Senate Bill 389 (as reported without amendment)  
Sponsor: Senator Glenn S. Anderson  
Committee: Transportation

**CONTENT**

The bill would amend the Michigan Vehicle Code to do the following:

- Eliminate the eight-plate limit on State-sponsored fund-raising license plates.
- Require the Secretary of State to develop a fund-raising plate and collector plate recognizing the Michigan Breast and Cervical Cancer Control Program (BCCCP).
- Create the "Breast Cancer Awareness Fund" and require donations for those plates to be deposited into the Fund.
- Require the State Treasurer to disburse money in the Fund on a quarterly basis to the BCCCP.
- Require the BCCCP to submit to the Department of Treasury a summary of the preceding year's expenditures of money received under the bill, beginning February 1, 2013.

MCL 257.811e et al.

Legislative Analyst: Julie Cassidy

**FISCAL IMPACT**

The bill would create a start-up cost to the Department of State. The start-up fee of \$15,000 prescribed in the Code could be paid to the Department of State from the Breast Cancer Awareness Fund proposed in the bill; however, the bill does not include such a requirement. The revenue generated from the fund-raising license plate established under the bill would be deposited into the proposed Fund, after which the State Treasurer would disburse payments from the Fund on a quarterly basis to the Michigan Breast and Cervical Cancer Control Program.

The bill would have no fiscal impact on local government.
