6 current school year, as determined by the department and calcu-
7 lated by adding the number of pupils registered for attendance on
8 the pupil membership count day plus pupils received by transfer
9 and minus pupils lost as defined by rules promulgated by the
10 state board, and as corrected by a subsequent department audit,
11 plus the final audited count from the supplemental count day for
12 the current school year, and dividing that sum by 2.

13 (ii) If operations begin after the pupil membership count
14 day for the fiscal year and not later than the supplemental count
15 day for the fiscal year, membership is the final audited count of
16 the number of full-time equated pupils in grades K to 12 actually
17 enrolled and in regular daily attendance on the supplemental
18 count day for the current school year.

19 (j) If a district is the authorizing body for a public
20 school academy, then, in the first school year in which pupils
21 are counted in membership on the pupil membership count day in
22 the public school academy, the determination of the district's
23 membership shall exclude from the district's pupil count for the
24 immediately preceding supplemental count day any pupils who are
25 counted in the public school academy on that first pupil member-
26 ship count day who were also counted in the district on the
27 immediately preceding supplemental count day.

1 (k) In a district, public school academy, university school,
2 or intermediate district operating an extended school year pro-
3 gram approved by the state board, a pupil enrolled, but not
4 scheduled to be in regular daily attendance on a pupil membership
5 count day, shall be counted.

6 (l) Pupils to be counted in membership shall be not less
7 than 5 years of age on December 1 and less than 20 years of age
8 on September 1 of the school year except a special education
9 pupil who is enrolled and receiving instruction in a special edu-
10 cation program approved by the department and not having a high
11 school diploma who is less than 26 years of age as of September 1
12 of the current school year shall be counted in membership.

13 (m) An individual who has obtained a high school diploma
14 shall not be counted in membership. An individual who has
15 obtained a general education development (G.E.D.) certificate
16 shall not be counted in membership. An individual participating
17 in a job training program funded under former section 107a or a
18 jobs program funded under former section 107b, both administered
19 by the Michigan jobs commission, or participating in any succes-
20 sor of either of those 2 programs, shall not be counted in
21 membership.

22 (n) If a pupil counted in membership in a public school
23 academy is also educated by a district or intermediate district
24 as part of a cooperative education program, the pupil shall be
25 counted in membership only in the public school academy, and the
26 instructional time scheduled for the pupil in the district or
27 intermediate district shall be included in the full-time equated

1 membership determination under subdivision (q). However, for
2 pupils receiving instruction in both a public school academy and
3 in a district or intermediate district but not as a part of a
4 cooperative education program, the following apply:

5 (i) If the public school academy provides instruction for at
6 least 1/2 of the class hours specified in subdivision (q), the
7 public school academy shall receive as its prorated share of the
8 full-time equated membership for each of those pupils an amount
9 equal to 1 times the product of the hours of instruction the
10 public school academy provides divided by the number of hours
11 specified in subdivision (q) for full-time equivalency, and the
12 remainder of the full-time membership for each of those pupils
13 shall be allocated to the district or intermediate district pro-
14 viding the remainder of the hours of instruction.

15 (ii) If the public school academy provides instruction for
16 less than 1/2 of the class hours specified in subdivision (q),
17 the district or intermediate district providing the remainder of
18 the hours of instruction shall receive as its prorated share of
19 the full-time equated membership for each of those pupils an
20 amount equal to 1 times the product of the hours of instruction
21 the district or intermediate district provides divided by the
22 number of hours specified in subdivision (q) for full-time equiv-
23 alency, and the remainder of the full-time membership for each of
24 those pupils shall be allocated to the public school academy.

25 (o) An individual less than 16 years of age as of September
26 1 of the current school year who is being educated in an
27 alternative education program shall not be counted in membership

1 if there are also adult education participants being educated in
2 the same program or classroom.

3 (p) The department shall give a uniform interpretation of
4 full-time and part-time memberships.

5 (q) The number of class hours used to calculate full-time
6 equated memberships shall be consistent with section 1284 of the
7 revised school code, MCL 380.1284. In determining full-time
8 equated memberships for pupils who are enrolled in a postsecond-
9 ary institution under the postsecondary enrollment options act,
10 1996 PA 160, MCL 388.511 to 388.524, a pupil shall not be consid-
11 ered to be less than a full-time equated pupil solely because of
12 the effect of his or her postsecondary enrollment, including nec-
13 essary travel time, on the number of class hours provided by the
14 district to the pupil.

15 (r) Full-time equated memberships for pupils in kindergarten
16 shall be determined by dividing the number of class hours sched-
17 uled and provided per year per kindergarten pupil by a number
18 equal to 1/2 the number used for determining full-time equated
19 memberships for pupils in grades 1 to 12.

20 (s) For a district that has qualified currently migrant
21 pupils enrolled in the district as of the pupil membership count
22 day who were not counted in membership in the district on the
23 supplemental count day for the immediately preceding school year,
24 as determined by the department using the criteria used for eli-
25 gibility for the migrant education program under the improving
26 America's schools act of 1994, Public Law 103-382, 108
27 Stat. 3518, the number of those pupils counted in the district's

1 membership is $\frac{3}{4}$ of the number of those pupils counted on the
2 pupil membership count day only.

3 (t) For a district, university school, or public school
4 academy that has pupils enrolled in a grade level that was not
5 offered by the district, university school, or public school
6 academy in the immediately preceding school year, the number of
7 pupils enrolled in that grade level to be counted in membership
8 is the average of the number of those pupils enrolled and in reg-
9 ular daily attendance on the pupil membership count day and the
10 supplemental count day of the current school year, as determined
11 by the department. Membership shall be calculated by adding the
12 number of pupils registered for attendance in that grade level on
13 the pupil membership count day plus pupils received by transfer
14 and minus pupils lost as defined by rules promulgated by the
15 state board, and as corrected by subsequent department audit,
16 plus the final audited count from the supplemental count day for
17 the current school year, and dividing that sum by 2.

18 (u) A pupil enrolled in a cooperative education program may
19 be counted in membership in the pupil's district of residence
20 with the written approval of all parties to the cooperative
21 agreement.

22 (v) If, as a result of a disciplinary action, a district
23 determines through the district's alternative education program
24 that the best instructional placement for a pupil is in the
25 pupil's home, if that placement is authorized in writing by the
26 district superintendent and district alternative education
27 supervisor, and if the district provides appropriate instruction

1 as described in this subdivision to the pupil at the pupil's
2 home, the district may count the pupil in membership on a pro
3 rata basis, with the proration based on the number of hours of
4 instruction the district actually provides to the pupil divided
5 by the number of hours specified in subdivision (q) for full-time
6 equivalency. For the purposes of this subdivision, a district
7 shall be considered to be providing appropriate instruction if
8 all of the following are met:

9 (i) The district provides at least 2 nonconsecutive hours of
10 instruction per week to the pupil at the pupil's home under the
11 supervision of a certificated teacher.

12 (ii) The district provides instructional materials,
13 resources, and supplies, except computers, that are comparable to
14 those otherwise provided in the district's alternative education
15 program.

16 (iii) Course content is comparable to that in the district's
17 alternative education program.

18 (iv) Credit earned is awarded to the pupil and placed on the
19 pupil's transcript.

20 (w) A pupil enrolled in an alternative education program
21 described in section 25 shall be counted in membership in the
22 district or public school academy that expelled the pupil.

23 (x) For 1997-98 only, if a pupil was enrolled in a public
24 school academy on the pupil membership count day, if the public
25 school academy's contract with its authorizing body is revoked,
26 and if the pupil enrolls in a district within 45 days after the
27 pupil membership count day, the department shall adjust the

1 district's pupil count for the pupil membership count day to
2 include the pupil in the count.

3 (Y) IF A DISTRICT'S MEMBERSHIP AS OTHERWISE CALCULATED UNDER
4 THIS SUBSECTION WOULD BE LESS THAN 97% OF THE DISTRICT'S MEMBER-
5 SHIP FOR THE IMMEDIATELY PRECEDING FISCAL YEAR, THE DISTRICT'S
6 MEMBERSHIP SHALL BE CONSIDERED TO BE EQUAL TO 97% OF THE
7 DISTRICT'S MEMBERSHIP FOR THE IMMEDIATELY PRECEDING FISCAL YEAR.

8 (5) "Public school academy" means a public school academy
9 operating under the revised school code.

10 (6) "Pupil" means a person in membership in a public
11 school. A district must have the approval of the pupil's dis-
12 trict of residence to count the pupil in membership, except
13 approval by the pupil's district of residence shall not be
14 required for nonpublic part-time pupils, for pupils receiving 1/2
15 or less of their instruction in a district other than their dis-
16 trict of residence, for pupils enrolled in a public school acad-
17 emy or university school, for pupils enrolled in a district other
18 than their district of residence under an intermediate district
19 schools of choice pilot program as described in section 91a or
20 former section 91 if the intermediate district and its constitu-
21 ent districts have been exempted from section 105, for pupils
22 enrolled in a district other than their district of residence but
23 within the same intermediate district if the educating district
24 enrolls nonresident pupils in accordance with section 105, or for
25 pupils enrolled in a district other than their district of resi-
26 dence if the pupils have been continuously enrolled in the
27 educating district since a school year in which the pupils

1 enrolled in the educating district under section 105 and in which
2 the educating district enrolled nonresident pupils in accordance
3 with section 105. However, if a district that is not a first
4 class district educates pupils who reside in a first class dis-
5 trict and if the primary instructional site for those pupils is
6 located within the boundaries of the first class district, the
7 educating district must have the approval of the first class dis-
8 trict to count those pupils in membership. As used in this sub-
9 section, "first class district" means a district organized as a
10 school district of the first class under the revised school
11 code.

12 (7) "Pupil membership count day" of a district or intermedi-
13 ate district means:

14 (a) Except as provided in subdivision (b), the fourth
15 Wednesday in September each school year.

16 (b) For a district or intermediate district maintaining
17 school during the entire school year, the following days:

18 (i) Fourth Wednesday in July.

19 (ii) Fourth Wednesday in September.

20 (iii) Second Wednesday in February.

21 (iv) Fourth Wednesday in April.

22 (8) "Rule" means a rule promulgated pursuant to the adminis-
23 trative procedures act of 1969, 1969 PA 306, MCL 24.201 to
24 24.328.

25 (9) "The revised school code" means 1976 PA 451, MCL 380.1
26 to 380.1852.

1 (10) "School fiscal year" means a fiscal year that commences
2 July 1 and continues through June 30.

3 (11) "State board" means the state board of education.

5 supplemental pupil count is conducted under section 6a.

6 (13) "Tuition pupil" means a pupil of school age attending
7 school in a district other than the pupil's district of residence
8 for whom tuition may be charged. Tuition pupil does not include
9 a pupil who is a special education pupil; a pupil enrolled in a
10 district other than the pupil's district of residence but within
11 the same intermediate district if the educating district enrolls
12 nonresident pupils in accordance with section 105; a pupil
13 enrolled in a district other than the pupil's district of resi-
14 dence if the pupil has been continuously enrolled in the educat-
15 ing district since a school year in which the pupil enrolled in
16 the educating district under section 105 and in which the educat-
17 ing district enrolled nonresident pupils in accordance with sec-
18 tion 105; or a pupil served by an intermediate district schools
19 of choice pilot program as described in section 91a or former
20 section 91 if the intermediate district and its constituent dis-
21 tricts have been exempted from section 105. A pupil's district
22 of residence shall not require a high school tuition pupil, as
23 provided under section 111, to attend another school district
24 after the pupil has been assigned to a school district.

25 (14) "State school aid fund" means the state school aid fund
26 established in section 11 of article IX of the state constitution
27 of 1963.

1 (15) "Taxable value" means the taxable value of property as
2 determined under section 27a of the general property tax act,
3 1893 PA 206, MCL 211.27a.

4 (16) "Total state aid" or "total state school aid" means the
5 total combined amount of all funds due to a district, intermedi-
6 ate district, or other entity under all of the provisions of this
7 act.

8 (17) "University school" means an instructional program
9 operated by a public university under section 23 that meets the
10 requirements of section 23.
