

**SR-39, As Adopted by Senate, April 30, 2013**

Senator Jones offered the following resolution:

**Senate Resolution No. 39.**

A resolution to designate June 17-23, 2013, as Amateur Radio Week in the state of Michigan.

Whereas, Amateur radio operators are celebrating over a century of the miracle of the human voice broadcast over the airwaves; and

Whereas, Amateur radio has continued to provide a bridge between people, societies, and countries by creating friendships and the sharing of ideas; and

Whereas, Operators of amateur radio have also provided countless hours of community services both in emergencies and to other local organizations throughout the decades, which are provided wholly uncompensated; and

Whereas, The state of Michigan recognizes the services made available to our many civilian emergency response organizations, including the American Red Cross and The Salvation Army; and

Whereas, These same individuals have further demonstrated their value in public assistance by furnishing free radio communications for local parades, bike-a-thons, walk-a-thons, fairs, and other charitable public events; and

Whereas, The state of Michigan acknowledges and appreciates the diligence of these hams who also serve as weather spotters in the SKYWARN program of the National Weather Service; and

Whereas, Amateur radio once again proved its undisputed relevance in the modern world by rendering emergency communications when other systems failed in the wake of Hurricane Irene and the paralyzing October blizzard that hit the Northeast and Atlantic Seaboard; and

Whereas, The American Radio Relay League (ARRL) is the leading organization for amateur radio in the United States; and

Whereas, The ARRL Amateur Radio Field Day exercise will take place on June 22-23, 2013, and is a 24-hour emergency preparedness exercise and demonstration of the radio amateurs' skills and readiness to provide self-supporting communications without further infrastructure being required; now, therefore, be it

Resolved by the Senate, That we hereby designate June 17-23, 2013, as Amateur Radio Week in the state of Michigan; and be it further

Resolved, That a copy of this resolution be transmitted to the Michigan section of the American Radio Relay League as evidence of our esteem.
