2 of, the contracting for, and the providing of supplies, materials,
3 services, **INCLUDING, SUBJECT TO SUBSECTION (12), RESPONSE**

5 **FROM A PIPELINE**, insurance, utilities, third party financing,
6 equipment, printing, and all other items as needed by state
7 agencies for which the legislature has not otherwise expressly
8 provided. In all purchases made by the department, all other things

1 being equal, preference shall be given to products manufactured or
2 services offered by Michigan-based firms, if consistent with
3 federal statutes. The department shall solicit competitive bids
4 from the private sector whenever practicable to efficiently and
5 effectively meet the state's needs. The department shall first
6 determine that competitive solicitation of bids in the private
7 sector is not appropriate before it shall use any other procurement
8 method for an acquisition.

9 (2) The department shall make all discretionary decisions
10 concerning the solicitation, award, amendment, cancellation, and
11 appeal of state contracts.

12 (3) The department shall utilize competitive solicitation for
13 all purchases authorized under this act unless 1 or more of the
14 following apply:

15 (a) Procurement of goods or services is necessary for the
16 imminent protection of public health or safety or to mitigate an
17 imminent threat to public health or safety, as determined by the
18 director or his or her designated representative.

19 (b) Procurement of goods or services is for emergency repair
20 or construction caused by unforeseen circumstances when the repair
21 or construction is necessary to protect life or property.

22 (c) Procurement of goods or services is in response to a
23 declared state of emergency or state of disaster under the
24 emergency management act, 1976 PA 390, MCL 30.401 to 30.421.

25 (d) Procurement of goods or services is in response to a
26 declared state of emergency under 1945 PA 302, MCL 10.31 to 10.33.

27 (e) Procurement of goods or services is in response to a

1 declared state of energy emergency under 1982 PA 191, MCL 10.81 to
2 10.89.

3 (f) Procurement of goods or services is within a state
4 agency's purchasing authority delegated under subsection (4), and
5 the state agency has established policies or procedures approved by
6 the department to ensure that goods or services are purchased by
7 the state agency at fair and reasonable prices.

8 (4) The department may delegate its procurement authority to
9 other state agencies within dollar limitations and for designated
10 types of procurements. The department may withdraw delegated
11 authority upon a finding that a state agency did not comply with
12 departmental procurement directives.

13 (5) The department may enter into lease purchases or
14 installment purchases for periods not exceeding the anticipated
15 useful life of the items purchased unless otherwise prohibited by
16 law.

17 (6) The department shall issue directives for the procurement,
18 receipt, inspection, and storage of supplies, materials, and
19 equipment, and for printing and services needed by state agencies.
20 The department shall provide standard specifications and standards
21 of performance applicable to purchases.

22 (7) The department may enter into a cooperative purchasing
23 agreement with 1 or more other states or public entities for the
24 purchase of goods, including, but not limited to, recycled goods,
25 and services necessary for state programs.

26 (8) In awarding a contract under this section, the department
27 shall give a preference of up to 10% of the amount of the contract

1 to a qualified disabled veteran. If the qualified disabled veteran
2 otherwise meets the requirements of the contract solicitation and
3 with the preference is the lowest bidder, the department shall
4 enter into a procurement contract with the qualified disabled
5 veteran under this act. If 2 or more qualified disabled veterans
6 are the lowest bidders on a contract, all other things being equal,
7 the qualified disabled veteran with the lowest bid shall be awarded
8 the contract under this act.

9 (9) It is the goal of the department to award each year not
10 less than 5% of its total expenditures for construction, goods, and
11 services to qualified disabled veterans. The department may count
12 toward its 5% yearly goal described in this subsection that portion
13 of all procurement contracts in which the business entity that
14 received the procurement contract subcontracts with a qualified
15 disabled veteran. Each year, the department shall report to each
16 house of the legislature on all of the following for the
17 immediately preceding 12-month period:

18 (a) The number of qualified disabled veterans who submitted a
19 bid for a state procurement contract.

20 (b) The number of qualified disabled veterans who entered into
21 procurement contracts with this state and the total value of those
22 procurement contracts.

23 (c) Whether the department achieved the goal described in this
24 subsection.

25 (d) The recommendations described in subsection (10).

26 (10) Each year, the department shall review the progress of
27 all state agencies in meeting the 5% goal with input from statewide

1 veterans service organizations and from the business community,
2 including businesses owned by qualified disabled veterans, and
3 shall make recommendations to each house of the legislature
4 regarding continuation, increases, or decreases in the percentage
5 goal. The recommendations shall be based upon the number of
6 businesses that are owned by qualified disabled veterans and on the
7 continued need to encourage and promote businesses owned by
8 qualified disabled veterans.

9 (11) To assist the department in reaching the goal described
10 in subsection (9), the governor shall recommend to the legislature
11 changes in programs to assist businesses owned by qualified
12 disabled veterans.

13 (12) THE DEPARTMENT SHALL INCLUDE THE FOLLOWING PROVISIONS IN
14 A WRITTEN CONTRACT FOR RESPONSE ACTIVITIES NECESSARY TO ADDRESS THE
15 RELEASE OF CRUDE OIL OR PETROLEUM FROM A PIPELINE:

16 (A) THE PERSON CONTRACTING TO PROVIDE RESPONSE ACTIVITIES

18 THAT KNOWINGLY HIRES AN INDIVIDUAL WHO IS NOT AUTHORIZED UNDER
