

Rep. Lindberg offered the following resolution:

House Resolution No. 346.

A resolution to memorialize the Congress of the United States to appropriate funds to restore the breakwall at the Grand Marais Harbor.

Whereas, For hundreds of years, Grand Marais Harbor has provided refuge to ships and boats from sudden and violent storms along Lake Superior's southern coast. Adjacent to Pictured Rocks National Lakeshore, it is the only Harbor of Refuge available to vessels along a notoriously dangerous 90 mile stretch of coastline that has claimed numerous ships in the past; and

First constructed in 1894 by the U.S. Army Corps of Engineers, the breakwall blocked sand from filling in the harbor and protected it from damaging waves. Abandoned by the Army Corps in 1943, the breakwall suffered severe damage and was lost along with the protection it provided the harbor and boaters; and

Damaging waves now enter the harbor, and sand is filling it in, making it less and less accessible to boaters and increasing the risk of tragedy on this beautiful but dangerous stretch of coastline. In addition, habitat that supports sportfish and federally endangered species like the piping plover is being lost at a rapid pace; now, therefore, be it
