A bill to amend 1965 PA 314, entitled  
"Public employee retirement system investment act,"  
by amending section 13 (MCL 38.1133), as amended by 2008 PA 425.

**THE PEOPLE OF THE STATE OF MICHIGAN ENACT:**

1           Sec. 13. (1) The provisions of this act shall supersede any  
2 investment authority previously granted to a system under any other  
3 law of this state.

4           (2) The assets of a system may be invested, reinvested, held  
5 in nominee form, and managed by an investment fiduciary subject to  
6 the terms, conditions, and limitations provided in this act. An  
7 investment fiduciary of a defined contribution plan may arrange for  
8 1 or more investment options to be directed by the participants of  
9 the defined contribution plan. The limitations on the percentage of

1 total assets for investments provided in this act do not apply to a  
2 defined contribution plan in which a participant directs the  
3 investment of the assets in his or her individual account, and that  
4 participant is not considered an investment fiduciary under this  
5 act.

6 (3) An investment fiduciary shall discharge his or her duties  
7 solely in the interest of the participants and the beneficiaries,  
8 and shall do all of the following:

9 (a) Act with the same care, skill, prudence, and diligence  
10 under the circumstances then prevailing that a prudent person  
11 acting in a similar capacity and familiar with those matters would  
12 use in the conduct of a similar enterprise with similar aims.

13 (b) Act with due regard for the management, reputation, and  
14 stability of the issuer and the character of the particular  
15 investments being considered.

16 (c) Make investments for the exclusive purposes of providing  
17 benefits to participants and participants' beneficiaries, and of  
18 defraying reasonable expenses of investing the assets of the  
19 system.

20 (d) Give appropriate consideration to those facts and  
21 circumstances that the investment fiduciary knows or should know  
22 are relevant to the particular investment or investment course of  
23 action involved, including the role the investment or investment  
24 course of action plays in that portion of the system's investments  
25 for which the investment fiduciary has responsibility; and act  
26 accordingly. For purposes of this subsection, "appropriate  
27 consideration" includes, but is not limited to, a determination by

1 the investment fiduciary that a particular investment or investment  
2 course of action is reasonably designed, as part of the investments  
3 of the system, to further the purposes of the system, taking into  
4 consideration the risk of loss and the opportunity for gain or  
5 other return associated with the investment or investment course of  
6 action; and consideration of the following factors as they relate  
7 to the investment or investment course of action:

8 (i) The diversification of the investments of the system.

9 (ii) The liquidity and current return of the investments of the  
10 system relative to the anticipated cash flow requirements of the  
11 system.

12 (iii) The projected return of the investments of the system  
13 relative to the funding objectives of the system.

14 (e) Give appropriate consideration to investments that would  
15 enhance the general welfare of this state and its citizens if those  
16 investments offer the safety and rate of return comparable to other  
17 investments permitted under this act and available to the  
18 investment fiduciary at the time the investment decision is made.

19 (f) Prepare and maintain written objectives, policies, and  
20 strategies with clearly defined accountability and responsibility  
21 for implementing and executing the system's investments.

22 (g) Monitor the investment of the system's assets with regard  
23 to the limitations on those investments pursuant to this act. Upon  
24 discovery that an investment causes the system to exceed a  
25 limitation prescribed in this act, the investment fiduciary shall  
26 reallocate assets in a prudent manner in order to comply with the  
27 prescribed limitation.

1           (4) An investment fiduciary who is an investment fiduciary of  
2 any of the following shall comply with the divestment from terror  
3 act, 2008 PA 234, MCL 129.291 to 129.301, in making investments  
4 under this act:

6 employees' retirement act, 1943 PA 240, MCL 38.1 to 38.69.

8 retirement act of 1992, 1992 PA 234, MCL 38.2101 to 38.2670.

12 under the public school employees retirement act of 1979, 1980 PA  
13 300, MCL 38.1301 to 38.1408.

14           (5) An investment fiduciary may use a portion of the income of  
15 the system to defray the costs of investing, managing, and  
16 protecting the assets of the system; may retain investment and all  
17 other services necessary for the conduct of the affairs of the  
18 system; and may pay reasonable compensation for those services.  
19 Subject to an annual appropriation by the legislature, a deduction  
20 from the income of a state administered system resulting from the  
21 payment of those costs shall be made.

22           (6) The system shall be a separate and distinct trust fund and  
23 the assets of the system shall be for the exclusive benefit of the  
24 participants and their beneficiaries and of defraying reasonable  
25 expenses of investing the assets of the system. With respect to a  
26 system, an investment fiduciary shall not cause the system to  
27 engage in a transaction if he or she knows or should know that the

18 (7) With respect to a system subject to this act, an  
19 investment fiduciary shall not do any of the following:

20 (a) Deal with the assets of the system in his or her own  
21 interest or for his or her own account.

22 (b) In his or her individual or any other capacity act in any
