The office for safe schools in the department shall compile information on and catalog existing alternative education programs or schools and nonpublic schools that may be open to enrollment of individuals expelled under this section and pursuant to section 1311(2) or 1311a, and shall periodically distribute this information to school districts for distribution to expelled individuals. A school board that establishes an alternative education program or school described in this subsection shall notify the office for safe schools about the program or school and the types of pupils it serves. The office for safe schools also shall work with and provide technical assistance to school districts, authorizing bodies for public school academies, and other interested parties in developing these types of alternative education programs or schools in geographic areas that are not being served.

(3) As used in this section:
