

# HOUSE BILL No. 5510

October 13, 2009, Introduced by Reps. Kennedy, Haase, Haugh, Liss, Slezak, Neumann, Roy Schmidt, Polidori, Corriveau, Leland, Nathan, Durhal, Geiss and DeShazor and referred to the Committee on Education.

A bill to amend 1979 PA 94, entitled  
"The state school aid act of 1979,"  
by amending section 6 (MCL 388.1606), as amended by 2009 PA 73.

**THE PEOPLE OF THE STATE OF MICHIGAN ENACT:**

1           Sec. 6. (1) "Center program" means a program operated by a  
2 district or intermediate district for special education pupils from  
3 several districts in programs for pupils with autism spectrum  
4 disorder, pupils with severe cognitive impairment, pupils with  
5 moderate cognitive impairment, pupils with severe multiple  
6 impairments, pupils with hearing impairment, pupils with visual  
7 impairment, and pupils with physical impairment or other health  
8 impairment. Programs for pupils with emotional impairment housed in  
9 buildings that do not serve regular education pupils also qualify.

1 Unless otherwise approved by the department, a center program  
2 either shall serve all constituent districts within an intermediate  
3 district or shall serve several districts with less than 50% of the  
4 pupils residing in the operating district. In addition, special  
5 education center program pupils placed part-time in noncenter  
6 programs to comply with the least restrictive environment  
7 provisions of section 612 of part B of the individuals with  
8 disabilities education act, 20 USC 1412, may be considered center  
9 program pupils for pupil accounting purposes for the time scheduled  
10 in either a center program or a noncenter program.

11 (2) "District and high school graduation rate" means the  
12 annual completion and pupil dropout rate that is calculated by the  
13 center pursuant to nationally recognized standards.

14 (3) "District and high school graduation report" means a  
15 report of the number of pupils, excluding adult participants, in  
16 the district for the immediately preceding school year, adjusted  
17 for those pupils who have transferred into or out of the district  
18 or high school, who leave high school with a diploma or other  
19 credential of equal status.

20 (4) "Membership", except as otherwise provided in this act,  
21 means for a district, public school academy, university school, or  
22 intermediate district the sum of the product of .75 times the  
23 number of full-time equated pupils in grades K to 12 actually  
24 enrolled and in regular daily attendance on the pupil membership  
25 count day for the current school year, plus the product of .25  
26 times the final audited count from the supplemental count day for  
27 the immediately preceding school year. All pupil counts used in

1 this subsection are as determined by the department and calculated  
2 by adding the number of pupils registered for attendance plus  
3 pupils received by transfer and minus pupils lost as defined by  
4 rules promulgated by the superintendent, and as corrected by a  
5 subsequent department audit. The amount of the foundation allowance  
6 for a pupil in membership is determined under section 20. In making  
7 the calculation of membership, all of the following, as applicable,  
8 apply to determining the membership of a district, public school  
9 academy, university school, or intermediate district:

10 (a) Except as otherwise provided in this subsection, and  
11 pursuant to subsection (6), a pupil shall be counted in membership  
12 in the pupil's educating district or districts. An individual pupil  
13 shall not be counted for more than a total of 1.0 full-time equated  
14 membership.

15 (b) If a pupil is educated in a district other than the  
16 pupil's district of residence, if the pupil is not being educated  
17 as part of a cooperative education program, if the pupil's district  
18 of residence does not give the educating district its approval to  
19 count the pupil in membership in the educating district, and if the  
20 pupil is not covered by an exception specified in subsection (6) to  
21 the requirement that the educating district must have the approval  
22 of the pupil's district of residence to count the pupil in  
23 membership, the pupil shall not be counted in membership in any  
24 district.

25 (c) A special education pupil educated by the intermediate  
26 district shall be counted in membership in the intermediate  
27 district.

1 (d) A pupil placed by a court or state agency in an on-grounds  
2 program of a juvenile detention facility, a child caring  
3 institution, or a mental health institution, or a pupil funded  
4 under section 53a, shall be counted in membership in the district  
5 or intermediate district approved by the department to operate the  
6 program.

7 (e) A pupil enrolled in the Michigan schools for the deaf and  
8 blind shall be counted in membership in the pupil's intermediate  
9 district of residence.

10 (f) A pupil enrolled in a vocational education program  
11 supported by a millage levied over an area larger than a single  
12 district or in an area vocational-technical education program  
13 established pursuant to section 690 of the revised school code, MCL  
14 380.690, shall be counted only in the pupil's district of  
15 residence.

16 (g) A pupil enrolled in a university school shall be counted  
17 in membership in the university school.

18 (h) A pupil enrolled in a public school academy shall be  
19 counted in membership in the public school academy.

20 (i) For a new district, university school, or public school  
21 academy beginning its operation after December 31, 1994, membership  
22 for the first 2 full or partial fiscal years of operation shall be  
23 determined as follows:

24 (i) If operations begin before the pupil membership count day  
25 for the fiscal year, membership is the average number of full-time  
26 equated pupils in grades K to 12 actually enrolled and in regular  
27 daily attendance on the pupil membership count day for the current

1 school year and on the supplemental count day for the current  
2 school year, as determined by the department and calculated by  
3 adding the number of pupils registered for attendance on the pupil  
4 membership count day plus pupils received by transfer and minus  
5 pupils lost as defined by rules promulgated by the superintendent,  
6 and as corrected by a subsequent department audit, plus the final  
7 audited count from the supplemental count day for the current  
8 school year, and dividing that sum by 2.

9 (ii) If operations begin after the pupil membership count day  
10 for the fiscal year and not later than the supplemental count day  
11 for the fiscal year, membership is the final audited count of the  
12 number of full-time equated pupils in grades K to 12 actually  
13 enrolled and in regular daily attendance on the supplemental count  
14 day for the current school year.

15 (j) If a district is the authorizing body for a public school  
16 academy, then, in the first school year in which pupils are counted  
17 in membership on the pupil membership count day in the public  
18 school academy, the determination of the district's membership  
19 shall exclude from the district's pupil count for the immediately  
20 preceding supplemental count day any pupils who are counted in the  
21 public school academy on that first pupil membership count day who  
22 were also counted in the district on the immediately preceding  
23 supplemental count day.

24 (k) In a district, public school academy, university school,  
25 or intermediate district operating an extended school year program  
26 approved by the superintendent, a pupil enrolled, but not scheduled  
27 to be in regular daily attendance on a pupil membership count day,

1 shall be counted.

2 (l) ~~Pupils~~ **UNTIL 2010-2011**, to be counted in membership **A PUPIL**  
3 shall be ~~not less than~~ **AT LEAST** 5 years of age on December 1 and  
4 less than 20 years of age on September 1 of the school year. ~~except~~  
5 **FOR 2010-2011, TO BE COUNTED IN MEMBERSHIP A PUPIL SHALL BE AT**  
6 **LEAST 5 YEARS OF AGE ON NOVEMBER 1, 2010 AND LESS THAN 20 YEARS OF**  
7 **AGE ON SEPTEMBER 1, 2010. FOR 2011-2012, TO BE COUNTED IN**  
8 **MEMBERSHIP A PUPIL SHALL BE AT LEAST 5 YEARS OF AGE ON OCTOBER 1,**  
9 **2011 AND LESS THAN 20 YEARS OF AGE ON SEPTEMBER 1, 2011. BEGINNING**  
10 **WITH 2012-2013, TO BE COUNTED IN MEMBERSHIP A PUPIL SHALL BE AT**  
11 **LEAST 5 YEARS OF AGE AND LESS THAN 20 YEARS OF AGE ON SEPTEMBER 1**  
12 **OF THE SCHOOL YEAR. HOWEVER,** a special education pupil who is  
13 enrolled and receiving instruction in a special education program  
14 or service approved by the department, ~~and not having~~ **WHO DOES NOT**  
15 **HAVE** a high school diploma, **AND** who is less than 26 years of age as  
16 of September 1 of the current school year shall be counted in  
17 membership.

18 (m) An individual who has obtained a high school diploma shall  
19 not be counted in membership. An individual who has obtained a  
20 general educational development (G.E.D.) certificate shall not be  
21 counted in membership. An individual participating in a job  
22 training program funded under former section 107a or a jobs program  
23 funded under former section 107b, administered by the Michigan  
24 strategic fund or the department of **ENERGY**, labor, and economic  
25 growth, or participating in any successor of either of those 2  
26 programs, shall not be counted in membership.

27 (n) If a pupil counted in membership in a public school

1 academy is also educated by a district or intermediate district as  
2 part of a cooperative education program, the pupil shall be counted  
3 in membership only in the public school academy unless a written  
4 agreement signed by all parties designates the party or parties in  
5 which the pupil shall be counted in membership, and the  
6 instructional time scheduled for the pupil in the district or  
7 intermediate district shall be included in the full-time equated  
8 membership determination under subdivision (q). However, for pupils  
9 receiving instruction in both a public school academy and in a  
10 district or intermediate district but not as a part of a  
11 cooperative education program, the following apply:

12 (i) If the public school academy provides instruction for at  
13 least 1/2 of the class hours specified in subdivision (q), the  
14 public school academy shall receive as its prorated share of the  
15 full-time equated membership for each of those pupils an amount  
16 equal to 1 times the product of the hours of instruction the public  
17 school academy provides divided by the number of hours specified in  
18 subdivision (q) for full-time equivalency, and the remainder of the  
19 full-time membership for each of those pupils shall be allocated to  
20 the district or intermediate district providing the remainder of  
21 the hours of instruction.

22 (ii) If the public school academy provides instruction for less  
23 than 1/2 of the class hours specified in subdivision (q), the  
24 district or intermediate district providing the remainder of the  
25 hours of instruction shall receive as its prorated share of the  
26 full-time equated membership for each of those pupils an amount  
27 equal to 1 times the product of the hours of instruction the

1 district or intermediate district provides divided by the number of  
2 hours specified in subdivision (q) for full-time equivalency, and  
3 the remainder of the full-time membership for each of those pupils  
4 shall be allocated to the public school academy.

5 (o) An individual less than 16 years of age as of September 1  
6 of the current school year who is being educated in an alternative  
7 education program shall not be counted in membership if there are  
8 also adult education participants being educated in the same  
9 program or classroom.

10 (p) The department shall give a uniform interpretation of  
11 full-time and part-time memberships.

12 (q) The number of class hours used to calculate full-time  
13 equated memberships shall be consistent with section 101(3). In  
14 determining full-time equated memberships for pupils who are  
15 enrolled in a postsecondary institution, a pupil shall not be  
16 considered to be less than a full-time equated pupil solely because  
17 of the effect of his or her postsecondary enrollment, including  
18 necessary travel time, on the number of class hours provided by the  
19 district to the pupil.

20 (r) Except as otherwise provided in this subdivision, full-  
21 time equated memberships for pupils in kindergarten shall be  
22 determined by dividing the number of class hours scheduled and  
23 provided per year per kindergarten pupil by a number equal to 1/2  
24 the number used for determining full-time equated memberships for  
25 pupils in grades 1 to 12.

26 (s) For a district, university school, or public school  
27 academy that has pupils enrolled in a grade level that was not

1 offered by the district, university school, or public school  
2 academy in the immediately preceding school year, the number of  
3 pupils enrolled in that grade level to be counted in membership is  
4 the average of the number of those pupils enrolled and in regular  
5 daily attendance on the pupil membership count day and the  
6 supplemental count day of the current school year, as determined by  
7 the department. Membership shall be calculated by adding the number  
8 of pupils registered for attendance in that grade level on the  
9 pupil membership count day plus pupils received by transfer and  
10 minus pupils lost as defined by rules promulgated by the  
11 superintendent, and as corrected by subsequent department audit,  
12 plus the final audited count from the supplemental count day for  
13 the current school year, and dividing that sum by 2.

14 (t) A pupil enrolled in a cooperative education program may be  
15 counted in membership in the pupil's district of residence with the  
16 written approval of all parties to the cooperative agreement.

17 (u) If, as a result of a disciplinary action, a district  
18 determines through the district's alternative or disciplinary  
19 education program that the best instructional placement for a pupil  
20 is in the pupil's home or otherwise apart from the general school  
21 population, if that placement is authorized in writing by the  
22 district superintendent and district alternative or disciplinary  
23 education supervisor, and if the district provides appropriate  
24 instruction as described in this subdivision to the pupil at the  
25 pupil's home or otherwise apart from the general school population,  
26 the district may count the pupil in membership on a pro rata basis,  
27 with the proration based on the number of hours of instruction the

1 district actually provides to the pupil divided by the number of  
2 hours specified in subdivision (q) for full-time equivalency. For  
3 the purposes of this subdivision, a district shall be considered to  
4 be providing appropriate instruction if all of the following are  
5 met:

6 (i) The district provides at least 2 nonconsecutive hours of  
7 instruction per week to the pupil at the pupil's home or otherwise  
8 apart from the general school population under the supervision of a  
9 certificated teacher.

10 (ii) The district provides instructional materials, resources,  
11 and supplies, except computers, that are comparable to those  
12 otherwise provided in the district's alternative education program.

13 (iii) Course content is comparable to that in the district's  
14 alternative education program.

15 (iv) Credit earned is awarded to the pupil and placed on the  
16 pupil's transcript.

17 (v) For 2007-2008 only, a pupil enrolled in an alternative or  
18 disciplinary education program described in section 25 shall be  
19 counted in membership in the district or public school academy that  
20 expelled the pupil.

21 (w) If a pupil was enrolled in a public school academy on the  
22 pupil membership count day, if the public school academy's contract  
23 with its authorizing body is revoked or the public school academy  
24 otherwise ceases to operate, and if the pupil enrolls in a district  
25 within 45 days after the pupil membership count day, the department  
26 shall adjust the district's pupil count for the pupil membership  
27 count day to include the pupil in the count.

1           (x) For a public school academy that has been in operation for  
2 at least 2 years and that suspended operations for at least 1  
3 semester and is resuming operations, membership is the sum of the  
4 product of .75 times the number of full-time equated pupils in  
5 grades K to 12 actually enrolled and in regular daily attendance on  
6 the first pupil membership count day or supplemental count day,  
7 whichever is first, occurring after operations resume, plus the  
8 product of .25 times the final audited count from the most recent  
9 pupil membership count day or supplemental count day that occurred  
10 before suspending operations, as determined by the superintendent.

11           (y) If a district's membership for a particular fiscal year,  
12 as otherwise calculated under this subsection, would be less than  
13 1,550 pupils and the district has 4.5 or fewer pupils per square  
14 mile, as determined by the department, and, beginning in 2007-2008,  
15 if the district does not receive funding under section 22d(2), the  
16 district's membership shall be considered to be the membership  
17 figure calculated under this subdivision. If a district educates  
18 and counts in its membership pupils in grades 9 to 12 who reside in  
19 a contiguous district that does not operate grades 9 to 12 and if 1  
20 or both of the affected districts request the department to use the  
21 determination allowed under this sentence, the department shall  
22 include the square mileage of both districts in determining the  
23 number of pupils per square mile for each of the districts for the  
24 purposes of this subdivision. The membership figure calculated  
25 under this subdivision is the greater of the following:

26           (i) The average of the district's membership for the 3-fiscal-  
27 year period ending with that fiscal year, calculated by adding the

1 district's actual membership for each of those 3 fiscal years, as  
2 otherwise calculated under this subsection, and dividing the sum of  
3 those 3 membership figures by 3.

4 (ii) The district's actual membership for that fiscal year as  
5 otherwise calculated under this subsection.

6 (z) If a public school academy that is not in its first or  
7 second year of operation closes at the end of a school year and  
8 does not reopen for the next school year, the department shall  
9 adjust the membership count of the district in which a former pupil  
10 of the public school academy enrolls and is in regular daily  
11 attendance for the next school year to ensure that the district  
12 receives the same amount of membership aid for the pupil as if the  
13 pupil were counted in the district on the supplemental count day of  
14 the preceding school year.

15 (aa) Full-time equated memberships for preprimary-aged special  
16 education pupils who are not enrolled in kindergarten but are  
17 enrolled in a classroom program under R 340.1754 of the Michigan  
18 administrative code shall be determined by dividing the number of  
19 class hours scheduled and provided per year by 450. Full-time  
20 equated memberships for preprimary-aged special education pupils  
21 who are not enrolled in kindergarten but are receiving nonclassroom  
22 services under R 340.1755 of the Michigan administrative code shall  
23 be determined by dividing the number of hours of service scheduled  
24 and provided per year per pupil by 180.

25 (bb) A pupil of a district that begins its school year after  
26 Labor day who is enrolled in an intermediate district program that  
27 begins before Labor day shall not be considered to be less than a

1 full-time pupil solely due to instructional time scheduled but not  
2 attended by the pupil before Labor day.

3 (cc) For the first year in which a pupil is counted in  
4 membership on the pupil membership count day in a middle college  
5 program described in section 64, the membership is the average of  
6 the full-time equated membership on the pupil membership count day  
7 and on the supplemental count day for the current school year, as  
8 determined by the department. If a pupil was counted by the  
9 operating district on the immediately preceding supplemental count  
10 day, the pupil shall be excluded from the district's immediately  
11 preceding supplemental count for purposes of determining the  
12 district's membership.

13 (5) "Public school academy" means a public school academy,  
14 urban high school academy, or strict discipline academy operating  
15 under the revised school code.

16 (6) "Pupil" means a person in membership in a public school. A  
17 district must have the approval of the pupil's district of  
18 residence to count the pupil in membership, except approval by the  
19 pupil's district of residence is not required for any of the  
20 following:

21 (a) A nonpublic part-time pupil enrolled in grades 1 to 12 in  
22 accordance with section 166b.

23 (b) A pupil receiving 1/2 or less of his or her instruction in  
24 a district other than the pupil's district of residence.

25 (c) A pupil enrolled in a public school academy or university  
26 school.

27 (d) A pupil enrolled in a district other than the pupil's

1 district of residence under an intermediate district schools of  
2 choice pilot program as described in section 91a or former section  
3 91 if the intermediate district and its constituent districts have  
4 been exempted from section 105.

5 (e) A pupil enrolled in a district other than the pupil's  
6 district of residence if the pupil is enrolled in accordance with  
7 section 105 or 105c.

8 (f) A pupil who has made an official written complaint or  
9 whose parent or legal guardian has made an official written  
10 complaint to law enforcement officials and to school officials of  
11 the pupil's district of residence that the pupil has been the  
12 victim of a criminal sexual assault or other serious assault, if  
13 the official complaint either indicates that the assault occurred  
14 at school or that the assault was committed by 1 or more other  
15 pupils enrolled in the school the pupil would otherwise attend in  
16 the district of residence or by an employee of the district of  
17 residence. A person who intentionally makes a false report of a  
18 crime to law enforcement officials for the purposes of this  
19 subdivision is subject to section 411a of the Michigan penal code,  
20 1931 PA 328, MCL 750.411a, which provides criminal penalties for  
21 that conduct. As used in this subdivision:

22 (i) "At school" means in a classroom, elsewhere on school  
23 premises, on a school bus or other school-related vehicle, or at a  
24 school-sponsored activity or event whether or not it is held on  
25 school premises.

26 (ii) "Serious assault" means an act that constitutes a felony  
27 violation of chapter XI of the Michigan penal code, 1931 PA 328,

1 MCL 750.81 to 750.90g, or that constitutes an assault and  
2 infliction of serious or aggravated injury under section 81a of the  
3 Michigan penal code, 1931 PA 328, MCL 750.81a.

4 (g) A pupil whose district of residence changed after the  
5 pupil membership count day and before the supplemental count day  
6 and who continues to be enrolled on the supplemental count day as a  
7 nonresident in the district in which he or she was enrolled as a  
8 resident on the pupil membership count day of the same school year.

9 (h) A pupil enrolled in an alternative education program  
10 operated by a district other than his or her district of residence  
11 who meets 1 or more of the following:

12 (i) The pupil has been suspended or expelled from his or her  
13 district of residence for any reason, including, but not limited  
14 to, a suspension or expulsion under section 1310, 1311, or 1311a of  
15 the revised school code, MCL 380.1310, 380.1311, and 380.1311a.

16 (ii) The pupil had previously dropped out of school.

17 (iii) The pupil is pregnant or is a parent.

18 (iv) The pupil has been referred to the program by a court.

19 (v) The pupil is enrolled in an alternative or disciplinary  
20 education program described in section 25.

21 (i) A pupil enrolled in the Michigan virtual high school, for  
22 the pupil's enrollment in the Michigan virtual high school.

23 (j) A pupil who is the child of a person who is employed by  
24 the district. As used in this subdivision, "child" includes an  
25 adopted child, stepchild, or legal ward.

26 (k) An expelled pupil who has been denied reinstatement by the  
27 expelling district and is reinstated by another school board under

1 section 1311 or 1311a of the revised school code, MCL 380.1311 and  
2 380.1311a.

3 (l) A pupil enrolled in a district other than the pupil's  
4 district of residence in a program described in section 64 if the  
5 pupil's district of residence and the enrolling district are both  
6 constituent districts of the same intermediate district.

7 (m) A pupil enrolled in a district other than the pupil's  
8 district of residence who attends a United States Olympic education  
9 center.

10 However, if a district that is not a first class district  
11 educates pupils who reside in a first class district and if the  
12 primary instructional site for those pupils is located within the  
13 boundaries of the first class district, the educating district must  
14 have the approval of the first class district to count those pupils  
15 in membership. As used in this subsection, "first class district"  
16 means a district organized as a school district of the first class  
17 under the revised school code.

18 (7) "Pupil membership count day" of a district or intermediate  
19 district means:

20 (a) Except as provided in subdivision (b), the fourth  
21 Wednesday after Labor day each school year or, for a district or  
22 building in which school is not in session on that Wednesday due to  
23 conditions not within the control of school authorities, with the  
24 approval of the superintendent, the immediately following day on  
25 which school is in session in the district or building.

26 (b) For a district or intermediate district maintaining school  
27 during the entire school year, the following days:

1 (i) Fourth Wednesday in July.

2 (ii) Fourth Wednesday after Labor day.

3 (iii) Second Wednesday in February.

4 (iv) Fourth Wednesday in April.

5 (8) "Pupils in grades K to 12 actually enrolled and in regular  
6 daily attendance" means pupils in grades K to 12 in attendance and  
7 receiving instruction in all classes for which they are enrolled on  
8 the pupil membership count day or the supplemental count day, as  
9 applicable. Except as otherwise provided in this subsection, a  
10 pupil who is absent from any of the classes in which the pupil is  
11 enrolled on the pupil membership count day or supplemental count  
12 day and who does not attend each of those classes during the 10  
13 consecutive school days immediately following the pupil membership  
14 count day or supplemental count day, except for a pupil who has  
15 been excused by the district, shall not be counted as 1.0 full-time  
16 equated membership. A pupil who is excused from attendance on the  
17 pupil membership count day or supplemental count day and who fails  
18 to attend each of the classes in which the pupil is enrolled within  
19 30 calendar days after the pupil membership count day or  
20 supplemental count day shall not be counted as 1.0 full-time  
21 equated membership. In addition, a pupil who was enrolled and in  
22 attendance in a district, intermediate district, or public school  
23 academy before the pupil membership count day or supplemental count  
24 day of a particular year but was expelled or suspended on the pupil  
25 membership count day or supplemental count day shall only be  
26 counted as 1.0 full-time equated membership if the pupil resumed  
27 attendance in the district, intermediate district, or public school

1 academy within 45 days after the pupil membership count day or  
2 supplemental count day of that particular year. Pupils not counted  
3 as 1.0 full-time equated membership due to an absence from a class  
4 shall be counted as a prorated membership for the classes the pupil  
5 attended. For purposes of this subsection, "class" means a period  
6 of time in 1 day when pupils and a certificated teacher or legally  
7 qualified substitute teacher are together and instruction is taking  
8 place.

9 (9) "Rule" means a rule promulgated pursuant to the  
10 administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to  
11 24.328.

12 (10) "The revised school code" means 1976 PA 451, MCL 380.1 to  
13 380.1852.

14 (11) "School district of the first class", "first class school  
15 district", and "district of the first class", except in subsection  
16 (6), mean a district that had at least 60,000 pupils in membership  
17 for the immediately preceding fiscal year.

18 (12) "School fiscal year" means a fiscal year that commences  
19 July 1 and continues through June 30.

20 (13) "State board" means the state board of education.

21 (14) "Superintendent", unless the context clearly refers to a  
22 district or intermediate district superintendent, means the  
23 superintendent of public instruction described in section 3 of  
24 article VIII of the state constitution of 1963.

25 (15) "Supplemental count day" means the day on which the  
26 supplemental pupil count is conducted under section 6a.

27 (16) "Tuition pupil" means a pupil of school age attending

1 school in a district other than the pupil's district of residence  
2 for whom tuition may be charged. Tuition pupil does not include a  
3 pupil who is a special education pupil or a pupil described in  
4 subsection (6)(c) to (m). A pupil's district of residence shall not  
5 require a high school tuition pupil, as provided under section 111,  
6 to attend another school district after the pupil has been assigned  
7 to a school district.

8 (17) "State school aid fund" means the state school aid fund  
9 established in section 11 of article IX of the state constitution  
10 of 1963.

11 (18) "Taxable value" means the taxable value of property as  
12 determined under section 27a of the general property tax act, 1893  
13 PA 206, MCL 211.27a.

14 (19) "Textbook" means a book that is selected and approved by  
15 the governing board of a district and that contains a presentation  
16 of principles of a subject, or that is a literary work relevant to  
17 the study of a subject required for the use of classroom pupils, or  
18 another type of course material that forms the basis of classroom  
19 instruction.

20 (20) "Total state aid" or "total state school aid" means the  
21 total combined amount of all funds due to a district, intermediate  
22 district, or other entity under all of the provisions of this act.

23 (21) "University school" means an instructional program  
24 operated by a public university under section 23 that meets the  
25 requirements of section 23.

26 Enacting section 1. This amendatory act does not take effect  
27 unless Senate Bill No. \_\_\_\_ or House Bill No. 5509(request no.

1 04611'09) of the 95th Legislature is enacted into law.
