9 constitutes a proper expenditure, a public transportation service,  
10 or a public transportation purpose under subsections (2) and (3).

11 (5) The expenditure of the amounts required to be expended

8 transportation commission. Failure of the commission to take action  
9 within 35 days after receipt of notification from the eligible  
10 authority of intent to issue the notes, constitutes approval by the  
11 state transportation commission. The eligible authority may only  
12 issue the notes in anticipation of funds to be received during its  
13 current fiscal year at any time before the eligible authority's  
14 receipt of the funds from the comprehensive transportation fund.  
15 The principal amount of notes for which the funds to be received  
16 from the comprehensive transportation fund are pledged shall not  
17 exceed 85% of the amount remaining to be received by the eligible

20 expects to receive from the comprehensive transportation fund shall  
21 be secured by a direct transfer of the pledge funds from the  
22 comprehensive transportation fund to the trustee or the Michigan  
23 municipal bond authority that is authorized to receive the funds by  
24 the borrowing resolution adopted by the eligible authority. The  
25 notes of the eligible authority shall not be in any way a debt or a
