LESLIE E. WONG, President

Northern Michigan University was founded in 1899 as a coeducational, state-supported institution. The university serves the state and, in particular, the Upper Peninsula of Michigan through a 3-dimensional program of instruction, research, and service. Northern offers certification, diploma and one-year certificate programs and degree programs at the Associate, Bachelor's, and Master's levels.

The academic program is organized into 28 departments which fall under 4 colleges: College of Arts and Sciences; the Walker L. Cisler College of Business; College of Professional Studies; and College of Graduate Studies.

Less Than Bachelor's Programs

Certification programs are offered in the subject areas of cosmetology, French, German, Portuguese, and Spanish. **Diploma programs** are in advanced law enforcement, electrical line technician, and local corrections. **Certificate programs** are for automotive service, aviation maintenance technology, clinical assistant, computer numerical control technician, cosmetology, geographic information systems, heating, ventilation, air conditioning and refrigeration (HAVCR), office services, practical nursing, and special studies. **Associate degree programs** are available in applied child development, art and design, automotive service technology, aviation maintenance technology, building technology, climate control technology, clinical laboratory technology, computer information systems, criminal justice, electrical technology, engineering design, food service management, general business, general university studies, health information processing, industrial maintenance technology, law enforcement, liberal arts and sciences, manufacturing technology, office information assistant, radiography, respiratory therapy, and surgical technology.
