The receipt is valid as a license until a license or notice of statutory disqualification is issued by the county clerk. This receipt does not exempt the individual named in the receipt from complying with all applicable laws for the purchase of firearms."

Beginning December 1, 2015, and subject to subsection (10), the department of state police shall complete the verification required under subsection (6) and the county clerk shall issue a license or a notice of statutory disqualification within 45 days after the date the applicant has classifiable fingerprints taken under subsection (9). Beginning December 1, 2015, the county clerk shall include an indication on the license if an individual is exempt from the prohibitions against carrying a concealed pistol on premises described in section 5o if the applicant provides acceptable proof that he or she qualifies for that exemption. Until November 30, 2015, if the concealed weapon licensing board denies issuance of a license to carry a concealed pistol, or beginning December 1, 2015, if the county clerk issues a notice of statutory disqualification, the concealed weapon licensing board or the county clerk, as appropriate, shall within 5 business days do all of the following:

(14) Until November 30, 2015, if the fingerprint comparison report is not received by the concealed weapon licensing board within 60 days after the fingerprint report is forwarded to the department of state police by the Federal Bureau of Investigation, the concealed weapon licensing board shall issue a temporary license to carry a concealed pistol to the applicant if the applicant is otherwise qualified for a license. Until November 30, 2015, a temporary license issued under this section is valid for 180 days or until the concealed weapon licensing board receives the fingerprint comparison report provided under subsection (10) and issues or denies issuance of a license to carry a concealed pistol as otherwise provided under this act. Until November 30, 2015, upon issuance or the denial of issuance of the license to carry a concealed pistol to an applicant who received a temporary license under this section, the applicant shall immediately surrender the temporary license to the concealed weapon licensing board that issued that temporary license. Beginning December 1, 2015, if a license or notice of statutory disqualification is not issued under subsection (13) within 45 days after the date the applicant has classifiable fingerprints taken under subsection (9), the receipt issued under subsection (9) shall serve as a concealed pistol license for purposes of this act when carried with a state-issued driver license or personal identification card and is valid until a license or notice of statutory disqualification is issued by the county clerk.

(15) If an individual licensed under this act to carry a concealed pistol moves to a different county within this state, his or her license remains valid until it expires or is otherwise suspended or revoked under this act. Beginning December 1, 2015, an individual may notify a county clerk that he or she has moved to a different address within this state for the purpose of receiving the notice under section 5l(1). A license to carry a concealed pistol that is lost, stolen, or defaced may be replaced by the issuing county clerk for a replacement fee of \$10.00. A county clerk shall deposit a replacement fee under this subsection in the concealed pistol licensing fund of that county created in section 5x.

(16) If a license issued under this act is suspended or revoked, the license is forfeited and the individual shall return the license to the county clerk forthwith by mail or in person. Beginning December 1, 2015, the county clerk shall retain a suspended or revoked license as an official record 1 year after the expiration of the license, unless the license is reinstated or a new license is issued. Beginning December 1, 2015, the county clerk shall notify the department of state police if a license is suspended or revoked. Beginning December 1, 2015, the department of state police shall enter that suspension or revocation into the law enforcement information network. An individual who fails to return a license as required under this subsection after he or she was notified that his or her license was suspended or revoked is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

(17) An applicant or an individual licensed under this act to carry a concealed pistol may be furnished a copy of his or her application under this section upon request and the payment of a reasonable fee not to exceed \$1.00. The county clerk shall deposit any fee collected under this subsection in the concealed pistol licensing fund of that county created in section 5x.

Beginning December 1, 2015, a county clerk shall retain a surrendered license as an official record for 1 year after the license is surrendered. Beginning December 1, 2015, if an individual voluntarily surrenders a license under this subsection, the county clerk shall notify the department of state police. (2) Money credited to the county concealed pistol licensing fund shall be expended in compliance with the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a, subject to an appropriation. Expenditures from the county concealed pistol licensing fund shall be used by the county clerk only for the cost of administering this act. Allowable expenditures include, but are not limited to, any of the following costs of the county clerk:

(a) Staffing requirements directly attributable to performing functions required under this act.

(b) Technology upgrades, including technology to take fingerprints by electronic means.

(c) Office supplies.

(d) Document storage and retrieval systems and system upgrades.

Sec. 8. (1) The county clerk in the county in which a license was issued to an individual to carry a concealed pistol shall suspend, revoke, or reinstate a license as required under this act if ordered by a court or if the county clerk is notified of a change in the licensee's eligibility to carry a concealed pistol under this act.

(2) Except as provided in subsections (3) or (4), a license shall not be suspended or revoked under this section except upon written complaint and an opportunity to request the county clerk to conduct a review of that suspension or revocation.

(3) If an individual licensed to carry a concealed pistol is charged with a felony or misdemeanor as defined in this act, the court shall immediately order the county clerk in the county in which the license to carry a concealed pistol was issued to suspend the individual's license until there is a final disposition of the charge for that offense. The court shall notify the county clerk of each statutory provision with which the individual has been charged. The county clerk shall send notice by first-class mail in a sealed envelope of that suspension to the individual's last known address as indicated in the records of the county clerk. The notice shall include the statutory reason for the suspension, the source of the record supporting that suspension, the length of the suspension, and whom to contact for reinstating the license on expiration of the suspension, correcting errors in the record, or appealing the suspension. The requirements of subsection (2) do not apply to this subsection. If a court ordered a license suspended under this subsection and the individual is acquitted of the charge or the charge is dismissed, the court shall notify the county clerk who shall automatically reinstate the license if the license is not expired and the individual is otherwise qualified to receive a license to carry a concealed pistol, as verified by the department of state police. A county clerk shall not charge a fee for the reinstatement of a license under this subsection.

(4) The department of state police shall notify the county clerk in the county in which a license was issued to an individual to carry a concealed pistol if the department of state police determines that there has been a change in the individual's eligibility under this act to receive a license to carry a concealed pistol. The county clerk shall suspend, revoke, or reinstate the license as required under this act and immediately send notice of the suspension, revocation, or reinstatement under this subsection by first-class mail in a sealed envelope to the individual's last known address as

indicated on the records of the county clerk. The notice shall include the statutory reason for the suspension, revocation, or reinstatement, the source of the record supporting the suspension, revocation, or reinstatement, the length of the suspension or revocation, and whom to contact for correcting errors in the record, appealing the suspension or revocation, and reapplying for that individual's license. The department of state police shall immediately enter that suspension, revocation, or reinstatement into the law enforcement information network. The requirements of subsection (2) do not apply to this subsection.

(5) If a suspension is imposed under this section, the suspension shall be for a period stated in years, months, or days, or until the final disposition of the charge, and shall state the date the suspension will end, if applicable. The licensee shall promptly surrender his or her license to the county clerk after being notified that his or her license has been revoked or suspended. An individual who fails to surrender a license as required under this subsection after he or she was notified that his or her license was suspended or revoked is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

(6) Except as otherwise provided in subsections (3) and (7), if a license is suspended under this section and that license was surrendered by the licensee, upon expiration of the suspension period, the applicant may apply for a renewal license in the same manner as provided under section 5*l*. The county clerk or department of state police, as applicable, shall issue the applicant a receipt for his or her application at the time the application is submitted. The receipt shall contain all of the following:

(a) The name of the applicant.

(b) The date and time the receipt is issued.

(c) The amount paid.

(d) The applicant's state-issued driver license or personal identification card number.

(e) The statement, "This receipt was issued for the purpose of applying for a renewal of a concealed pistol license following a period of suspension or revocation. This receipt does not authorize an individual to carry a concealed pistol in this state."

(f) The name of the county in which the receipt is issued, if applicable.

(g) An impression of the county seal, if applicable.

(7) If a license is suspended because of an order under section 5b(7)(d)(*iii*) and that license was surrendered by the licensee, upon expiration of the order and notification to the county clerk, the county clerk shall automatically reinstate the license if the license is not expired and the department of state police has completed the verification required under section 5b(6). The county clerk shall not charge a fee for the reinstatement of a license under this subsection.

(8) If the court orders a county clerk to suspend, revoke, or reinstate a license under this section or amends a suspension, revocation, or reinstatement order, the county clerk shall immediately notify the department of state police in a manner prescribed by the department of state police. The department of state police shall enter the order or amended order into the law enforcement information network.

(9) A suspension or revocation order or amended order issued under this section is immediately effective. However, an individual is not criminally liable for violating the order or amended order unless he or she has received notice of the order or amended order.

(10) If an individual is carrying a pistol in violation of a suspension or revocation order or amended order issued under this section but has not previously received notice of the order or amended order, the individual shall be informed of the order or amended order and be given an opportunity to properly store the pistol or otherwise comply with the order or amended order before an arrest is made for carrying the pistol in violation of this act.

(11) If a law enforcement agency or officer notifies an individual of a suspension or revocation order or amended order issued under this section who has not previously received notice of the order or amended order, the law enforcement agency or officer shall enter a statement into the law enforcement information network that the individual has received notice of the order or amended order under this section.
