House Resolution No. 180.

A resolution recognizing November 14, 2009 as World Diabetes Day in the state of Michigan.

Whereas, Diabetes is a chronic disease for which there is currently no known cure. It is the sixth leading cause of death in the United States; and

Whereas, Individuals with type 1 diabetes cannot produce any of their own insulin or amylin, which are the hormones needed to help regulate sugar and food stores in the body; and

Whereas, Individuals with type 2, or adult on-set diabetes, cannot produce enough of their own insulin or amylin and often do not exhibit symptoms in the early stages of the disease; and

Whereas, The serious long-term complications of high blood sugar levels may include blindness, lower-extremity amputation, heart disease, kidney failure, and premature death; and

Whereas, In recent years, the number of individuals diagnosed with diabetes has increased 41 percent; and

Whereas, Nine out of 10 individuals who are newly diagnosed with adult on-set diabetes also suffer from obesity; and

Whereas, America is facing a diabetes epidemic. An estimated 20.8 million Americans are living with the disease nationwide; and

Whereas, Diabetes is a leading health problem in Michigan with an estimated 593,200 adults in Michigan currently living with the disease; and

Whereas, Michigan's prevalence rate exceeds the national prevalence rate of 7 percent of the population; and

Whereas, The keys to reducing the incidence of, and complications associated with, diabetes are education, early detection, control, and proper treatment; and

Whereas, The earlier a person is diagnosed with diabetes and receives treatment, the better the person's chances are for avoiding diabetes complications; and

Whereas, The first line of treatment recommended by all treatment standards is diet and exercise. A healthy diet and the loss of excess weight can have a positive impact on the body's ability to fight off disease; and

Whereas, It has been shown that modest weight loss may help to lower blood sugar, blood pressure, and improve the levels of fats in the bloodstream, which is beneficial to the treatment of diabetes and other metabolic diseases; and

Whereas, Traditionally those at highest risk include older citizens who have a family history of the disease and who are overweight. However, in recent years there has been an alarming increase in the growing number of young people who are being diagnosed with diabetes, which is attributed to lifestyle and excessive body mass; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body recognize November 14, 2009 as World Diabetes Day in the state of Michigan; and be it further

Resolved, That to reduce the rate of diabetes and its complications among high-risk populations, individuals are encouraged to seek early screening and early treatment. Health care providers are encouraged to improve care for the control of diabetes and the treatment of major complications; and be it further

Resolved, That health care providers are encouraged to adopt generally recognized clinical practice guidelines such as the American Diabetes Association goals, recommendations, and standards that identify the reduction of body mass index (BMI), cardiovascular risk issues, and glycemic control as key factors to managing diabetes; and be it further

Resolved, That healthcare providers are encouraged, as they detect and treat the emerging diabetes epidemic, to engage in an aggressive program with their patients, including dietary counseling and exercise, measurements of body weight, and other associated risk factors; and be it further

Resolved, That copies of this resolution be transmitted to the Michigan Chapter of the American Diabetes Association, Michigan Department of Community Health, Michigan State Medical Society, Michigan Nurses Association, and the Michigan Primary Care Association.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Miller, Ball, Barnett, Bauer, Booher, Terry Brown, Caul, Constan, Cushingberry, Dean, Durhal, Geiss, Green, Haase, Hansen, Haugh, Horn, Rick Jones, Robert Jones, Kandrevas, LeBlanc, Leland, Liss, Lori, Marleau, Mayes, Opsommer, Roberts, Segal, Slavens, Slezak, Smith, Switalski, Huckleberry and Walsh offered the following resolution:

House Resolution No. 181.

A resolution commemorating the 20th anniversary of the fall of the Berlin Wall and the beginning of the peaceful and democratic reunification of Germany.

Whereas, At midnight on August 13, 1961, East Germany, sealed its border with West Berlin and began construction of a 100-mile barrier. Over the 15 years leading up to this construction, more than 15 percent of East Germany's population had left the country to pursue economic opportunity and political freedom elsewhere. The "Berlin Wall" included bunkers, watchtowers, searchlights, minefields, barbed wire, concrete walls, and armed guards to prevent further emigration of the people of East Germany; and

Whereas, During the 28 years the Berlin Wall stood, only about 5,000 people successfully fled East Germany, while more than 75,000 were imprisoned for attempting to leave and another 1,200 were killed trying to escape; and

Whereas, The summer of 1989 began a sea of change. In June, the Solidarity Movement in Poland won in landslide victories. In August, Hungary opened its border with Austria resulting in tens of thousands of East German refugees fleeing into West Germany through Hungary. In September 1989, crowds of people began protesting the authoritarian regime of East Germany and demanding freedoms and the end of the Berlin Wall; and

Whereas, On November 4, 1989, more than one million people gather in East Berlin and 40 other cities in East Germany to demand free elections and civil rights such as freedoms of opinion, movement, press and assembly; and

Whereas, On November 9, 1989, East Germany promised free, general, democratic and secret elections and announced that the government would allow “every citizen of the German Democratic Republic to leave the GDR through any of the border crossings”; and

Whereas, Thousands of people in East Berlin immediately flooded the border checkpoints at the Berlin Wall and demanded entry into West Berlin, causing the overwhelmed border guards of East Germany to open the checkpoints to allow people to cross into West Berlin; and

Whereas, In the days following the fall of the Berlin Wall, hundreds of thousands of people from East Germany freely crossed the border in to West Berlin and West Germany for the first time in more than 28 years; and

Whereas, The fall of Berlin Wall was the beginning of the end of communism and the Cold War. It embodied the end of the division of Europe, the opening of the Iron Curtain and the triumph of democracy over communism. By October 1990, Germany had peacefully reunified into a democratic state; and

Whereas, On November 9, 2009, the people of Germany celebrated on both sides of the Brandenburg Gate the 20th anniversary of the fall of the Berlin Wall with the “Festival of Freedom”, now, therefore be it,

Resolved by the House of Representatives, That the members of this legislative body commemorate the 20th anniversary of the fall of the Berlin Wall and the beginning of the peaceful and democratic reunification of Germany.

The question being on the adoption of the resolution,

The resolution was adopted.
