12. Senior Citizen Cooperative Housing Tax Exemption. The Governor/Senate continued the reduction in funding to this line item, first done in E.O. 2015-5. Costs of this program have been reduced due in part to reassessments of property values. The reduction reflects the anticipated lapse amount.	0
13. Elimination of One-Time items. The Governor/Senate eliminated the one-time appropriations of \$600,000 that went towards creating a system that allows individuals to pay income tax owed on credit cards, and a \$1.1 million grant to Flint for police and fire.	(1,600,000)
14. Remove Supplemental Funding. The Governor/Senate eliminated FY 2014-15 supplemental funding. PA 282 and 182 of 2014 made one-time appropriations to Tax and Economic Policy (\$1.0 million) and Executive Operations (\$100,000). H.B. 4112 made a one-time special grant for the proposed ballot proposal (11.0 million), Casino IT upgrades (\$3.0 million), income tax fraud prevention start-up (\$1.6 million), and driver responsibility fee phase-out (\$550,000).	(17,250,000)
15. Economic Adjustments. Standard economic adjustments increased \$1,752,600 Gross and \$284,500 GF/GP. However, economic adjustments for OPEB more than offset the increase in standard economics, and totaled a negative \$2,252,700 Gross and negative \$373,500 GF/GP. Other economic adjustments totaled a negative \$51,900 Gross and negative \$12,500 GF/GP.	(552,000)

A portion of the funds that have been prevented from being disbursed goes towards funding this program, but it cannot exceed \$1.6 million. The section also requires a report to the Legislature on the amount of fraudulent tax returns that were stopped. \$1.6 million in delinquent tax revenue was put into the FY 2014-15 supplemental (H.B. 4112), which started this program. (Sec. 948)

FY 2014-15 Year-to-Date Gross Appropriation	\$1,232,694,000
----------------------------------------------------------	------------------------

Changes from FY 2014-15 Year-to-Date:

- 1. Constitutional Revenue Sharing.** The Governor recommended \$788,497,000 for constitutional revenue sharing in FY 2015-16, an increase of 3.1% over the January 2015 consensus estimate of payments in FY 2014-15. Constitutional revenue sharing is paid to cities, villages, and townships on a per-capita basis. The Senate concurred. 23,843,000
- 2. City, Village, and Township Revenue Sharing.** The Governor reduced nonconstitutional (statutory) revenue sharing to CVTs by 2.3% to \$243,040,000. The Governor removed the per capita payment option for CVTs with a population over 7,500 that was included in the FY 2014-15 budget. This would remove 101 local units of government (100 townships and 1 city) from eligibility for a payment, leaving 486 eligible local units, the same units as in FY 2013-14. The Senate concurred with Governor in removal of the per capita payment. The Senate added \$424,100 for alternate payments which would prevent a local unit that received a per capita payment in FY 2014-15 from declining in total revenue sharing (constitutional and statutory) from FY 2014-15 to FY 2015-16. It is estimated that 103 CVTs would receive alternate payments under this provision. The total of alternate payments would be capped at \$424,100 and prorated as necessary. The Senate provided \$243,464,100 in CVT revenue sharing in FY 2015-16. (5,375,900)
- 3. County Revenue Sharing and County Incentive Program.** The Governor increased revenue sharing funding for counties by \$3.5 million to \$214.7 million to cover the cost of counties that return to State-paid revenue sharing for the first full or part-year of payments in FY 2015-16. The line item for County Revenue Sharing would receive \$2.8 million and the County Incentive Program (which requires compliance with accountability and transparency requirements) would receive \$700,000. The Senate concurred. 3,500,000
- 4. Financially Distressed Cities, Villages, and Townships.** This grant program to CVTs with signs of probable financial distress would be reduced from \$8.0 million in FY 2014-15 to \$5.0 million in FY 2015-16. The Senate concurred. (3,000,000)

5. **Comparison to Governor's Recommendation.** The Senate is \$424,100 Gross over and \$424,100 GF/GP over the Governor.

Total Changes	\$18,967,100
FY 2015-16 Senate Appropriations Subcommittee Gross Appropriation.....	\$1,251,661,100

The changes show the differences between the schedule of programs proposed by the Governor and the prior-year line items.

Boilerplate Changes from FY 2014-15 Year-to-Date:

1. **City, Village, and Township Revenue Sharing Eligibility.** The Governor deleted the distribution of \$2.64659 per capita to CVTs with a population of over 7,500 that was in effect for FY 2014-15. Eligibility remains for CVTs that received a statutory revenue sharing payment in FY 2009-10 greater than \$4,500. Those CVTs are eligible for up to 78.51044% of the payment received in FY 2009-10. The Senate concurred with Governor in elimination of the per capita payment and retention of the payment calculation for CVTs that received at least \$4,500 of statutory revenue sharing in FY 2009-10. The Senate added alternate payments for CVTs that received a per capita payment in FY 2014-15. The alternate payment would be the amount by which the total of statutory and constitutional revenue sharing in FY 2015-16 (excluding the new alternate payment) was less than the total of statutory and constitutional revenue sharing in FY 2014-15, for CVTs that received a per capita payment in FY 2014-15. The total of the alternate payments would be capped at \$424,100 and prorated as necessary. (Sec. 952)
2. **Accountability and Transparency.** The Governor revised the accountability and transparency criteria for CVTs and counties to specify that the report of debt service payments includes payments until maturity of the debt and to require that eligible CVTs and counties include information in any general mailing to citizens about the internet or physical location of the accountability and transparency reports. The Senate concurred. (Sec. 952)
3. **County Revenue Sharing Withholding.** The Governor authorized the withholding of revenue sharing payments to a county if the county is more than three months delinquent in maintaining the county child care fund or State ward board and care chargeback obligations. These obligations relate to foster care and juvenile justice. The Senate allowed payments to be withheld if the county is at least 6 months delinquent, the Department of Human Services previously has notified the county court administrator and the chair of the county board of commissioners that the county was 3 months delinquent, the amount of the withholding is limited to the amount of the delinquency, and the withholding is only implemented after the director of DHS sends a formal, written notice to Treasury that states that the county is at least 6 months delinquent, the amount of the delinquent payments, and that payments should be withheld. (Sec. 952(5)(i))
4. **Financially Distressed CVTs.** The Governor delayed the report date for grant awards from March 15 to September 30. The Governor expanded examples of allowable uses for the grants. The Governor added replacement of critical infrastructure (instead of just repair), added repair or replacement of critical equipment owned by the CVT; permitted qualifying infrastructure to be either owned or maintained by the CVT (as opposed to "owned and maintained" by the CVT; allowed funds to be used to reduce any type of debt service obligations (not just obligations supported by the local general fund), and specified that shared services are provided in conjunction with another jurisdiction. The Governor also updated work project amounts and dates and removed the direction for Treasury to establish an application process. The Senate retained language on the application process, changed the report due date to March 31, and concurred with Governor on other items. (Sec. 20-956)
5. **County Revenue Sharing - Statement of Purpose.** The Governor added language to state that the purpose of the increased funding for county revenue sharing is to provide the funding allowed under Sec. 44a of the General Property Tax Act. Senate did not include. (Sec. 20-957)
6. **Online Financial Accountability Reporting System.** The Governor deleted language that required the Department of Treasury to work with the Department of Technology, Management, and Budget to issue a request for proposals (RFP) for a statewide financial accountability reporting system accessible to the general public and report on the status of the RFP by March 15. The Senate concurred. (Sec. 958)
