Sec. 1. As used in this act:

(a) "Firearm" means a weapon from which a dangerous projectile may be propelled by an explosive, or by gas or air. Firearm does not include a smooth bore rifle or handgun designed and manufactured exclusively for propelling by a spring, or by gas or air, BB's not exceeding .177 caliber.

(b) "Pistol" means a loaded or unloaded firearm that is 30 inches or less in length, or a loaded or unloaded firearm that by its construction and appearance conceals it as a firearm.

(c) "Purchaser" means a person who receives a pistol from another person by purchase or gift.

(d) "Seller" means a person who sells or gives a pistol to another person.

Sec. 1a. It is the intent of the legislature to create a standardized system for issuing concealed pistol licenses to prevent criminals and other violent individuals from obtaining a license to carry a concealed pistol, to allow law abiding residents to obtain a license to carry a concealed pistol, and to prescribe the rights and responsibilities of individuals who have obtained a license to carry a concealed pistol. It is also the intent of the legislature to grant an applicant the right to know why his or her application for a concealed pistol license is denied and to create a process by which an applicant may appeal that denial.

Sec. 2a. (1) An individual who is licensed under section 5b to carry a concealed pistol is not required to obtain a license under section 2 to purchase, carry, or transport a pistol.

(2) If an individual licensed under section 5b purchases a pistol, the seller shall complete a sales record in triplicate on a form provided by the department of state police. The record shall include the individual's concealed weapon license number. The individual purchasing the pistol shall sign the record. The seller shall retain 1 copy of the record, provide 1 copy to the individual purchasing the pistol, and forward the original to the department of state police within 10 days following the purchase.

(3) This section does not apply to a person or entity exempt under section 2(7).

(4) An individual who makes a material false statement on a sales record under this section is guilty of a felony punishable by imprisonment for not more than 4 years or a fine of not more than \$2,500.00, or both.

(5) The department of state police may promulgate rules to implement this section.

Sec. 5. (1) County sheriffs, local police agencies, and county clerks shall provide concealed pistol application kits during normal business hours and free of charge to individuals who wish to apply for licenses to carry concealed pistols. Each kit shall only contain all of the following:

(a) A concealed pistol license application form provided by the director of the department of state police.

(b) The fingerprint cards required under section 5b(11).

(c) Written information regarding the procedures involved in obtaining a license to carry a concealed pistol, including information regarding the right to appeal the denial of a license and the form required for that appeal.

(d) Written information identifying entities that offer the training required under section 5b(7)(c).

(2) A county sheriff, local police agency, or county clerk shall not deny an individual the right to receive a concealed pistol application kit under this section.

(3) An individual who is denied an application kit under this section and obtains an order of mandamus directing the concealed weapon licensing board to provide him or her with the application kit shall be awarded his or her actual and reasonable costs and attorney fees for obtaining the order.

(4) The department of state police shall provide the application kits required under this section to county sheriffs, local law enforcement agencies, and county clerks in sufficient quantities to meet demand. The department of state police shall not charge a fee for the kits.

Sec. 5a. (1) Each county shall have a concealed weapon licensing board. The concealed weapon licensing board of each county shall have the following members:

(a) The county prosecuting attorney or his or her designee. However, if the county prosecuting attorney decides that he or she does not want to be a member of the concealed weapon licensing board, he or she shall notify the county board of commissioners in writing that he or she does not want to be a member of the concealed weapon licensing board for the balance of his or her term in office. The county board of commissioners shall then appoint a replacement for the prosecuting attorney who is a firearms instructor who has the qualifications prescribed in section 5j(1)(c). The person who replaces the prosecuting attorney shall serve on the concealed weapon licensing board in place of the prosecuting attorney for the remaining term of the county prosecuting attorney unless removed for cause by the county board of commissioners. If a vacancy occurs on the concealed weapon licensing board of the person appointed pursuant to this section during the term of office of the county prosecuting attorney, the county board of commissioners shall appoint a replacement person who is a firearms instructor who has the qualifications prescribed in section 5j(1)(c).

(b) The county sheriff or his or her designee.

(c) The director of the department of state police or his or her designee.

(2) If a prosecuting attorney chooses not to be a member of the concealed weapon licensing board, all of the following apply:

(a) The prosecuting attorney shall be notified of all applications received by the concealed weapon licensing board.

(b) The prosecuting attorney shall be given an opportunity to object to granting a license to carry a concealed pistol and present evidence bearing directly on an applicant's suitability to carry a concealed pistol safely.

(c) The prosecuting attorney shall disclose to the concealed weapon licensing board any information of which he or she has actual knowledge that bears directly on an applicant's suitability to carry a concealed pistol safely.

(3) The county prosecuting attorney or his or her designee shall serve as chairperson of the board unless the prosecuting attorney does not want to be a member of the concealed weapon licensing board, in which case the concealed weapon licensing board shall elect its chairperson. Two members of the concealed weapon licensing board constitute a quorum of the concealed weapon licensing board. The business of the concealed weapon licensing board shall be conducted by a majority vote of all of the members of the concealed weapon licensing board.

(4) The county clerk shall serve as the clerk of the concealed weapon licensing board.

(5) Except as otherwise provided in this act, the concealed weapon licensing board has exclusive authority to issue, deny, revoke, or suspend a license to carry a concealed pistol. The concealed weapon licensing board shall perform other duties as provided by law.

(6) The concealed weapon licensing board may convene not more than 3 panels to assist the board in evaluating applicants. The panels shall be composed of representatives as prescribed in subsection (1). The panels do not have the authority to issue, deny, revoke, or suspend a license.

(7) The concealed weapon licensing board may investigate the applicant for a license to carry a concealed pistol. The investigation shall be restricted to determining only whether the applicant is eligible under this act to receive a license to carry a concealed pistol, and the investigation regarding the issuance of a license shall end after that determination is made. The concealed weapon licensing board may require the applicant to appear before the board at a mutually agreed-upon time for a conference. The applicant's failure or refusal to appear without valid reason before the concealed weapon licensing board as provided in this subsection is grounds for the board to deny issuance of a license to carry a concealed pistol to that applicant.

(8) If the concealed weapon licensing board determines there is probable cause to believe the safety of the applicant or the safety of a member of the applicant's family is endangered by the applicant's inability to immediately obtain a license to carry a concealed pistol, the concealed weapon licensing board may, pending issuance of a license, issue a temporary license to the individual to carry a concealed pistol. A temporary license shall be on a form provided by the department of state police. A temporary license shall be unrestricted and shall be valid for not more than 180 days. A temporary license may be renewed for 1 additional period of not more than 180 days. A temporary license is, for all other purposes of this act, a license to carry a concealed pistol.

(9) The legislative service bureau shall compile the firearms laws of this state, including laws that apply to carrying a concealed pistol, and shall provide copies of the compilation to each concealed weapon licensing board in this state for distribution under this subsection. A concealed weapon licensing board shall distribute a copy of the compilation to each individual who applies for a license to carry a concealed pistol at the time the application is submitted. The concealed weapon licensing board shall require the applicant to sign a written statement acknowledging that he or she has received a copy of the compilation. An individual is not eligible to receive a license to carry a concealed pistol until he or she has signed the statement.

Sec. 5b. (1) To obtain a license to carry a concealed pistol, an individual shall apply to the concealed weapon licensing board in the county in which that individual resides for a license to carry a concealed pistol. The application shall be filed with the county clerk as clerk of the concealed weapon licensing board during the county clerk's normal business hours. The application shall be on a form provided by the director of the department of state police and shall allow the applicant to designate whether the applicant seeks a temporary license. The application shall be signed under oath by the applicant. The oath shall be administered by the county clerk or his or her representative. The application shall contain all of the following information:

(a) The applicant's legal name, date of birth, and the address of his or her primary residence. If the applicant resides in a city, village, or township that has a police department, the information provided under this subdivision shall include a statement that the city, village, or township has a police department.

(b) A statement by the applicant that the applicant meets the criteria for a license under this act to carry a concealed pistol.

(c) A statement by the applicant providing authority to the concealed weapon licensing board to access any record pertaining to the qualifications of an applicant for a license to carry a concealed pistol under this act.

(d) A statement by the applicant regarding whether he or she has a history of mental illness that would disqualify him or her under subsection (7)(j) to (l) from receiving a license to carry a concealed pistol, and granting authority to the concealed weapon licensing board to access the mental health records of the applicant relating to his or her mental health history. The applicant may request that information received by the concealed weapon licensing board under this subdivision be reviewed in a closed session. If the applicant requests that the session be closed, the concealed weapon licensing board shall close the session only for purposes of this subdivision. The applicant and his or her representative

have the right to be present in the closed session. Information received by the concealed weapon licensing board under this subdivision is confidential and shall not be disclosed to any person except for purposes of this act.

(e) A statement by the applicant regarding whether he or she has ever been convicted in this state or elsewhere for any felony or misdemeanor.

A unit of local government, an agency of a unit of local government, or an agency or department of this state shall not charge an additional fee, assessment, or other amount in connection with a license under this section, other than the fingerprint fee provided for in this act. The fee and assessment shall be payable to the county. The county treasurer shall deposit \$10.00 of each fee collected under this section in the general fund of the county to the credit of the county clerk and forward the balance to the state treasurer. The state treasurer shall deposit the balance of the fee in the general fund to the credit of the department of state police. The state treasurer shall deposit the assessment in the concealed weapon enforcement fund created in section 5v. Each county shall report to the senate and house fiscal agencies by October 1 of each year its costs per applicant to implement this section.

If the applicant resides in a city, village, or township that has a police department, the concealed weapon licensing board shall contact that city, village, or township police department to determine only whether that city, village, or township police department has any information relevant to the investigation of whether the applicant is eligible under this act to receive a license to carry a concealed pistol.

(c) The applicant has knowledge and has had training in the safe use and handling of a pistol by the successful completion of a pistol safety training course or class that meets the requirements of section 5j, and that is available to the general public and presented by a law enforcement agency, junior or community college, college, or public or private institution or organization or firearms training school.
