The People of the State of Michigan enact:

Sec. 7. (1) Except as otherwise provided in this act, a governmental agency is immune from tort liability if the governmental agency is engaged in the exercise or discharge of a governmental function. Except as otherwise provided in this act, this act does not modify or restrict the immunity of the state from tort liability as it existed before July 1, 1965, which immunity is affirmed.

(2) Except as otherwise provided in this section, and without regard to the discretionary or ministerial nature of the conduct in question, each officer and employee of a governmental agency, each volunteer acting on behalf of a governmental agency, and each member of a board, council, commission, or statutorily created task force of a governmental agency is immune from tort liability for an injury to a person or damage to property caused by the officer, employee, or member while in the course of employment or service or caused by the volunteer while acting on behalf of a governmental agency if all of the following are met:

(a) The officer, employee, member, or volunteer is acting or reasonably believes he or she is acting within the scope of his or her authority.

(b) The governmental agency is engaged in the exercise or discharge of a governmental function.

(c) The officer's, employee's, member's, or volunteer's conduct does not amount to gross negligence that is the proximate cause of the injury or damage.

(3) Subsection (2) does not alter the law of intentional torts as it existed before July 7, 1986.

(4) This act does not grant immunity to a governmental agency or an employee or agent of a governmental agency with respect to providing medical care or treatment to a patient, except medical care or treatment provided to a patient in a hospital owned or operated by the department of community health or a hospital owned or operated by the department of corrections and except care or treatment provided by an uncompensated search and rescue operation medical assistant or tactical operation medical assistant.

(5) A judge, a legislator, and the elective or highest appointive executive official of all levels of government are immune from tort liability for injuries to persons or damages to property if he or she is acting within the scope of his or her judicial, legislative, or executive authority.

(6) A guardian ad litem is immune from civil liability for an injury to a person or damage to property if he or she is acting within the scope of his or her authority as guardian ad litem. This subsection applies to actions filed before, on, or after May 1, 1996.

(b) "Search and rescue operation" means an action by a governmental agency to search for, rescue, or recover victims of a natural or manmade disaster, accident, or emergency on land or water.

(c) "Search and rescue operation medical assistant" means an individual licensed to practice 1 or more of the occupations listed in subdivision (e), acting within the scope of the license, and assisting a governmental agency in a search and rescue operation.

(d) "Tactical operation" means a coordinated, planned action by a special operations, weapons, or response team of a law enforcement agency that is 1 of the following:
