Overview

Article VI of the State Constitution of 1963 forms the basis for Michigan's judicial branch of government, which receives funds appropriated through the budget act for the Judiciary. The Judiciary budget provides operational funding for the Michigan Supreme Court, Court of Appeals, and related judicial agencies. The budget also funds the salaries of justices of the Supreme Court and judges of the appeals, circuit, probate, and district courts according to constitutional and statutory requirements. Assistance for local court operations is provided through a variety of grant programs. The largest of these, the Court Equity grant program, reimburses counties for trial court operations based on a statutory formula that recognizes circuit and probate caseloads and the numbers of judgeships.

Major Budget Changes From FY 2009-10 YTD Appropriations

1. Juror Compensation Reimbursement Fund Transfer

Maintains FY 2009-10 funding levels by assuming a transfer of \$2.7 million of the Juror Compensation Reimbursement Fund unrestricted fund balance to the Court Equity Fund (CEF). The transfer to the CEF reduces the general fund portion of the CEF. The general fund savings in the CEF are then spread to various line items to offset FY 2010-11 Executive Recommendation reductions with \$100 points of difference from House recommendations. Supreme Court Administration (\$485,000), Judicial Institute (\$96,500), Supreme Court Administrative Office (\$266,200), Judicial Information Systems (\$113,700), Foster Care Review Board (\$33,900), Drug Treatment Courts (\$29,900), Court of Appeals (\$795,300), Judicial Tenure Commission (\$38,700), Appellate Public Defender (\$176,500), Appellate Assigned Counsel (\$31,800), and Court Equity Reimbursements (\$520,000). House had also included \$20,000 from JCRF to fund Community Court program. Senate removed program and added \$100,000 to Court of Appeals to offset a shortage of filing fee revenue for the Court of Appeals.
