The People of the State of Michigan enact:

Sec. 541. (1) Except as provided in subsections (2) to (6), the commission shall not allow an applicant for or the holder of a specially designated distributor license or specially designated merchant license from owning or operating motor vehicle fuel pumps on or adjacent to the licensed premises, unless both of the following conditions are met:

(a) One or both of the following conditions exist:

(i) The applicant or licensee is located in a neighborhood shopping center.

(ii) Subject to subsection (9), the applicant or licensee maintains a minimum inventory on the premises, excluding alcoholic liquor and motor vehicle fuel, of not less than \$250,000.00, at cost, of those goods and services customarily marketed by approved types of businesses.

(b) The site of payment and selection of alcoholic liquor is not less than 5 feet from that point where motor vehicle fuel is dispensed.

(2) The commission shall not prohibit an applicant for or the holder of a specially designated distributor license or specially designated merchant license from owning or operating motor vehicle fuel pumps on or adjacent to the licensed premises, if all of the following conditions are met:

(a) The applicant is located in a township with a population of 7,000 or less that is not contiguous with any other township. For purposes of this subdivision, a township is not considered contiguous by water.

(b) The applicant or licensee maintains a minimum inventory on the premises, excluding alcoholic liquor and motor vehicle fuel, of not less than \$12,500.00 at cost, of those goods and services customarily marketed by approved types of businesses.

(c) The applicant has the approval of the township, as evidenced by a resolution duly adopted by the township and submitted with the application to the commission.

(3) The commission shall not prohibit an applicant for or the holder of a specially designated merchant license from owning or operating motor vehicle fuel pumps on or adjacent to the licensed premises if both of the following conditions are met:

(5) A person that was issued a specially designated merchant license or specially designated distributor license at a location at which another person owned, operated or maintained motor vehicle fuel pumps at the same location may have or acquire an interest in the ownership, operation or maintenance of those motor vehicle fuel pumps.

(6) The commission may transfer ownership of a specially designated merchant license or specially designated distributor license to a person that owns or is acquiring an interest in motor vehicle fuel pumps already in operation at the same location at which the license is issued.

(7) If a specially designated merchant's licensed premises are a primary location, the commission may issue a secondary location permit to the specially designated merchant, as an extension of the specially designated merchant's license, for the sale of beer, wine, or both, at the secondary location. The application must include a diagram of the secondary location with building dimensions and a depiction of the distance measurement described in subsection (1)(b). The secondary location permit expires on the same date as the specially designated merchant license and may be renewed in conjunction with the specially designated merchant license. The secondary location permit holder may renew the secondary location permit by submitting a permit renewal fee of \$100.00 and a completed renewal application.

(9) After a specially designated merchant is issued a secondary location permit under subsection (7) and if the specially designated merchant's licensed premises are a primary location that is not a neighborhood shopping center, for purposes of determining the minimum inventory condition described in subsection (1)(a)(ii), the primary location and the secondary location are considered 1 premises.
