

SENATE BILL NO. 1039

April 14, 1998, Introduced by Senators BULLARD, DUNASKISS, GEAKE, STEIL, CISKY, CHERRY, MILLER, DE BEAUSSAERT, CONROY, PETERS, BENNETT and A. SMITH and referred to the Committee on Appropriations.

A bill to amend 1979 PA 94, entitled "The state school aid act of 1979," by amending sections 11, 11f, 11g, 11h, and 11i (MCL 388.1611, 388.1611f, 388.1611g, 388.1611h, and 388.1611i), section 11 as amended and sections 11f, 11g, 11h, and 11i as added by 1997 PA 142, and by adding sections 11j, 11k, and 11l.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 11. (1) For the fiscal year ending September 30, 1998,
2 there is appropriated for the public schools of this state and
3 certain other state purposes relating to education the sum of
4 \$8,717,471,600.00 from the state school aid fund established by
5 section 11 of article IX of the state constitution of 1963 and
6 the sum of \$377,935,400.00 from the general fund. For the fiscal
7 year ending September 30, 1999, there is appropriated for the
8 public schools of this state and certain other state purposes

1 relating to education the sum of ~~\$9,036,198,400.00~~
2 \$9,039,548,400.00 from the state school aid fund established by
3 section 11 of article IX of the state constitution of 1963 and
4 the sum of \$420,613,500.00 from the general fund. In addition,
5 available federal funds are appropriated for 1997-98 and for
6 1998-99.

7 (2) The appropriations under this section shall be allocated
8 as provided in this act. Money appropriated under this section
9 from the general fund and from available federal funds shall be
10 expended to fund the purposes of this act before the expenditure
11 of money appropriated under this section from the state school
12 aid fund. If the maximum amount appropriated under this section
13 from the state school aid fund for a fiscal year exceeds the
14 amount necessary to fully fund allocations under this act from
15 the state school aid fund, that excess amount shall not be
16 expended in that state fiscal year and shall not lapse to the
17 general fund, but instead shall remain in the state school aid
18 fund.

19 (3) If the maximum amount appropriated under this section
20 and sections 11f and 11g from the state school aid fund for a
21 fiscal year exceeds the amount available for expenditure from the
22 state school aid fund for that fiscal year, payments under sec-
23 tions 11f, 11g, and 51a(2) shall be made in full and payments
24 under each of the other sections of this act shall be prorated on
25 an equal percentage basis as necessary to reflect the amount
26 available for expenditure from the state school aid fund for that
27 fiscal year. However, if the department of treasury determines

1 that proration will be required under this subsection, the
2 department of treasury shall notify the director of the depart-
3 ment of management and budget, and the director of the department
4 of management and budget shall notify the legislature at least 30
5 calendar days or 6 legislative session days, whichever is more,
6 before the department reduces any payments under this act because
7 of the proration. During the 30 calendar day or 6 legislative
8 session day period after that notification by the director of the
9 department of management and budget, the department shall not
10 reduce any payments under this act because of proration under
11 this subsection. The legislature may prevent proration from
12 occurring by, within the 30 calendar day or 6 legislative session
13 day period after that notification by the department of manage-
14 ment and budget, enacting legislation appropriating additional
15 funds from the general fund, countercyclical budget and economic
16 stabilization fund, state school aid fund balance, or another
17 source to fund the amount of the projected shortfall.

18 Sec. 11f. (1) In addition to any other money appropriated
19 under this act, there is appropriated from the state school aid
20 fund an amount not to exceed ~~-\$32,000,000.00-~~ \$33,300,000.00 each
21 fiscal year for the fiscal year ending September 30, 1999 and for
22 each succeeding fiscal year through the fiscal year ending
23 September 30, 2008. Payments under this section will cease after
24 September 30, 2008. These appropriations are for paying the
25 amounts described in subsection (4) to districts and intermediate
26 districts, other than those receiving a lump sum payment under
27 subsection (2), that were not plaintiffs in the consolidated

1 cases known as Durant v State of Michigan, ~~Michigan supreme~~
2 ~~court docket no. 104458-104492~~ 456 MICH 175 (1997), and that, on
3 or before March 2, 1998, have submitted to the state treasurer a
4 board resolution waiving any right or interest the district or
5 intermediate district has or may have in any claim or litigation
6 based on or arising out of any claim or potential claim through
7 September 30, 1997 that is or was similar to the claims asserted
8 by the plaintiffs in the consolidated cases known as Durant v
9 State of Michigan. The waiver resolution shall be in form and
10 substance as required under subsection (8). The state treasurer
11 is authorized to accept such a waiver resolution on behalf of
12 this state. The amounts described in this subsection represent
13 offers of settlement and compromise of any claim or claims that
14 were or could have been asserted by these districts and interme-
15 diate districts, as described in this subsection.

16 (2) In addition to any other money appropriated under this
17 act, there is appropriated from the state school aid fund an
18 amount not to exceed \$1,700,000.00 for the fiscal year ending
19 September 30, 1999. This appropriation is for paying the amounts
20 described in this subsection to districts and intermediate dis-
21 tricts that were not plaintiffs in the consolidated cases known
22 as Durant v State of Michigan; that, on or before March 2, 1998,
23 have submitted to the state treasurer a board resolution waiving
24 any right or interest the district or intermediate district has
25 or may have in any claim or litigation based on or arising out of
26 any claim or potential claim through September 30, 1997 that is
27 or was similar to the claims asserted by the plaintiffs in the

1 consolidated cases known as Durant v State of Michigan; and for
2 which the total amount listed in section 11h and paid under this
3 section is less than \$75,000.00. The waiver resolution shall be
4 in form and substance as required under subsection (8). The
5 state treasurer is authorized to accept such a waiver resolution
6 on behalf of this state. For a district or intermediate district
7 qualifying for a payment under this subsection, the entire amount
8 listed for the district or intermediate district in section 11h
9 shall be paid in a lump sum on November 15, 1998 or on the next
10 business day following that date. The amounts paid under this
11 subsection represent offers of settlement and compromise of any
12 claim or claims that were or could have been asserted by these
13 districts and intermediate districts, as described in this
14 subsection.

15 (3) This section does not create any obligation or liability
16 of this state to any district or intermediate district that does
17 not submit a waiver resolution described in subsection (1) or
18 (2). This section, any other provision of this act, and section
19 353e of the management and budget act, 1984 PA 431, MCL 18.1353e,
20 are not intended to admit liability or waive any defense that is
21 or would be available to this state or its agencies, employees,
22 or agents in any litigation or future litigation with a district
23 or intermediate district.

24 (4) The amount paid each fiscal year to each district or
25 intermediate district under subsection (1) shall be 1/20 of the
26 total amount listed in section 11h for each listed district or
27 intermediate district that qualifies for a payment under

1 subsection (1). The amounts listed in section 11h and paid in
2 part under this subsection and in a lump sum under subsection (2)
3 are offers of settlement and compromise to each of these dis-
4 tricts or intermediate districts to resolve, in their entirety,
5 any claim or claims that these districts or intermediate dis-
6 tricts may have asserted for violations of section 29 of article
7 IX of the state constitution of 1963 through September 30, 1997,
8 which claims are or were similar to the claims asserted by the
9 plaintiffs in the consolidated cases known as Durant v State of
10 Michigan. This section, any other provision of this act, and
11 section 353e of the management and budget act, 1984 PA 431,
12 MCL 18.1353e, shall not be construed to constitute an admission
13 of liability to the districts or intermediate districts listed in
14 section 11h or a waiver of any defense that is or would have been
15 available to the state or its agencies, employees, or agents in
16 any litigation or future litigation with a district or intermedi-
17 ate district.

18 (5) The entire amount of each payment under subsection (1)
19 each fiscal year shall be paid on November 15 of the applicable
20 fiscal year or on the next business day following that date.

21 (6) Funds paid to a district or intermediate district under
22 this section shall be used only for textbooks, electronic
23 instructional material, software, technology, infrastructure or
24 infrastructure improvements, school buses, school security,
25 training for technology, or to pay debt service on voter-approved
26 bonds issued by the district or intermediate district before the
27 effective date of this section. For intermediate districts only,

1 funds paid under this section may also be used for other
2 nonrecurring instructional expenditures including, but not
3 limited to, nonrecurring instructional expenditures for voca-
4 tional education, or for debt service for acquisition of technol-
5 ogy for academic support services. Funds received by an interme-
6 diate district under this section may be used for projects con-
7 ducted for the benefit of its constituent districts at the dis-
8 cretion of the intermediate board. To the extent payments under
9 this section are used by a district or intermediate district to
10 pay debt service on debt payable from millage revenues, and to
11 the extent permitted by law, the district or intermediate dis-
12 trict may make a corresponding reduction in the number of mills
13 levied for that debt service.

14 (7) The appropriations under this section are from the money
15 appropriated and transferred to the state school aid fund from
16 the countercyclical budget and economic stabilization fund under
17 section 353e(2) and (3) of the management and budget act, 1984
18 PA 431, MCL 18.1353e.

19 (8) The resolution to be adopted and submitted by a district
20 or intermediate district under this section and section 11g shall
21 read as follows:

22 "Whereas, the board of _____ (name of dis-
23 trict or intermediate district) desires to settle and compromise,
24 in their entirety, any claim or claims that the district (or
25 intermediate district) has or had for violations of section 29 of
26 article IX of the state constitution of 1963, which claim or
27 claims are or were similar to the claims asserted by the

1 plaintiffs in the consolidated cases known as Durant v State of
2 Michigan, Michigan supreme court docket no. 104458-104492.

3 Whereas, the district (or intermediate district) agrees to
4 settle and compromise these claims for the consideration
5 described in sections 11f and 11g of the state school aid act of
6 1979, 1979 PA 94, MCL 388.1611f and 388.1611g, and in the amount
7 specified for the district (or intermediate district) in
8 section 11h of the state school aid act of 1979, 1979 PA 94,
9 MCL 388.1611h.

10 Whereas, the board of _____ (name of district or
11 intermediate district) is authorized to adopt this resolution.

12 Now, therefore, be it resolved as follows:

13 1. The board of _____ (name of district or
14 intermediate district) waives any right or interest it may have
15 in any claim or potential claim through September 30, 1997 relat-
16 ing to the amount of funding the district or intermediate dis-
17 trict is, or may have been, entitled to receive under the state
18 school aid act of 1979, 1979 PA 94, MCL 388.1601 to 388.1772, or
19 any other source of state funding, by reason of the application
20 of section 29 of article IX of the state constitution of 1963,
21 which claims or potential claims are or were similar to the
22 claims asserted by the plaintiffs in the consolidated cases known
23 as Durant v State of Michigan, Michigan supreme court docket
24 no. 104458-104492.

25 2. The board of _____ (name of district or
26 intermediate district) directs its secretary to submit a
27 certified copy of this resolution to the state treasurer no later

1 than 5 p.m. eastern standard time on March 2, 1998, and agrees
2 that it will not take any action to amend or rescind this
3 resolution.

4 3. The board of _____ (name of district or
5 intermediate district) expressly agrees and understands that, if
6 it takes any action to amend or rescind this resolution, the
7 state, its agencies, employees, and agents shall have available
8 to them any privilege, immunity, and/or defense that would other-
9 wise have been available had the claims or potential claims been
10 actually litigated in any forum.

11 4. This resolution is contingent on continued payments by
12 the state each fiscal year as determined under sections 11f and
13 11g of the state school aid act of 1979, 1979 PA 94,
14 MCL 388.1611f and 388.1611g. However, this resolution shall be
15 an irrevocable waiver of any claim to amounts actually received
16 by the school district or intermediate school district under sec-
17 tions 11f and 11g of the state school aid act of 1979.".

18 (9) In order for the democratic process to inform and shape
19 distribution of the money paid under this section and section
20 11g, as referenced in the Michigan supreme court's July 31, 1997
21 opinion in the consolidated cases known as Durant v State of
22 Michigan, before June 30, 1998, the board of a district or inter-
23 mediate district that qualifies to receive funds under this sec-
24 tion or section 11g shall hold a public hearing of the board to
25 discuss how the board will use those funds and, if applicable,
26 any proceeds from bonds that may be issued under section 11i.
27 The board may hold this hearing as part of a regularly scheduled

1 board meeting if the public notice of that regular meeting
2 clearly indicates that the issue of use of funds received under
3 this section and section 11g will be on the agenda at the regular
4 meeting.

5 Sec. 11g. (1) In addition to the appropriations under sec-
6 tion 11f and any other money appropriated under this act, there
7 is appropriated from the state school aid fund an amount not to
8 exceed ~~-\$40,000,000.00-~~ \$41,000,000.00 for the fiscal year ending
9 September 30, 1999 and there is appropriated from the general
10 fund an amount not to exceed ~~-\$40,000,000.00-~~ \$41,000,000.00 for
11 the fiscal year ending September 30, 2000 and for each succeeding
12 fiscal year through the fiscal year ending September 30, 2013.
13 Payments under this section will cease after September 30, 2013.
14 These appropriations are for paying the amounts described in
15 subsection (3) to districts and intermediate districts, other
16 than those receiving a lump sum payment under section 11f(2),
17 that were not plaintiffs in the consolidated cases known as
18 Durant v State of Michigan, ~~Michigan supreme court docket~~
19 ~~no. 104458-104492-~~ 456 MICH 175 (1997), and that, on or before
20 March 2, 1998, have submitted to the state treasurer a waiver
21 resolution described in section 11f. The amounts paid under this
22 section represent offers of settlement and compromise of any
23 claim or claims that were or could have been asserted by these
24 districts and intermediate districts, as described in this
25 section.

26 (2) This section does not create any obligation or liability
27 of this state to any district or intermediate district that does

1 not submit a waiver resolution described in section 11f. This
2 section, any other provision of this act, and section 353e of the
3 management and budget act, 1984 PA 431, MCL 18.1353e, are not
4 intended to admit liability or waive any defense that is or would
5 be available to this state or its agencies, employees, or agents
6 in any litigation or future litigation with a district or inter-
7 mediate district regarding these claims or potential claims.

8 (3) The amount paid each fiscal year to each district or
9 intermediate district under this section shall be the sum of the
10 following:

11 (a) 1/30 of the total amount listed in section 11h for the
12 district or intermediate district.

13 (b) If the district or intermediate district borrows money
14 and issues bonds under section 11i, an additional amount in each
15 fiscal year calculated by the department of treasury that, when
16 added to the amount described in subdivision (a), will cause the
17 net present value as of November 15, 1998 of the total of the 15
18 annual payments made to the district or intermediate district
19 under this section, discounted at a rate as determined by the
20 state treasurer, to equal the amount of the bonds issued by that
21 district or intermediate district under section 11i and that will
22 result in the total payments made to all districts and intermedi-
23 ate districts in each fiscal year under this section being no
24 more than the amount appropriated under this section in each
25 fiscal year.

26 (4) The entire amount of each payment under this section
27 each fiscal year shall be paid on May 15 of the applicable fiscal

1 year or on the next business day following that date. If a
2 district or intermediate district borrows money and issues bonds
3 under section 11i, the district or intermediate district shall
4 use funds received under this section to pay debt service on
5 bonds issued under section 11i. If a district or intermediate
6 district does not borrow money and issue bonds under section 11i,
7 the district or intermediate district shall use funds received
8 under this section only for the following purposes, in the fol-
9 lowing order of priority:

10 (a) First, to pay debt service on voter-approved bonds
11 issued by the district or intermediate district before the effec-
12 tive date of this section.

13 (b) Second, to pay debt service on other limited tax
14 obligations.

15 (c) Third, for deposit into a sinking fund established by
16 the district or intermediate district under the revised school
17 code.

18 (5) To the extent payments under this section are used by a
19 district or intermediate district to pay debt service on debt
20 payable from millage revenues, and to the extent permitted by
21 law, the district or intermediate district may make a correspond-
22 ing reduction in the number of mills levied for debt service.

23 (6) A district or intermediate district may pledge or assign
24 payments under this section as security for bonds issued under
25 section 11i, but shall not otherwise pledge or assign payments
26 under this section.

1 (7) The state school aid fund appropriation under this
2 section for 1998-99 is from the money appropriated and
3 transferred to the state school aid fund from the countercyclical
4 budget and economic stabilization fund under section 353e(2) of
5 the management and budget act, 1984 PA 431, MCL 18.1353e.

6 Sec. 11h. (1) For the purposes of sections 11f and 11g, the
7 following amounts are ~~offered~~ ALLOCATED ACCORDING TO THOSE
8 SECTIONS to each district or intermediate district to settle,
9 compromise, and resolve, in their entirety, any claim or claims
10 that those districts or intermediate districts may have asserted
11 for violations of section 29 of article IX of the state constitu-
12 tion of 1963 through September 30, 1997, which claims are or were
13 similar to the claims asserted by the plaintiffs in the consoli-
14 dated cases known as Durant v State of Michigan, ~~Michigan~~

17 (2) This section, any other provision of this act, or
18 section 353e of the management and budget act, 1984 PA 431,
19 MCL 18.1353e, shall not be construed to constitute an admission
20 of liability to the districts designated in this section in any
21 litigation or future litigation with a district or intermediate
22 district. In addition, this section, any other provision of this
23 act, or section 353e of the management and budget act, 1984
24 PA 431, MCL 18.1353e, shall not be construed to constitute a
25 waiver of any defense that is or would have been available to
26 this state or its agencies, employees, or agents in any

1 litigation or future litigation with a district or intermediate
2 district.

3 Sec. 11i. (1) In addition to any other authority granted
4 under law, an eligible district or intermediate district may
5 borrow from the Michigan municipal bond authority created under
6 the shared credit rating act, 1985 PA 227, MCL 141.1051 to
7 141.1077, an amount equal to 1/2 of the amount listed for the
8 district or intermediate district in section 11h OR SECTION 11J,
9 in anticipation of the receipt of the payments appropriated under
10 section 11g OR SECTION 11I, and may authorize by resolution of
11 its governing body and issue its bonds to evidence its obliga-
12 tions to the Michigan municipal bond authority on the terms and
13 with those provisions as are provided by resolution of the board
14 of the district or intermediate district and as are acceptable to
15 the Michigan municipal bond authority if the bonds are accom-
16 panied by an opinion of bond counsel acceptable to the Michigan
17 municipal bond authority to the effect that the interest on the
18 bonds is excluded from gross income for federal income tax
19 purposes. For the purposes of this section, an eligible district
20 or intermediate district is a district or intermediate district,
21 other than a district or intermediate district that receives a
22 lump sum payment under section 11f(2) OR SECTION 11K(2), that
23 qualifies to receive funds under sections 11f and 11g OR UNDER
24 SECTIONS 11K AND 11I and that notifies the department of treasury
25 not later than 5 p.m. eastern daylight time on June 30, 1998, in
26 the form and manner prescribed by the department of treasury,
27 that the district or intermediate district will borrow money and

1 issue bonds under this section. A district or intermediate
2 district may pledge and assign to the Michigan municipal bond
3 authority, as security for the bonds, all of the payments appro-
4 priated to it under section 11g OR SECTION 111 but may not other-
5 wise pledge or assign those payments. Bonds issued under this
6 section are not subject to the municipal finance act, 1943
7 PA 202, MCL 131.1 to 139.3.

8 (2) Proceeds of bonds issued under this section shall be
9 made available to districts and intermediate districts on or
10 after November 15, 1998. Each district and intermediate district
11 shall use proceeds of bonds issued by it under this section only
12 for a purpose for which bonds may be issued under section 1351a
13 of the revised school code, MCL 380.1351a.

14 (3) Bonds issued under this section do not constitute a gen-
15 eral obligation or debt of a district or intermediate district
16 within the meaning of any constitutional or statutory debt
17 limitation.

18 (4) This section shall be construed as cumulative authority
19 for the exercise of the powers granted in this section and shall
20 not be construed to repeal any existing law. The purpose of this
21 section is to create full and complete additional and alternate
22 methods for the exercise of existing powers, and the powers con-
23 ferred by this section are not affected or limited by any other
24 statute or by any charter or incorporating document.

25 (5) A pledge made by a district or intermediate district
26 under this section is valid and binding from the time the pledge
27 is made. The revenue or other money pledged under this section

1 and thereafter received by a district or intermediate district is
2 immediately subject to the lien of the pledge without physical
3 delivery of the revenue or money or any further act. The lien of
4 such a pledge is valid and binding against a party having a claim
5 of any kind in tort, contract, or otherwise against the district
6 or intermediate district, irrespective of whether that party has
7 notice of the pledge. The resolution or any other instrument by
8 which a pledge is created is not required to be filed or recorded
9 in order to establish and perfect a lien or security interest in
10 the property pledged.

11 (6) Bonds issued under this section are not in any way a
12 debt or liability of this state; do not create or constitute any
13 indebtedness, liability, or obligation of this state; are not and
14 do not constitute a pledge of the faith and credit of this state;
15 and shall contain on their face a statement to that effect.
