12 injuries or damages sustained, may reasonably be anticipated to
13 involve the association if the member is ultimately held legally
14 liable for the injuries or damages. Solely for the purpose of
15 reporting claims, the member shall in all instances consider itself
16 legally liable for the injuries or damages. The member shall also
17 advise the association of subsequent developments likely to
18 materially affect the interest of the association in the claim.

19 (c) Maintain relevant loss and expense data relative to all
20 liabilities of the association and require each member to furnish
21 statistics, in connection with liabilities of the association, at
22 the times and in the form and detail as may be required by the plan
23 of operation.

24 (d) In a manner provided for in the plan of operation **AND**
25 **SUBJECT TO THE COMMISSIONER'S APPROVAL**, calculate and charge to

2 premium is applicable. **THE COMMISSIONER MAY DISAPPROVE ANY TOTAL**
3 **PREMIUM AMOUNT THAT THE COMMISSIONER CONSIDERS TO BE EXCESSIVE.** The
4 premium shall include an amount to cover incurred but not reported
5 losses for the period and may be adjusted for any excess or
6 deficient premiums from previous periods. Excesses or deficiencies
7 from previous periods may be fully adjusted in a single period or
8 may be adjusted over several periods in a manner provided for in
9 the plan of operation. Each member shall be charged an amount equal
10 to that member's total written car years of insurance providing the
11 security required by section 3101(1) or 3103(1), or both, written
12 in this state during the period to which the premium applies,
13 multiplied by the average premium per car. The average premium per
14 car shall be the total premium calculated divided by the total
15 written car years of insurance providing the security required by
16 section 3101(1) or 3103(1) written in this state of all members
17 during the period to which the premium applies. A member shall be
18 charged a premium for a historic vehicle that is insured with the

11 service the liabilities of the association, the association may
12 undertake or may contract with another person, including another
13 member, to adjust or assist in the adjustment of claims for the
14 member on claims that create a potential liability to the
15 association and may charge the cost of the adjustment to the
16 member.

17 (8) In addition to other powers granted to it by this section,
18 the association may do all of the following:
