Messages from the Governor

The following line item veto message from the Governor was received and read:

Executive Office, Lansing, March 29, 2000

Michigan House of Representatives
State Capitol Building
Lansing, Michigan 48909

Ladies and Gentlemen:

Today I have signed Enrolled House Bill 4305, containing Fiscal Year 2000 supplemental appropriations for the departments of Community Health and Environmental Quality supported with Clean Michigan Initiative (CMI) Fund revenue. However, I am returning it to you because of one item of which I disapprove, pursuant to Article V, section 19, of the Michigan Constitution. The specific veto is contained in the attached copy of the bill, which has been filed with the Secretary of State. My action today:

- Provides \$5 million to the Department of Community Health for lead abatement to remediate and physically improve structures to abate or minimize exposure to lead hazards.
- Establishes \$30 million for the Waterfront Redevelopment grant program, authorizing the balance of \$50 million to reclaim and revitalize waterfront property to maximize its economic and public value.
- Supports \$26.7 million for a variety of clean water initiatives including water quality monitoring, illicit storm sewer connection grants, remedial action plan and lakewide management plan implementation grants, conservation reserve enhancement program matching funds, abandoned well management grants, voluntary storm water permit grants, failing on-site septic systems grants and protecting high water quality grants.
- Increases funding for brownfield grants and loans with \$13 million to implement response activities at known or suspected facilities with redevelopment potential.

- More than doubles the funding for cleanup of contaminated lake and river sediments with \$5.2 million earmarked for six additional locations across the state.
- Initiates various pollution prevention programs with \$3 million, including development of an environmental education curriculum, operation of household hazardous waste collection centers, and regional pollution prevention projects that target areas with environmentally sensitive natural resources.
- Provides \$500,000 from the Retired Engineers Technical Assistance Fund, capitalized with \$10 million from CMI Fund revenue, to help small business owners identify pollution prevention opportunities.

My action includes veto of the Volunteer River, Stream, and Creek Cleanup program and related boilerplate section 402. This item directs \$100,000 in CMI nonpoint source pollution control revenue for river debris cleanup, which is not within the statutory uses of this restricted revenue source. Enrolled House Bill 5042 earmarks specialty license plate sales revenue to protect the water quality of the Great Lakes, inland lakes, rivers and streams. The new Water Quality Protection Fund will provide an appropriate source of financing for activities such as the volunteer cleanup program.

I commend the Legislature for its cooperation in authorizing the second year of funding for several Clean Michigan Initiative programs and the startup of many clean water and pollution prevention strategies for Fiscal Year 2000.

Sincerely,
John Engler
Governor

The question being on the passage of the disapproved item, the objections of the Governor to the contrary notwithstanding,

Rep. Raczkowski moved that consideration of the bill be postponed for the day.
The motion prevailed.

By unanimous consent the House returned to the order of

Reps. Shackleton, Kowall, Gilbert, Julian, Allen, Tabor, Faunce, Vear, Kuipers, Sanborn, Richner, Raczkowski, Neumann, Kilpatrick, Birkholz, Scranton, Jansen, Shulman, LaForge, Basham, Bovin, Sheltroun, Jammick, Prusi, Kelly, Hale, Jelinek, LaSata, Garcia, Bishop, Middaugh, Cassis, Pappageorge, Mortimer, Vander Roest, Voorhees, Kukuk, Mead, Bisbee, Lockwood, DeVuyst, Green, DeWeese, Van Woerkom, Toy, Koetje, Hager, DeRossett, Godchaux and Lemmons offered the following resolution:

House Resolution No. 311.

A resolution to memorialize the Congress of the United States to take all necessary actions in order to begin the construction of a new Poe-sized lock at Sault Ste. Marie.

Whereas, The Soo Locks are a vital component of transportation and commerce in North America. The ability to handle the large ships that traverse our network of inland seas is essential not only to the eight Great Lakes states, but to our national economy as well; and

Whereas, In 1986, Congress and the President authorized the construction of a new Poe-sized lock at Sault Ste. Marie to facilitate navigation for the region far into the future. This major undertaking requires the financial commitment of the federal government and the Great Lakes states over several decades; and

Whereas, Several steps have been taken to assure that a fair and equitable share of the project's costs will be carried by the Great Lakes states; and

Whereas, The state of Michigan stands ready to participate financially in the construction of the lock; and

Whereas, It is the belief of the Michigan House of Representatives that this is the time to begin the effort to prepare to meet the navigational needs of the next century; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the Congress of the United States to take all necessary actions in order to begin the construction of a new Poe-sized lock at Sault Ste. Marie; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Transportation.

Reps. Rick Johnson, Hansen, Spade, DeHart, Rocca, Faunce, Neumann, Rivet, Kilpatrick, Richardville, Frank, Birkholz, Scranton, Kuipers, Jansen, Shulman, LaForge, Basham, Brater, Minore, Gielegem, Sheltroun, Jammick, Schermesser, Prusi, Kelly, Hale, Martinez, Scott, Jelinek, LaSata, Garcia, Bishop, Middaugh, Baird, Schauer, Cassis, Pappageorge, Jellema, Mortimer, Vander Roest, Bogardus, Voorhees, Kukuk, Shackleton, Mead, DeVuyst, Caul, Green, Jacobs, Quarles, DeWeese, Van Woerkom, Gosselin, Kowall, Julian, Toy, Koetje, Hager, DeRossett, Raczkowski, Godchaux, Switalski and Lemmons offered the following resolution:

House Resolution No. 312.

A resolution designating May 11, 2000, as Osteoporosis Awareness Day in Michigan.

Whereas, Osteoporosis, or porous bone, is a disease characterized by low bone mass and structural deterioration of bone tissue, leading to bone fragility and an increased susceptibility to fractures of the hip, spine and wrist; and

Whereas, Osteoporosis is a major public health threat for more than 28 million Americans, 80 percent of whom are women. In the United States, 8 million women and 2 million men have osteoporosis, with millions more experiencing low bone density; and

Whereas, Osteoporosis is responsible for 1.5 million fractures annually. The national cost of treating those fractures is approximately \$13.8 billion, roughly \$38 million each day; and

Whereas, Lifestyle modifications, such as increased dietary or supplemental calcium and reduced alcohol and tobacco use, can drastically reduce a person's risk of obtaining osteoporosis. These changes, along with support for awareness programs educating individuals on the symptoms, such as back pain and loss of height, and prevention techniques such as bone density testing and regular weight-bearing exercise, Michiganders and all Americans can greatly reduce their susceptibility to this debilitating condition; now, therefore, be it

Resolved by the House of Representatives, That we commemorate May 11, 2000 as Osteoporosis Awareness Day in Michigan as evidence of our support for preventing and treating this affliction; and be it further

Resolved, That a copy of the resolution be transmitted to the National Osteoporosis Foundation in Washington, D.C., as an expression of our awareness and commitment to helping fight this dreadful disease.

Pending the reference of the resolution to a committee,

Rep. Raczkowski moved that Rule 77 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

House Resolution No. 313.

A resolution honoring the American Legion, Department of Michigan.

Whereas, The American Legion, Department of Michigan was formed as a chapter of the American Legion of World War I veterans which was developed at the Paris, France, Caucus on February 16, 1919; and

Whereas, On August 1, 1920, the Michigan Department of the American Legion received its permanent charter from the national organization. The first meeting of the Michigan chapter was held in St. Louis, Missouri, on Saturday, May 10, 1919, at which time the Department of Michigan was divided according to Congressional Districts; and

Whereas, The Michigan Department of the American Legion was incorporated under a State Charter and headquartered in Detroit. In 1974, the physical headquarters was moved to Lansing, Michigan, with a Veterans Affairs and Rehabilitation Office maintained in Detroit; and

Whereas, The Michigan Department of the American Legion continues to be faithful to its origins and to the veterans and families it represents; and

Whereas, This first year in the new millennium the Michigan Department of the American Legion will be celebrating its 80th anniversary; now, therefore, be it

Resolved by the House of Representatives, That the highest praise and admiration be accorded to the members of the Michigan Department of the American Legion; and be it further

Resolved, That the House of Representatives offer congratulations to the organization on its 80th anniversary; and be it further

Resolved, That a copy of this resolution be presented to the Department Commander of the Michigan Department of the American Legion as evidence of our highest esteem and appreciation of their efforts.

Pending the reference of the resolution to a committee,

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

House Resolution No. 314.

A resolution supporting the removal of the Confederate Flag from above the South Carolina Statehouse dome.

Whereas, The Michigan House of Representatives wishes to express its support for the removal of the Confederate Flag from atop the South Carolina Statehouse dome; and

Whereas, The South Carolina Legislature originally raised the Confederate Flag over its Statehouse in 1962 to honor the Civil War's centennial. We acknowledge that the Confederate States of America's battle flag is a symbol of the blood sacrifice made by many South Carolinians; and

Whereas, The Confederate Flag has been misused by racist organizations who have led many people to associate the flag with hatred and intolerance of minorities. For many in the African American community and many throughout our entire society, the Confederate Flag represents slavery, racism, lynching, and violence against Blacks. The raising of this flag, at the height of the Civil Rights movement, was an insult to the African American community; and

Whereas, The Michigan House of Representatives believes that the removal of this flag from atop the South Carolina Statehouse will symbolize the end of an oppressive era for African Americans in this country; now, therefore, be it

Resolved by the House of Representatives, That we encourage the expedient and peaceful removal of the Confederate Flag from the South Carolina Statehouse dome; and be it further

Resolved, That a copy of this resolution be transmitted to the Governor of South Carolina and the South Carolina Legislature to notify them of our support for the removal of the flag and affirmation of the dignity and equality of African Americans.

The resolution was referred to the Committee on Constitutional Law and Ethics.

Reps. Brater, Hansen, Spade, DeHart, Rocca, Faunce, Neumann, Rivet, Kilpatrick, Richardville, Frank, Hanley, Birkholz, Scranton, Shulman, LaForge, Basham, Dennis, Woodward, Minore, Gielegem, Bovin, Sheltroun, Jamnick, Schermesser, Prusi, Kelly, Hale, Martinez, Scott, Jelinek, Garcia, Middaugh, Baird, Schauer, Cassis, Jellema, Mortimer, Vander Roest, Bogardus, Voorhees, Shackleton, Mead, DeVuyst, Caul, Green, Jacobs, Quarles, DeWeese, Van Woerkom, Kowall, Julian, Hager, DeRossett, Raczkowski, Switalski and Lemmons offered the following resolution:

House Resolution No. 315.

A resolution recognizing May 14 through May 20, 2000, as Senior Housing Awareness Week.

Whereas, May is Older Adults Month; and

Whereas, It is essential that older adults be able to find suitable and appropriate housing for their special needs. As the aging population grows, the need for housing for older residents will grow; and

Whereas, Since 1983, the Housing Bureau for Seniors has assisted aging adults in Washtenaw County with their housing needs. Their unique focus helps the older members of the community make housing choices that are both affordable and appropriate to their particular situations; and

Whereas, The Housing Bureau for Seniors has a home counseling program that assists in evaluating housing options, making appropriate selections, and managing transitions to new living environments; and

Whereas, The Housing Bureau for Seniors has a program to help senior homeowners manage and pay their property taxes to avoid losing their homes; and

Whereas, The Housing Bureau for Seniors helps senior adults remain in their homes by arranging shared living with others in need; and

Whereas, The Housing Bureau for Seniors coordinates community resources to identify and resolve tenant problems before an eviction crisis; now, therefore, be it

Resolved by the House of Representatives, That May 14 through May 20, 2000, be designated as Senior Housing Awareness Week in the State of Michigan in order to increase awareness of many affordable and appropriate housing choices suitable for its older residents; and be it further

Resolved, That the Housing Bureau for Seniors be commended for promoting this effort and that a copy of this resolution be transmitted to the Housing Bureau for Seniors.

Pending the reference of the resolution to a committee,

Rep. Raczkowski moved that Rule 77 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Senate Concurrent Resolution No. 33.

A concurrent resolution to urge the Department of Consumer and Industry Services and the Department of Community Health to review health problems associated with tattooing and body piercing.

Whereas, In recent years, the increasing popularity of tattooing and body piercing has generated concerns among public health officials. These procedures, which do not require licensing, include invasive techniques that expose people to risks of infection; and

Whereas, Some procedures for body piercing seem to be as invasive as certain standard medical and dental services that require years of education, training, and equipment on hand for possible emergencies. In the case of piercing of the tongue, for example, the potential for harm extends not only to the teeth and mouth, but to the heart and brain, which are vulnerable to certain infections. Those concerned with the impact on health wonder if some of these practices amount to practicing medicine or dentistry without a license; and

Whereas, In many areas across the country, health officials have expressed serious worries over the impact that tattoos and body piercing are having on another aspect of public health, the number of people donating blood. Because of the fears of infection, federal rules prohibit a person from donating blood within a year of receiving a tattoo or body piercing outside a doctor's office or with a piercing gun. Reductions of young donors have many worried over even greater damage to the nation's blood supply in the near future; and

Whereas, Clearly, there are health issues associated with tattooing, branding, body piercing, and scarring that need to be examined thoroughly; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we urge the Department of Consumer and Industry Services and the Department of Community Health to review health problems associated with tattooing and body piercing, including whether some of these procedures can be considered as practicing medicine or dentistry without a license; and be it further

Resolved, That copies of this resolution be transmitted to the Department of Consumer and Industry Services, the Department of Community Health, and the Attorney General.

The Senate has adopted the concurrent resolution.

The concurrent resolution was referred to the Committee on Health Policy.

Reps. Rocca, Faunce, Neumann, Birkholz, Kuipers, LaForge, Basham, Brater, Gielegem, Bovin, Sheltroun, Jamnick, Prusi, Kelly, Scott, Jelinek, Garcia, Cassis, Vander Roest, Voorhees, Kukuk, Shackleton, Bisbee, DeVuyst, Caul, Green, Jacobs, DeWeese, Van Woerkom, Gosselin, Kowall, Julian, Hager, Raczkowski, Switalski and Lemmons were named co-sponsors of the concurrent resolution.
