The People of the State of Michigan enact:

Not later than December 31 of each fiscal year, the department of community health shall notify the department by district or intermediate district of the percentage of entering pupils and, beginning in 2014-2015, of pupils who enrolled in grade 7 for the first time who do not have a completed, waived, or provisional immunization record in accordance with section 1177 of the revised school code, MCL 380.1177. If a district or intermediate district does not have a completed, waived, or provisional immunization record in accordance with section 1177 of the revised school code, MCL 380.1177, for at least 90% of the district's or intermediate district's entering pupils, as recorded in the November 1 reports required under this subsection, the district or intermediate district is subject to subsection (4) until the district or intermediate district has such an immunization record for at least 90% of its pupils who enrolled in the district or intermediate district for the first time.

(3) Each district or intermediate district shall again report to the local health department in which it is located by February 1 of each fiscal year, in a manner prescribed by the department of community health, the immunization status of each pupil in grades K through 12 who enrolled in the district or intermediate district for the first time or, beginning in 2014-2015, who enrolled in grade 7 in the district or intermediate district for the first time, between January 1 of the immediately preceding fiscal year and December 31 of the current fiscal year. Not later than March 31 of each fiscal year, the department of community health shall notify the department by district or intermediate district of the percentage of entering pupils and, beginning in 2014-2015, of pupils who enrolled in grade 7 for the first time who do not have a completed, waived, or provisional immunization record in accordance with section 1177 of the revised school code, MCL 380.1177. If a district or intermediate district does not have a completed, waived, or provisional immunization
