CONTENT

Senate Bills 787 (S-2) and 788 (S-2) would amend the Public Health Code and the Adult Foster Care Facility Licensing Act, respectively, to revise provisions requiring a criminal history check and criminal records check of an applicant for a license to operate a home for the aged or an adult foster care facility.

The bills would refer specifically to a criminal records check *through the FBI*.

Senate Bill 788 (S-2) also would revise provisions that exempt applicants who were previously subject to criminal records and history checks and remained continuously licensed, and Senate Bill 787 (S-2) would add similar provisions to the Public Health Code.

Senate Bill 787 (S-2) would apply to a home for the aged. Senate Bill 788 (S-2) would apply to an adult foster care facility.
