1 (b) "Aquaculture production facility" means an indoor 2 aquaculture production operation using aquaculture techniques or practices for growing aquaculture species. An aquaculture 3 4 production facility includes the pumps, tanks, controls, 5 application systems, indoor recirculating systems, and related 6 infrastructure required to grow aquaculture species using aquaculture techniques or practices. An aquaculture production 7 facility includes any warehouse or shipping area integrated into 8 9 the aquaculture production operation. An aquaculture production facility includes offices integrated into the aquaculture 10 11 production operation if the taxable value of the offices is less 12 than 50% of the combined taxable value of the aquaculture 13 production facility and the offices.

14 (c) "Commission" means the state tax commission created by15 1927 PA 360, MCL 209.101 to 209.107.

16 (d) "Hydroponics" means a system in which water-soluble 17 nutrients are placed in intimate contact with a plant's root 18 system, being grown in an inert supportive medium, which inert 19 supportive medium itself does all of the following:

20

(*i*) Supplies physical support for the roots.

21 (*ii*) Does not add or subtract plant nutrients.

(e) "Hydroponics production facility" means an indoor
agriculture production operation using hydroponics techniques or
practices for growing plants produced by agriculture that are
useful to human beings, including, but not limited to, forages,
field crops, sod, berries, herbs, fruits, vegetables, flowers,
seeds, and nursery stock. Hydroponics production facility does not

1 include an indoor agriculture production operation for growing 2 plants that are illegal under federal law. A hydroponics production facility includes, but is not limited to, the pumps, tanks, 3 4 controls, application systems, and related infrastructure required 5 to grow agricultural crops using hydroponics techniques or practices. A hydroponics production facility includes any warehouse 6 or shipping area integrated into the hydroponics production 7 facility operation. A hydroponics production facility includes 8 offices integrated into the indoor agriculture production operation 9 if the taxable value of the offices is less than 50% of the 10 11 combined taxable value of the hydroponics production facility and 12 the offices.

13 (f) "Taxable value" means the taxable value as determined
14 under section 27a of the general property tax act, 1893 PA 206, MCL
15 211.27a.

Sec. 3. For taxes levied after December 31, 2013, a hydroponics production facility or an aquaculture production facility is exempt from ad valorem property taxes collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.155, as provided under section 7uu of the general property tax act, 1893 PA 206, MCL 211.7uu.

Sec. 4. The assessor of each local tax collecting unit in which there is a hydroponics production facility or an aquaculture production facility shall determine annually as of December 31 the value and taxable value of each hydroponics production facility or aquaculture production facility located in that local tax collecting unit.

Sec. 5. (1) There is levied upon the owner of every
 hydroponics production facility or aquaculture production facility
 a specific tax to be known as the hydroponics and aquaculture
 production facilities specific tax.

5 (2) The amount of the hydroponics and aquaculture production
6 facilities specific tax in each year shall be determined as
7 follows:

8 (a) Multiply the number of mills that would be assessed in the
9 local tax collecting unit if the property were subject to the
10 collection of taxes under the general property tax act, 1893 PA
11 206, MCL 211.1 to 211.155, and if the property was exempt as
12 provided under section 7cc of the general property tax act, 1893 PA
13 206, MCL 211.7cc, by the hydroponics production facility's or
14 aquaculture production facility's taxable value.

15 (b) Multiply the result of the calculation in subdivision (a)16 by .25.

17 (c) If a new millage is approved in the local tax collecting unit in which a hydroponics production facility or aquaculture 18 19 production facility is located after the effective date of this 20 act, multiply the number of mills that were approved that would be 21 assessed if the hydroponics production facility or aquaculture production facility were subject to the collection of taxes under 22 23 the general property tax act, 1893 PA 206, MCL 211.1 to 211.155, by 24 the hydroponics production facility's or aquaculture production facility's taxable value. Repeat this calculation for each 25 26 individual millage approved in the local tax collecting unit after 27 the effective date of this act.

(d) Add the result of the calculation under subdivision (b)
 and the result of all calculations under subdivision (c).

3 (3) The hydroponics and aquaculture production facilities
4 property specific tax is an annual tax, payable at the same times,
5 in the same installments, and to the same collecting officer or
6 officers as taxes collected under the general property tax act,
7 1893 PA 206, MCL 211.1 to 211.155.

8 (4) The collecting officer or officers shall disburse the
9 hydroponics and aquaculture production facilities property specific
10 tax to and among this state and cities, townships, villages, school
11 districts, counties, or other taxing units, at the same times and
12 in the same proportions as required by law for the disbursement of
13 taxes collected under the general property tax act, 1893 PA 206,
14 MCL 211.1 to 211.155.

15 (5) The collecting officer or officers shall send a copy of
16 the amount of disbursement made to each taxing unit under this
17 section to the commission on a form provided by the commission.

Sec. 6. Unpaid hydroponics and aquaculture production
facilities specific taxes are subject to forfeiture, foreclosure,
and sale in the same manner and at the same time as taxes returned
as delinquent under the general property tax act, 1893 PA 206, MCL
211.1 to 211.155.

23 Enacting section 1. This act does not take effect unless
24 Senate Bill No. 786 of the 97th Legislature is enacted into law.
