You are not to consider such a refusal in determining the guilt or innocence of the defendant.”

(8) If after an accident the operator of an ORV involved in the accident is transported to a medical facility and a sample of the operator's blood is withdrawn at that time for the purpose of medical treatment, the results of a chemical analysis of that sample shall be admissible in a criminal prosecution for a crime described in subsection (1) to show the amount of alcohol or presence of a controlled substance, or both, in the person's blood at the time alleged, regardless of whether the person had been offered or had refused a chemical test. The medical facility or person performing the chemical analysis shall disclose the results of the analysis to a prosecuting attorney who requests the results for use in a criminal prosecution as provided in this subsection. A medical facility or person disclosing information in compliance with this subsection shall not be civilly or criminally liable for making the disclosure.

(9) If after an accident the operator of an ORV involved in the accident is deceased, a sample of the decedent's blood shall be withdrawn in a manner directed by the medical examiner for the purpose of determining blood alcohol content or presence of a controlled substance, or both. The hearing officer may administer oaths and issue subpoenas for the attendance of necessary witnesses, and may grant a reasonable request for an adjournment. The hearing shall cover only the following issues:

include findings of fact based exclusively on the evidence presented and matters officially noticed, and shall specify any sanction to be imposed against the person involved. A copy of the final decision or order shall be delivered or mailed immediately to the person and the peace officer.

(4) After the administrative hearing, if the person is found to have unreasonably refused to submit to a chemical test, the secretary of state shall suspend the person's right to operate an ORV for a period of 1 year, or for a second or subsequent refusal within a period of 7 years, for 2 years. Within 60 days after the final decision or order is issued by the hearing officer, the person may file a petition in the circuit court of the county in which the arrest was made to review the suspension. If after the hearing the person who requested the hearing prevails, the peace officer who filed the report under section 81138 may, with the consent of the prosecuting attorney, file a petition in the circuit court of the county in which the arrest was made to review the determination of the hearing officer as provided in section 81140b. (5) The circuit court shall enter an order setting the cause for hearing for a date certain that is not more than 60 days after the date of the order. The order, a copy of the petition, which shall include the person's full name, current address, birth date, and driver license number, and all supporting affidavits shall be served on the secretary of state's office in Lansing not less than 50 days before the date set for the hearing. The department shall cause a record to be made of the proceedings held under subsection (2). Upon notification of the filing of a petition for judicial review, the department shall transmit to the court in which the petition was filed, not less than 10 days before the matter is set for review, the original or a certified copy of the official record of the proceedings.

Sec. 81140b. As provided in section 81140, a peace officer who is aggrieved by a determination of a hearing officer in favor of a person who requested a hearing under section 81140 may, with the consent of the prosecuting attorney, petition for review of the determination in the circuit court in the county where the arrest was made. The petition shall be filed within 63 days after the determination is made except that, for good cause shown, the court may allow the petition to be filed within 182 days after the determination is made.

(2) Except as otherwise provided in this section, the circuit court shall enter an order setting the cause for hearing for a date certain that is not more than 63 days after the date of the order. The order, a copy of the petition that includes the person's full name, current address, birth date, and driver license number, and all supporting affidavits shall be served on the secretary of state's office in Lansing not less than 20 days before the date set for the hearing. If the person is seeking a review of the record prepared under section 81140, the service upon the secretary of state shall be made not less than 50 days before the date set for the hearing.

(3) The court may take testimony and examine all the facts and circumstances incident to the order that the person not operate an ORV in this state. The court may affirm, modify, or set aside the order. The order of the court shall be duly entered, and the petitioner shall file a certified copy of the order with the secretary of state's office in Lansing within 7 days after entry of the order.

(4) Except as otherwise provided in this section, in reviewing a determination under section 81140, the court shall confine its consideration to a review of the record prepared under section 81140 to determine whether the hearing officer properly determined the issues enumerated in section 81140.

(5) In reviewing a determination resulting in issuance of an order under section 81134, the court shall confine its consideration to a review of the record prepared under section 81140. The court shall set aside the determination of the secretary of state only if substantial rights of the petitioner have been prejudiced because the determination is any of the following:

(3) The results of a preliminary chemical breath analysis shall be admissible in a criminal prosecution for a crime enumerated in section 81136(1) or in an administrative hearing held under section 81140, solely to assist the court or hearing officer in determining a challenge to the validity of an arrest. This subsection does not limit the introduction of other competent evidence offered to establish the validity of an arrest.

(4) A person who submits to a preliminary chemical breath analysis remains subject to the requirements of sections 81136, 81137, 81138, 81139, and 81140 for the purposes of chemical tests described in those sections.

(5) A person who refuses to submit to a preliminary chemical breath analysis upon a lawful request by a peace officer is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than $500.00.

Sec. 81144.
